## REGISTRATION CHECK LIST

- Documentation of most recent spore destruction test performed on sterilization equipment 30 days or less prior to the opening must be provided to Northern Nevada Public Health (NNPH).
- Documentation must be maintained of all persons who have Invasive Body Decoration (IBD) procedures performed at this facility. Client forms must include the following:
  - Client name;
  - Address;
  - Date of Birth;
  - Procedure Performed; and
  - Name of Artist Performing Procedure.
- Copies of all client forms must be provided to NNPH for review upon request. This documentation is required and will remain confidential.
- Disinfectant must be effective against HBV and must be in the original container. If the original container cannot be provided you may be required to purchase an approved disinfectant prior to permit issuance.
- Copy of Floor Plan including IBD area, hand sink, restrooms. Floor plan must be to scale (e.g., 1"=50', 1"=25'). A minimum of one (1) sink to be used by artist for hand washing, excluding service sinks and bathroom sinks. One hand sink shall service no more than four (4) IBD operators.
