DATE: May 28, 2015

TO: Board of County Commissioners

FROM: Bob Webb, Planning Manager, Planning and Development Division, Community Services Department, 328-3623, bwebb@washoecounty.us

THROUGH: William H. Whitney, Division Director, Planning and Development Community Services Department, 328-3617, bwhitney@washoecounty.us

SUBJECT: Public hearing and possible approval of an Outdoor Festival business license application (pursuant to Washoe County Code chapter 25 and related provisions) and associated License Conditions for the Barracuda Championship 2015 golf tournament, scheduled to be held from August 3 through August 9, 2015 at the Montreux Golf and Country Club. Event set-up is proposed to begin on June 30, 2015, and event takedown and dismantle is proposed to end on August 21, 2015. Tournament parking is proposed at the clubhouse and on Lausanne Drive, with off-site public parking at Galena High School and off-site volunteer parking at the UNR Redfield Campus. If approved, authorize set-up for the tournament to commence on June 30, 2015 and further authorize the Director of the Planning & Development Division, Community Services Department to issue the license when all pre-event conditions have been met. (Commission District 2.)

SUMMARY

The Board is asked to consider the Outdoor Festival business license application for the Barracuda Championship 2015 golf tournament. Based on the testimony and evidence presented at the hearing, to include the report of reviewing agencies, the Board may approve the issuance of the business license with conditions, or deny the business license.

BACKGROUND

GENERAL TOURNAMENT BACKGROUND

The Barracuda Championship 2015 golf tournament is an official PGA Tour-sanctioned event to be held at Montreux Golf and Country Club from August 3 (Monday) through August 9 (Sunday), 2015. The Barracuda Championship 2015 golf tournament will involve professional PGA Tour golfers competing in a 72-hole Modified Stableford formatted event on Montreux's 7,472 yard Jack Nicklaus championship course. The total tournament purse is \$3 million. This event is the seventeenth year for the tournament and will be televised nationally and internationally on The Golf Channel for 18 hours to 224 countries, reaching over 88 million households. The applicant is the Reno-Tahoe Open Foundation, a 501(c)3 non-profit corporation, with board members from the local area. The Reno-Tahoe Open Foundation is handling event management.

The event is forecasting approximately 132 PGA Tour players, and 50,000 to 55,000 customers and spectators throughout the seven days of the tournament. The approximate maximum attendance on any one day of the tournament is 10,000 people. Tournament staff will be on-site each day during the tournament from 5:30 a.m. to 8:00 p.m. The main hours for public attendance are estimated to be 8:00 - 11:00 a.m. (arrival time) and 3:00 - 6:00 p.m. (departure time). The tournament competition should be over by 6:00 p.m., Sunday, August 9, 2015.

Event set-up is proposed to begin on June 30, 2015, with event staff on-site from 6:30 a.m. until 8:00 p.m. each day until the tournament begins. Event takedown and dismantle is proposed to start on August 10, 2015 and end on August 21, 2015. Event staff will be on-site for takedown/dismantle each day from 6:30 a.m. until 8:00 p.m.

There will be four office trailers temporarily located on-site for tournament management and one trailer located off-site at the public parking area at Galena High School (all

trailers will be provided by Quick Space Nevada). The four on-site trailers will provide offices for Tournament Operations, PGA TOUR Rules, PGA TOUR Weather, and Communications.

Public parking is proposed at the Galena High School parking lot, which has the capacity to hold 600 vehicles. Volunteer parking is proposed at the UNR Redfield Campus on a portion of the parking lot with a capacity to hold 400 vehicles. Preferred tournament parking is proposed at two areas within the Montreux Golf and Country Club. The first area (Lot A) is at the clubhouse parking lot. The second area (Lot B) is on Lausanne Road, a 2 mile loop road off Bordeaux Drive.

Summary information from the applicant and from reviewing agencies is included in Attachment C to this staff report; the Outdoor Festival Business License application is provided as Attachment D.

OUTDOOR FESTIVAL BUSINESS LICENSE

Outdoor Festival business licenses are granted under the provisions of Washoe County Code (WCC) Chapter 25 (Business License Ordinance). An Outdoor Festival Business License is granted by the Board after a public hearing. This event qualifies as an outdoor festival because more than 1,000 people (participants and spectators) will attend the event during a single day [WCC Section 25.265(1)] and the event is being held on private lands in the unincorporated County (WCC Section 25.269). Applications are accepted by Washoe County Business License staff and reviewed for completeness before setting the required public hearing date [WCC Section 25.277(1)] and distributing the application for comment. The applicant waived the 30-day public hearing date requirement set forth in State Law and within WCC Section 25.277(1) to allow staff adequate time to complete a comprehensive review of the application (see the *Waiver and Consent* included as part of the application in Attachment D).

Copies of the application were provided to the County Clerk and the following reviewing agencies: Community Services [Planning & Development (Business License and Code Enforcement), Building and Safety, and Engineering & Capital Projects (Traffic)], Health District (Environmental and Medical/Health), Risk Management, Sheriff's Office, and the Truckee Meadows Fire Protection District [WCC Section 25.273(3)]. A courtesy copy was also provided to the Nevada Department of Taxation. Comments received from reviewing agencies are summarized in Attachment C. Notice of the public hearing was provided to the applicant and affected property owners in accordance with the provisions of WCC Section 25.277(2). Staff will provide a copy of the notice and a list of persons notified if requested.

