### SUMMARY

The Comptroller's Office is requesting approval to remove uncollectible accounts receivable from the records of Comptroller Department / Collections Division totaling \$22,450.51.

**Washoe County Strategic Objective supported by this item:** Sustainability of our financial, social and natural resources.

### PREVIOUS ACTION

No previous action.

### BACKGROUND

Nevada Revised Statute 354.257 states that "the Board of County Commissioners may remove from the records of the County the amount of an account receivable and the name of the debtor, upon a determination by a centralized collection system established pursuant to NRS 244.207 or the District Attorney that the account receivable is uncollectible and the recommendation of the county auditor that the account be removed."

The pursuit of outstanding account receivable is conducted using various methods as allowed by law. Those collection efforts include, but are not limited to:

- Sending regular billings and past due notices to the last known address of the debtor.
- Location of debtor and location of debtor assets.
- Contact with the debtor via certified mail, telephone, and any known personal references to obtain a commitment to pay the debt.
- Attempt to obtain a judgment in small claims court in order to attach wages and/or place a lien on real property.
- Referral of the debt to an outside collection agency.

AGENDA ITEM # 5E2

Reasons to recommend the removal of uncollectible receivables include, but are not limited to: all reasonable collection efforts have been exhausted, the cost of further collection action will exceed the amount recovered, the debtor cannot be located, the debt was discharged in bankruptcy, the applicable statute of limitations for collection of the debt has expired, litigation against debtor is unsuccessful, deceased or deported debtor.

**FISCAL IMPACT**

There is no fiscal impact for the current fiscal year. These items were considered doubtful accounts in the past fiscal years and are not included in revenues. A portion of the amounts shown below is for debts that have been referred to an outside collection agency and on which the statute of limitations has expired.
