

Annual Itinerant Vendor Health Permit Information

What is an Annual Itinerant Vendor Permit?

- ⇒ This type of *Temporary Food Establishment (TFE)** permit is for use at *special events** that are open to the public, such as farmers' markets and the special events we see in downtown Reno and Sparks, as well as in our parks, etc.
- ⇒ It is the same as the TFE but will have some additional equipment requirements and will require the use of a *servicing area**, similar to that of a mobile food annual permit.
- ⇒ You can operate at an unlimited number of different special events with one permit for the whole calendar year! You will still be limited to 14 dates at a single event, such as a farmers' market.

Who Can Apply for an Annual Itinerant Vendor Permit?

- ⇒ Any temporary food vendor who wishes to operate at five or more special events, has a servicing area and has the required equipment.

What are the requirements for this permit type?

- ⇒ Everything you would need for a TFE (see our [TFE Requirements](#) document) PLUS the following:
- ⇒ A *servicing area** that will receive an inspection prior to issuance of the Annual Itinerant Permit and additional random inspection(s) during a time that you are preparing food or washing dishes, etc.
- ⇒ Self-contained portable hand wash stations (no gravity flow containers)
- ⇒ Commercial equipment that is NSF or ANSI equivalent certified

Where do you apply?

- ⇒ Apply at [online](#) onenv.us
 - Tutorial video available: <https://youtu.be/H5O0DMMtdyw>

When can you apply?

- ⇒ This permit will be available beginning July 1, 2024 and will run on a calendar year
 - You will need to apply for a new itinerant permit for 2025 and prorates for 2024 are not available