WCC Section 25.305 requires a performance security from any Outdoor Festival business license applicant. The performance security instrument (i.e., surety bond, letter of credit, certificate of deposit, cash bond or other similar instrument) is to be approved by the District Attorney's Office and the amount is to be determined by business license staff. The amount of the performance security is to cover costs associated with removing debris, trash, and/or other waste from the tournament sites. The applicant has

demonstrated exceptional tournament clean up, both on the tournament site and at off-site parking areas, for the previous 16 licensed Outdoor Festival events. Additionally, the applicant has provided a written statement guaranteeing the cleanup and restoration of all tournament sites to pre-event status. Therefore, staff does not recommend the imposition of a performance security to ensure clean up of the off-site parking areas and the on-site tournaments areas. Staff proposes a pre-event condition to waive the required performance security and a post-event condition to require total clean up of all tournament sites.

The license conditions contained in this staff report as Attachment B are for consideration by the Board when reviewing the license application. During the public hearing on the application, the Board should base any decisions on the testimony of witnesses, evidence presented at the public hearing, and this staff report. The Board must either approve the issuance of an Outdoor Festival business license with conditions or deny the application [WCC Section 25.277(3)]. The appropriate grounds for denial of the application are outlined in WCC Section 25.281, which staff can provide if needed. Although the Board may continue a decision on the application to its next regularly scheduled meeting, staff recommends that the County Commission decide on the license during the June 23rd public hearing, if at all feasible, to allow the applicant sufficient time to meet any and all imposed pre-event conditions.

Should the Board approve the issuance of the Outdoor Festival business license (Attachment A), staff recommends that applicant provide Washoe County Business License with proof of compliance for each applicable pre-event condition by July 6, 2015. This time frame should provide sufficient time for the applicant to comply with all pre-event conditions. The applicant, however, has requested that event set-up begin on June 30, 2015. Staff supports this request and recommends that the Board authorize set-up to begin on June 30th, prior to final validation of all pre-event conditions, if the Board approves the Outdoor Festival business license application.

Washoe County business license staff will issue the Outdoor Festival business license, under the signature of the Planning & Development Division Director, only after determination that all pre-event conditions have been met and that all applicable fees have been paid (WCC Section 25.283).

FISCAL IMPACT

The applicant provided the required non-refundable \$1,000 application fee [WCC section 25.273(1)(a)] upon submission of the application on April 17, 2015. The daily business license fees for booths [WCC section 25.273(b)] total \$2,450 and the applicant must pay these fees prior to July 2, 2015. The total of all applicable business license fees is \$3,450 and the fees are deposited to the County's General Fund Permits & Licenses revenue account (Account Number 105402-421101).

RECOMMENDATION

It is recommended that the Board approve the Outdoor Festival business license with the License Conditions included at Attachment B for the Barracuda Championship 2015 golf

tournament, authorize set-up for the tournament to commence on June 30, 2015, and further authorize the Director of the Planning & Development Division, Community Services Department, to issue the license when all pre-event conditions have been met.

POSSIBLE MOTION

Should the Board agree with staff's recommendation, a possible motion would be "Move to approve an Outdoor Festival business license for the Barracuda Championship 2015 golf tournament substantially in the form attached to the staff report with the License Conditions included as part of the staff report for this item, to authorize set-up for the tournament to commence on June 30, 2015, and to further authorize the Director of the Planning & Development Division, Community Services Department, to issue the license when all pre-event conditions have been met."

The applicant, Reno-Tahoe Open Foundation, has met the pre-event conditions imposed by the Washoe County Board of County Commissioners, to include paying applicable fees, at a public hearing held on June 23, 2015, pursuant to the provisions of Washoe County Code, sections 25.263 to 25.307 inclusive. Those pre-event conditions, plus the during-event and post-event conditions imposed by the Washoe County Board of County Commissioners, are attached to this license.

This Outdoor Festival business license is valid for the hours of 5:30 a.m. until 8:00 p.m. daily from August 3, 2015 through August 9, 2015. Tournament staff is permitted on the event sites between the hours of 6:30 a.m. and 8:00 p.m. each day from June 30, 2015, until August 2, 2015, for tournament preparation and set-up, and between the hours of 5:30 a.m. and 8:00 p.m. each day of the tournament. Tournament staff is additionally permitted on the event sites for take-down and event dismantle between the hours of 6:30 a.m. and 8:00 p.m. each day from August 10, 2015 to August 21, 2015.

The Barracuda Championship 2015 Golf Tournament is licensed to be held at the Montreux Golf and Country Club, Reno. Tournament parking is at the Montreux Golf and Country Club clubhouse and along Lausanne Drive within the Montreux subdivision. Off-site public parking is at Galena High School and off-site volunteer parking is at the UNR Redfield Campus.

All during-event and post-event conditions imposed by the Washoe County Board of County Commissioners must be satisfied and/or completed as part of this Outdoor Festival business license. All implementation and compliance plans as conveyed to the Washoe County Board of County Commissioners on June 23, 2015, are hereby incorporated by reference and shall be posted on site for verification of the Outdoor Festival business license requirements.

THIS LICENSE MUST BE POSTED IN A CONSPICUOUS PLACE UPON THE PREMISES WHERE THE OUTDOOR FESTIVAL IS CONDUCTED.

BARRACUDA CHAMPIONSHIP 2015 GOLF TOURNAMENT

(Approved by the Washoe County Commission on June 23, 2015)

At the public hearing held on June 23, 2015, as required under Washoe County Code (WCC) section 25.277, the Washoe County Board of County Commissioners (Board) established conditions which must be met prior to the issuance of any Outdoor Festival business license pursuant to WCC sections 25.263 to 25.307, inclusive. Such conditions may be imposed by the Board under the County's general police powers, as may be necessary under all the circumstances required for the protection of the health, welfare, safety and property of local residents and persons attending an outdoor festival in the unincorporated areas of Washoe County. Such conditions include, without limitation, the conditions specified in WCC sections 25.291 to 25.307, inclusive. All conditions imposed by the Board are attached.

Compliance with the conditions of this license is the responsibility of the licensee at the licensee's expense. Failure to comply with any pre-event conditions as attached may cause Washoe County to not issue the Outdoor Festival business license. Failure to comply with during-event conditions as attached may cause Washoe County to take appropriate measures to revoke or suspend the Outdoor Festival business license. Failure to comply with post-event conditions as attached may cause Washoe County to impose more stringent conditions on, or potentially jeopardize the approval of, future Outdoor Festival business license applications.

Washoe County reserves the right to review and revise the approved conditions of this license should the County determine that a subsequent license or permit issued by Washoe County violates the intent of this approval.

The applicant shall submit all required plans, permits, documentation and other pertinent records or documents to the identified responsible agency. The applicant shall further provide Washoe County Business License with proof of compliance with all pre-event conditions pursuant to WCC section 25.283(1) by July 6, 2015. Washoe County Business License shall subsequently notify the Director of the Planning & Development Division, Community Services Department, that all imposed pre-event conditions have been met and that all applicable fees have been paid. The Director will issue the Outdoor Festival business license after such notification by Business License staff.

LICENSE CONDITIONS

7. Fire Protection (Truckee Meadows Fire Protection District):
(Staff contact: Amy Ray, 326-6005, aray@tmfpd.us)
- Truckee Meadows Fire Protection District (TMFPD) will inspect the grounds and vendor set-up for proper precautions under Washoe County Code Chapter 60 (WCC 60) and the *International Fire Code (IFC)* and *International Wildland Urban Interface Code (IWUIC)*. The tournament operations team shall work with TMFPD Fire Marshal Amy Ray for coordination of staffing and inspections of the event. A schedule for the event activities, including set-up of equipment, shall be provided to TMFPD prior to arrival of equipment and vendors on site. A map of all equipment and vendors shall be provided: showing the location of news trailers, security station, catering tent, etc.
- Pre-event conditions*
- a. Plans for tents, bleachers and platforms shall be submitted to TMFPD for review and approval before June 25, 2015.
 - 1) Inspections are required for all tents, bleachers and platforms.
 - 2) Fees shall include plan review and inspection for all tents, bleachers and platforms, and all associated permits as required. The fees for these functions are charged at an hourly rate.
 - b. A fire protection plan shall be prepared and submitted to TMFPD for review and approval before June 25, 2015.

- c. Designated smoking areas shall be approved by TMFPD before June 25, 2015 and their locations designated on all course maps.
- d. Tournament organizers shall provide a schedule of events at the tournament location beginning June 30, 2015 through the end of the tournament and clean-up before June 25, 2015.

During-event conditions

- e. "No smoking," designated smoking areas, propane storage, and cooking equipment:
 - 1) "No Smoking" signs will be posted on all of the tournament leader boards throughout the golf course. "No Smoking" signs shall also be posted in all hospitality areas and with tournament branded signage in key locations. All hospitality suites, parking lots, and cooking areas shall be designated "No Smoking" areas and shall be posted as such. These designated areas shall meet the requirements of WCC 60 and the IFC. Employees, guests, spectators or players for smoking in areas not designated as smoking areas under the requirements of Washoe County Code 60 shall be fined for violation under Section 310.
 - 2) Designated smoking areas shall be clearly marked and provided with proper disposal units. Designated smoking areas locations shall be designated on all course maps, as well as communicated to tournament Marshals.
 - 3) All tournament staff and volunteers shall strictly enforce no smoking outside of designated smoking areas, particularly on the golf course and in spectator areas.
 - 4) All areas where propane cylinders are to be stored shall be free of vegetation and cylinders shall be secured and provided with vehicle impact protection.
 - 5) All vendors with cooking equipment shall be inspected for compliance with the IFC.
- f. Fire extinguishers, parking, and access:
 - 1) Fire extinguishers shall be provided at all trailers, vendor locations, hospitality suites, cooking areas, designated smoking areas and other areas as designated by TMFPD.
 - 2) Tournament organizers shall ensure all areas where generators, cars, tents and trailers are to be parked are mowed and free of vegetation.
 - 3) No parking will be allowed on Callahan Road or in front of the fire and emergency gates at any time. Parking shall not be allowed on streets with medians as it decreases the ability for a fire department apparatus to respond to the residents living in the subdivision. Parking shall only be allowed in areas designated and agreed upon by Montreux HOA and the Reno-Tahoe Open Foundation. Parking will not be allowed on both sides of the street where the width will be reduced to one-lane traffic or will decrease the required width to less than 26', as the area is hydranted. There **shall be no** parking in front of fire hydrants and all vehicles parking in front of fire hydrants shall be towed by tournament organizers. All roads/streets shall have a minimum clear width of 20 feet passable at **all** times.
 - 4) Parking restrictions shall be strictly enforced and vehicles that park in areas that block fire department access **shall be towed** by the tournament organizers. It is up to the tournament organizers to notify all persons associated with the tournament of these requirements.
 - 5) Parking is **not** allowed in areas where there is combustible vegetation, i.e., on vacant lots within the subdivision.

g. Costs, staffing, and communication:

- 1) The applicant agrees to be responsible for all costs incurred by TMFPD to provide one Battalion Chief, Fire Marshal and Fire Prevention Specialist plus a minimum of 2 emergency personnel on site per day including administrative, apparatus and equipment costs.
 - i. The times for staffing of emergency personnel shall be Monday, August 3, 2015 through Sunday, August 9, 2015. Hours of staffing of emergency personnel shall be 8:00 a.m. to 6:00 p.m. on these dates.
 - ii. The times for inspections and staffing of the Fire Marshal and/or Fire Prevention Specialist shall be upon commencement of event set-up on June 30, 2015 extending to August 9, 2015, and may include site visits, fire protection review, and approval and inspections upon arrival of the first vendor or RTO trailer on site for the event. Cost for service includes all plan review for permits associated with the event (tents, bleachers, etc.), inspections, site visits to ensure compliance with Washoe County Code 60 and emergency personnel staffing and equipment.
- 2) Tournament staff shall provide TMFPD personnel assigned to the event with one golf cart and two radios for communication with event organizers and staff, and with medical personnel during working hours.

8. Licensing and Inspections (Community Services, Planning & Development):

(Staff contact: Bob Webb, 328-3623, bwebb@washoecounty.us, or Karin Kremers, 328-3733, businesslicense@washoecounty.us)

Pre-event conditions

- a. The applicant shall pay the required daily business license booth fees prior to July 2, 2015. The daily booth fees total \$2,450 for the tournament.
- b. Roundabout Catering shall obtain appropriate Washoe County business and intoxicating liquor licenses.
- c. The applicant shall provide Washoe County Code Enforcement with a vehicle pass to gain access to the tournament sites, to include all parking areas, for inspections to verify compliance with these conditions and issued business/liquor licenses.

During-event condition

- d. The Barracuda Championship 2015 golf tournament is authorized at the following location:
 - 1) Montreux Golf and Country Club (APNs 148-010-25, 148-010-50, 148-010-55, 148-010-56, 148-061-65, 148-100-02, 148-140-11, and 148-222-22).

9. Indemnification and Insurance (Risk Management):

(Staff contact: Doreen Ertell, 328-2660, dertell@washoecounty.us)

Pre-event conditions

- a. The applicant shall provide a summary of the event's insurance carrier and insured amounts by July 2, 2015.

10. Performance Security (Community Services, Planning & Development):
(Staff contact: Bob Webb, 328-3623, bwebb@washoecounty.us)

Pre-event condition

- a. Based on demonstrated tournament clean up (i.e., removal of debris, trash, and/or other waste) of all tournament sites by the applicant during the previous 16 licensed Outdoor Festival events, the applicant is not required to post the performance security as required by Washoe County Code Section 25.305.

Post-event conditions

- a. The applicant will be responsible for total clean up of all tournament sites. Clean up includes, but is not limited to, removal of debris, trash, and/or other waste from all tournament sites. The applicant shall contact Washoe County Code Enforcement at (775) 328-6106 or by e-mail at code-enforcement@washoecounty.us to arrange a final site inspection for all tournament locations after clean up is completed.
- b. All tournament sites will be inspected by and approved as to the adequacy of cleanup by code enforcement staff with the Planning & Development Division.

SUMMARY FROM THE APPLICATION

The Washoe County Outdoor Festival business license application submitted by the Reno-Tahoe Open Foundation is included as Attachment D to this staff report. The application was received and deemed complete on April 22, 2015. In addition to the information required as part of the application, the applicant provided supplemental information on the event in the following categories: Waiver and Consent to Extend Mandated Public Hearing Date; Event Summary, Property Owner Affidavit; Personal History (redacted from staff report due to personal information); Statement of Assets and Statement of Liabilities; Release of Claims and Authorization to Release Information; Insurance, Hold Harmless and Indemnification Requirements; Barracuda Championship 2015 Board of Directors; Vendor List; a map of the tournament (golf course) area; Tournament Communications Plan; Fire Protection; Security; Hours of Operation, Licensing, and Inspections; Water Supply and Facilities; Sanitation Facilities; Tournament Medical Services; ECOLOGY - Cleanup and Rubbish Removal Plan; RECYCLING PLAN – Cardboard, Aluminum, Plastic Bottles; Ticket Sales and Prices; Summary of Insurance Program; Transportation and Parking Plan; Signage; Property Use Agreement for Galena High School; map showing parking at Galena High School; Property Use Agreement for the UNR Redfield Campus; and, map showing parking at the UNR Redfield Campus. The application should be consulted for specific details within any of these categories.

SUMMARY OF AGENCY COMMENTS

Conditions specific to each agency are included as Attachment B to this staff report. This summary contains an overview of the conditions and comments from agencies.

Criminal History Background Inquiry

WCC section 25.281(2), (3), (4), and (5) lists the criteria of suitability for the applicant in an Outdoor Festival business license event, which staff can provide if needed. The applicant requiring criminal history inquiry for this event is John Peter Sande III. The Outdoor Festival Personal History form completed by Mr. Sande is redacted from this staff report as the form contains personal information. The form is available to the Board upon request.

Pursuant to WCC section 25.276(3), the applicant has submitted prior applications for this event, so the criminal history inquiry may be limited to a local police records check at the discretion of the Sheriff. Sheriff's Office staff conducted a local police records check on the applicant in order to determine suitability to hold the business license. The Sheriff's Office returned the local police records check results on May 26, 2015. There is no disqualifying information on the applicant of which the County is aware. Consequently, staff has determined that the applicant is suitable to hold the license under the provisions of WCC section 25.281.

Community Services Department

ENGINEERING AND CAPITAL PROJECTS (Access, Parking and Traffic)

Clara Lawson, Licensed Engineer, reviewed the application and recommends the applicant satisfy the traffic and parking matters and tasks as outlined in the application. Approved tournament locations were specified by location, address and Assessor's Parcel Number as a during-event condition.

BUILDING AND SAFETY (Buildings and Utilities)

Don Jeppson, County Building Official, recommends the applicant apply for and obtain any required permits for any temporary buildings, bleachers, platforms, grandstands, and tent structures provided for the tournament (same condition as recommended for the 2014 Reno-Tahoe Open golf tournament).

PLANNING & DEVELOPMENT (Hours of operation; Licensing and Inspections; Performance Security)

Business License staff recommends one pre-event condition to allow for event preparation and set-up from June 30 through August 2, 2015 (6:30 a.m. to 8:00 p.m. daily), and to place one off-site parking trailer at Galena High School. Staff further recommends one during-event condition to establish hours for the tournament itself (5:30 a.m. to 8:00 p.m. each day). Finally, staff recommends one post-event condition establishing hours for event take-down and event dismantling from August 10 through August 21, 2015 (6:30 a.m. to 8:00 p.m. daily).

Staff further recommends three additional pre-event conditions. The first is to pay the required daily business license booth fees (\$2,450) before July 2, 2015. The second is to require Roundabout Catering to obtain appropriate business and/or liquor licenses prior to the start of the tournament. The third is to provide code compliance/business license staff with a vehicle pass for inspections to verify compliance with imposed conditions and issued business/liquor licenses. Staff included one during-event condition to stipulate the approved tournament location by location and Assessor's Parcel Numbers.

The previous 16 tournament events have provided exceptional clean up of the off-site parking areas and of the on-site tournament areas. Therefore, staff does not recommend the imposition of a performance security to ensure clean up of the parking and tournaments areas. A pre-event condition is proposed to waive the performance security requirement. The applicant has provided a written statement guaranteeing the cleanup and restoration of all tournament sites to pre-event status. Staff recommends two post-event conditions requiring the applicant clean up all on-site and off-site tournament areas and compliance inspection for clean up by code compliance staff.

Staff will verify compliance with all County Commission approved conditions. This includes coordinating with all reviewing agencies to validate all pre-event conditions for completion prior to business license issuance, monitoring all during-event conditions, and verifying all post-event conditions.

Health District (Food Concessions and Attendant Sanitary Facilities, and Medical Services)

Latricia Lord, Registered Environmental Health Specialist, recommends two pre-event conditions related to obtaining an Event Promoters permit and providing a vehicle pass for EHS program staff. Ms. Lord also recommends two during-event conditions related to vendors obtaining Temporary Food permits and concerning food operations during the tournament. Brittany Dayton, Emergency Medical Services Coordinator, recommends 7 pre-event conditions, 8 during-event conditions, and 1 post-event condition which are the same as recommended for the 2014 Reno-Tahoe Open golf tournament.

Risk Management (Indemnification and Insurance)

Doreen Ertell, Risk Management Division, reviewed the application and determined that the application contains the appropriate indemnification/hold harmless provisions and the insurance requirements as set forth in Washoe County Code Section 25.303. Ms. Ertell recommends one pre-event condition for the applicant to provide a summary of the event's insurance carrier and insured amounts.

Sheriff's Office (Police Protection)

Sergeant Phil Jones reviewed the application for police protection (security) and recommends that the applicant comply with the security plan included as part of the Outdoor Festival application.

Truckee Meadows Fire Protection District (Fire Protection)

Amy Ray, Truckee Meadows Fire Protection District Fire Marshal, reviewed the application and recommended four pre-event conditions and 3 during-event conditions. The conditions involve reviewing plans for tents, bleachers and platforms; preparation of a fire protection plan; designating no smoking areas; providing a schedule of events; "No Smoking" designated areas, and associated signage and other requirements; propane storage; cooking equipment; fire extinguishers; parking; access; fees and costs; staffing; and, communications.

OUTDOOR FESTIVAL LICENSE APPLICATION

Memorandum for:

Office of the Washoe County Clerk
Amy Harvey, County Clerk
1001 E. 9th St. Bldg A – 1st Floor
Reno, Nevada

Subject: Waiver and Consent to Extend Mandated Public Hearing Date before the Washoe County Commission for Outdoor Festival License Application

Nevada Revised Statutes (NRS) 244.3544 and Washoe County Code (WCC) section 25.277 require the County Clerk to set a public hearing date before the Washoe County Commission for an outdoor festival license application no later than 30 days after the application is deemed complete and application fees are received. These two regulations also require that specific County agencies review the application and provide written reports to the County Commission, to include recommendations on the license and conditions if appropriate.

The mandated review by County agencies on the license application is of utmost importance to both Washoe County and the applicant, to ensure that the festival is conducted in a manner that protects public health, safety and welfare. To this end, the undersigned license applicant agrees to waive the 30 day public hearing time limit imposed by NRS 244.3544 and WCC section 25.277.

As the undersigned license applicant, I agree to extend the required County Commission public hearing date to occur no more than 90 days after the application is deemed complete and application fees are received, and no less than 15 days prior to the date when the outdoor festival is proposed to commence.

Barracuda Championship

Representing

The Barracuda Championship is an official PGA TOUR-sanctioned golf event held at Montreux Golf & Country Club, August 3rd - 9th, 2015. The 17th annual event features professional PGA TOUR golfers competing in a 72-hole Modified Stableford formatted event, the only of its kind on the PGA TOUR, over the 7,472 yard Jack Nicklaus championship course. The purse for the tournament is \$3 million. The Barracuda Championship displays the beauty of this area and will be live broadcasted nationally and internationally on The Golf Channel for 18 hours to 224 countries and reaching over 88 million households.

One of just 45 cities to host such an event, the PGA TOUR selected the Reno-Tahoe region to host a tournament for several reasons. First, the local founders made a financial commitment and established the organizational structure to build community support, which has continued over the past 17 years. This community support has only increased over the years, as displayed by the Renegades group of community leaders paying out of their own pockets in support of this incredible community asset. Second, the Reno-Tahoe area is convenient for transportation, accommodations, and entertainment which PGA TOUR players and visitors enjoy. Lastly, the golf venue; Montreux Golf & Country Club, is the regions only Jack Nicklaus Signature Course that Nicklaus himself calls among his top five designs. For all these reasons, the Barracuda Championship has become a favorite stop on the PGA TOUR among the players.

The tournament is once again expected to attract thousands of golf fans to the Reno-Tahoe area, boasting a 5% increase in attendance in 2015 over 2014, with 2015 activities promising to create an even more successful event. Visitors to the area will stay in local hotels, dine in local restaurants, purchase goods and services from local businesses, and enjoy the local entertainment, gaming and nightlife. This translates into millions of dollars for the Reno-Tahoe economy and will create a positive ripple effect from return visits for many business entities.

Local charities have benefitted greatly from the Reno-Tahoe Open Foundation, donating \$3 million since the tournament's inception.

**OUTDOOR FESTIVAL
INSURANCE, HOLD HARMLESS AND INDEMNIFICATION REQUIREMENTS**

Pursuant to Washoe County Code §25.303, any applicant for a Washoe County outdoor festival business license must ensure the following requirements are met to the satisfaction of the Washoe County Risk Management Division before the outdoor festival business license may be issued.

INDEMNIFICATION & HOLD HARMLESS

As respects acts, errors or omissions relating to the event, APPLICANT agrees to indemnify and hold harmless COUNTY, its officers, agents, employees, and volunteers from and against any and all claims, demands, defense costs, liability or consequential damages of any kind or nature arising directly or indirectly out of the event or any activity leading up to, during, or following the event, excepting those which arise out of the sole negligence of the COUNTY.

APPLICANT further agrees to defend COUNTY and assume all costs, expenses and liabilities of any nature to which COUNTY may be subjected as a result of any claim, demand, action or cause of action arising out of the negligent acts, errors or omissions of APPLICANT or its agents concerning the event.

INSURANCE REQUIREMENTS

COUNTY requires that APPLICANT purchase General Liability Insurance as described below against claims for injuries to persons or damages to property which may arise from or in connection with the event by APPLICANT, its agents, representatives, or employees. The cost of all such insurance shall be borne by APPLICANT.

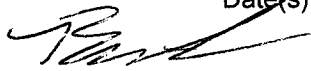

APPLICANT shall maintain coverage and limits no less than \$1,000,000 combined single limit per occurrence for bodily injury, personal injury and property damage. If Commercial General Liability Insurance or other form with a general aggregate limit is used, the general aggregate limit shall be increased to equal twice the required occurrence limit, to apply separately to this event.

Any deductibles or self-insured retentions must be declared to and approved by the COUNTY Risk Management Division prior to the event. COUNTY reserves the right to request additional documentation, financial or otherwise prior to giving its approval of the deductibles and self-insured retention and prior to issuing the license. The COUNTY Risk Manager prior to the change taking effect must approve any changes to the deductibles or self-insured retentions.

APPLICANT shall provide COUNTY with a certificate of insurance that identifies COUNTY, its officers, agents, employees and volunteers as additional insured's.

NOTE: A certificate of insurance complying with the provisions stated above is not required with the outdoor festival business license application, but must be furnished prior to the issuance of the license.

I hereby agree to the all of the provisions stated above:

Inclement Weather Policy For Spectators

Spectators will be alerted to weather that officials for the tournament identify as potentially dangerous. Weather warnings will be broadcast on the electronic leader boards that are located throughout the golf course. Spectators should take appropriate precautions upon observing any weather warnings.

A prolonged blast on an air horn, repeated once, will indicate that tournament play has been suspended, and all attendees should seek safe shelter immediately. Two short blasts of an air horn, repeated once, will indicate play has resumed.

Avoid the following:
 Hilltops/high places; Golf carts;
 Isolated trees; Wire fences

Tournament Communications Plan

Creative Communications, a nationwide leader in communications logistics, will again be coordinating communications for the 2015 Barracuda Championship. With experience managing events, disaster areas and large-scale communication needs, Creative Communications will manage all aspects of the tournament needs.

A repeater system will be established to enhance communications throughout the site and also to the remote parking areas.

A 16-channel system will be utilized to reduce traffic on any 1 particular channel. Various committees (e.g. operations, first aid, scoring, transportation, etc.) will be assigned different channels for communication. All radios will be labeled with the various committees and their channel assignment so that all committees may contact each other freely.

Legal frequency access will be made available to the tournament with the approval of the FCC. Creative Communications will also confer with local area law enforcement so as not to interfere with their existing communication frequencies.

Fire Protection Plan

- Truckee Meadows Fire Protection District (TMFPD) will inspect the grounds and vendor set-up for proper precautions under Washoe County Code Chapter 60 (WCC 60) and the International Fire Code (IFC) and International Wildland Urban Interface Code (IWUIC). The tournament operations team shall work with TMFPD Fire Marshal Amy Ray for coordination of staffing and inspections of the event.
- “No smoking,” designated smoking areas, propane storage, and cooking equipment:
 - 1) “No Smoking” signs will be posted on all of the tournament leader boards throughout the golf course. “No Smoking” signs shall also be posted in all hospitality areas and with tournament branded signage in key locations. All hospitality suites, parking lots, and cooking areas shall be designated “No Smoking” areas and shall be posted as such. These designated areas shall meet the requirements of WCC 60 and the IFC.
 - 2) Designated smoking areas shall be clearly marked and provided with proper disposal units. Designated smoking areas locations shall be designated on all course maps, as well as communicated to tournament Marshals.
 - 3) All tournament staff and volunteers shall strictly enforce no smoking outside of designated smoking areas, particularly on the golf course and in spectator areas.
 - 4) All areas where propane cylinders are to be stored shall be free of vegetation and cylinders shall be secured and provided with vehicle impact protection.
 - 5) All vendors with cooking equipment shall be inspected for compliance with the IFC.
- 1) Fire extinguishers, parking, and access:
 - 1) Fire extinguishers shall be provided at all trailers, vendor locations, hospitality suites, cooking areas, designated smoking areas and other areas as designated by TMFPD.
 - 2) Tournament organizers shall ensure all areas where generators, cars, tents and trailers are to be parked are mowed and free of vegetation.
 - 3) No parking will be allowed on Callahan Road or in front of the fire and emergency gates at any time. Parking shall not be allowed on streets with medians as it decreases the ability for a fire department apparatus to

respond to the residents living in the subdivision. Parking shall only be allowed in areas designated and agreed upon by Montreux HOA and the Barracuda Championship. Parking will not be allowed on both sides of the street where the width will be reduced to one-lane traffic or will decrease the required width to less than 26', as the area is hydrated. There shall be no parking in front of fire hydrants and all vehicles parking in front of fire hydrants shall be towed by tournament organizers. All roads/streets shall have a minimum clear width of 20 feet passable at all times.

- 4) Parking restrictions shall be strictly enforced and vehicles that park in areas that block fire department access shall be towed by the tournament organizers. It is up to the tournament organizers to notify all persons associated with the tournament of these requirements.
- 5) Parking is not allowed in areas where there is combustible vegetation, i.e., on vacant lots within the subdivision.

2) Staffing and Communication:

- A. The times for staffing of emergency personnel shall be Monday, August 3rd, 2015 through Sunday, August 9th, 2015. Hours of staffing of emergency personnel shall be 10:00 a.m. to 6:00 p.m. on these dates.
- B. The times for inspections and staffing of the Fire Marshal and/or Fire Prevention Specialist shall be upon commencement of event set-up on June 30, 2015 extending to August 9, 2015, and may include site visits, fire protection review, and approval and inspections upon arrival of the first vendor or Barracuda Championship trailer on site for the event. Cost for service includes all plan review for permits associated with the event (tents, bleachers, etc.), inspections, site visits to ensure compliance with Washoe County Code 60 and emergency personnel staffing.
- C. Tournament staff shall provide TMFPD personnel assigned to the event with one golf cart and two radios for communication with event organizers and staff, and with medical personnel during working hours.

Security

The PGA TOUR requires the presence of organized security at all PGA TOUR sponsored events. All security personnel (volunteer or hired) will work in conjunction with Washoe County Sheriff's Office. A volunteer security committee organized and headed by Scott Freeman since 1999, will be in place to check credentials and assist in other areas to augment the hired security staff. In addition, a PGA TOUR Security Specialist will meet with our Tournament Security Coordinator several times prior to the tournament and make sure we have met all the requirements.

The tournament will provide a volunteer security committee of off-duty police that will serve to protect the members of the PGA TOUR and assist in gallery control throughout the tournament site. Each member of the security team will have communication capabilities with the Tournament Security Coordinator and the tournament headquarters. Volunteer security and hired Sheriff's Officers will be positioned at the following locations where access is limited:

- Main gate area(s) where cash transactions will be taking place
- PGA TOUR player's locker room
- Finance office
- PGA TOUR scoring trailer located between the 9th & 18th Hole.
- Player / family dining area
- Driving Range
- Clubhouse entry
- PGA TOUR Childcare
- Media Center
- Player Parking area

The Barracuda Championship will be responsible for all costs incurred by the WCSO to provide police protection for the event and the community. Vehicle and pedestrian access controls will be established to the satisfaction of the WCSO. Hours of operation will be enforced by on-site security personnel and the WCSO. Centrally located sites for a command post and staging area for the WCSO will be provided, including power and telephone service.

Hours of Operation, Licensing and Inspections

Event staff shall be allowed on the approved locations for the tournament for preparation and set-up between the hours of 6:30am until 8:00pm each day from June 30, 2015 through August 2nd, 2015. Tournament staff is allowed on-site from 5:30am until 8:00pm each day of the tournament week (August 3rd – 9th, 2015.) Event staff shall be allowed on-site for takedown and dismantle between the hours of 6:30am and 8:00pm each day from August 10th – 21st, 2015.

Roundabout Catering will obtain the appropriate Washoe County business and intoxicating liquor licenses required. The Barracuda Championship will supply Washoe County Code Enforcement with a vehicle pass to gain access to all areas of the tournament site for inspections to verify compliance with these conditions and issued business/liquor licenses.

Water Supply and Facilities

The tournament's use of existing water supplies at Montreux Golf & Country Club will be extremely minimal. On-site potable water is certified and approved by the county. Water distribution will be in accordance with health regulations. Bottled water is available for sale at all concession stands, and first aid tents in medical cases. Water needs for the catering and concessions vendor will be handled with food grade 5-gallon water jugs. All water lines and hoses used by the concessionaire will be food grade and equipped with a back-flow prevention device. All normal golf course activities will continue (watering, etc.) on the existing water supply.

Sanitation Facilities

The Barracuda Championship has contracted with United Site Services (USS) to provide all on-site portable restroom facilities as well as facilities at each of the parking areas. Their business is located in Washoe County and is in compliance with Washoe County health regulations.

Currently, the contract contains the following:

- USS will provide the tournament with approximately 85 portable restroom units
- USS will provide the tournament with 13 handicap accessible units
- USS will provide the tournament with 20 hand washing stations
- USS will have an individual on site July 28th – August 3rd, 2014 to maintain and service all provided units.
- USS will completely service all units each evening of the tournament

Placement of units on site will be determined at a future date. Placements are dependent on a number of issues from concession location to accessibility of vehicles to service the units. Units will be placed a minimum of 50 feet from food-service operations. Handicap accessible units and hand wash stations will be supplied near each first aid station on the front and back nine holes.

Additional units will be available if needed.

Tournament Medical Services

REMSA (Alan Tom) has agreed to provide the tournament with an on-site facility and staffing to address medical concerns that arise. REMSA will have an ambulance on site at all times for transport needs. An EMT and driver will be with the ambulance at all times. Representatives from REMSA have toured the site and have determined the best locations for their services. Ingress/Egress plans for the ambulance have been devised. There will be one centrally located first aid station on the front nine holes and one on the back nine holes. These locations will be marked with visible signage and highlighted on all course maps distributed to the public. An EMT will staff each first aid station. Each first aid station will be supplied with an automatic external defibrillator. Biological waste containers (red bags with appropriate containers) will be provided at the two first aid stations.

An electric utility vehicle will be available as a people mover for the medical response personnel to access areas not available to motor vehicles. Additionally, a UTV team of medics and a physician will be roving between the stations. All medical response personnel will be equipped with two-way radios to communicate with tournament staff and security at all times. A designated channel will be dedicated to first aid communication all week.

A space large enough to accommodate "Care-Flight" evacuations will be designated on course, at the driving range, and communicated with the proper authorities. On course medical, fire and security will be aware of the Care-Flight area and all activities associated with an air evacuation.

United Site Services will provide hand-washing stations near each bank of toilets and near the first-aid stations. Hand washing stations for medical aid station personnel will be separate from general public facilities. Handicap accessible portable restrooms will be available at various locations on course.

The Barracuda Championship will provide a vehicle pass for on-site parking for the EMS Program staff to carry out any on-site inspections during the event. Summary data of medical contacts will be provided to Washoe County upon the conclusion of the Barracuda Championship (No later than August 14, 2015).

The on site First Aid Coordinator: Alan Tom is a certified EMT and the special events manager for REMSA. His contact information is 450 Edison Way Reno, NV 89502-4117 atom@remsa-cf.com 775-858-5700 Ext. 153 (office), 775-287-2837 (Mobile). Copies of notification letters will be submitted from: Saint Mary's Regional Medical Center, Renown Regional Medical Center, Renown Medical Center South Meadows, and Northern Nevada Medical Center.

ECOLOGY- Cleanup and Rubbish Removal Plan

The Boys & Girls Club of Truckee Meadows will again be in charge of on course Ecology. They will place garbage receptacles throughout the course and hospitality areas. The maintenance of these include, but are not limited to, emptying the receptacles, replacing bags and transporting the refuse to a predetermined location with 30 and 40 yard covered dumpsters available. In the event that one of these dumpsters would need emptying during the tournament, our vendor Waste Management would be contacted to haul the dumpster away and replace it.

The Boys & Girls Club will be supplied with all necessary equipment to execute the ecology needs for the tournament: golf carts to haul the refuse, liners for the trash boxes and radios for those on the committee that need to be in communication with the tournament staff. Depending on the day of the tournament, the charity could have 10 – 15 individuals on site working on ecology.

The Barracuda Championship accepts responsibility for total clean up of the sites used during the tournament. At each of the parking areas there will be garbage receptacles placed for trash and the parking and transportation volunteers at the lots will monitor these receptacles. Post event the Boys and Girls Club will also help with refuse during construction breakdown. We have also retained a vendor The Proper Image to help with construction cleanup and evening janitorial services for all hospitality areas.

RECYCLING PLAN- Cardboard, Aluminum, Plastic Bottles

The Barracuda Championship will be working with Waste Management to organize a recycling plan. Waste Management will assist the Barracuda Championship by providing separate recycling bins for the various recyclables including: cardboard, wood, plastics, etc. We will have 56-gallon plastic bags and recycling bins located throughout the event with instructional signs.

The Boys & Girls Club will be working with tournament staff and Waste Management officials to monitor the recycling bins and remove contaminants from the bags. The bins will be placed alongside trashcans but visibly marked "recycling". They will be placed in high traffic locations on the 9th green, the 18th green, Driving Range, the Front Entrance, Public Parking lots, the Volunteer Headquarters, and at all concession stands.

CHAMPIONSHIP

Ticket Sales and Prices

Tickets for the 2015 Barracuda Championship will be available for purchase beginning April 1st, 2015 via our website www.barracudachampionship.com. Sales will continue through August 9th, 2015 with tickets available for sale online and at the entrance gate to the tournament. Also, tickets can be purchased through the Tournament Office in advance by calling 775-322-3900.

Ticket prices are as follows:

Clubhouse Season Ticket - Allows entry to the Clubhouse and opportunity to order off of the Clubhouse menu (menu prices still apply) - \$85.00

Season Grounds Badge - Allows entrance to the Tournament Grounds every day of the week - \$60 advance purchase and \$65.00 at the gate.

Wine Walk ticket - This ticket can be added to any ticket combination and allows tasting at four different wine stations throughout the course - \$20.00

Good Any Day - Allows entrance to the Tournament Grounds any one day of the week - \$20.00

Tickets will be available at the gate August 3rd-9th, 2015.

Individuals who order tickets before the tournament will receive their order in the mail. These tickets will be enclosed in a ticket "jacket" that will contain all of the pertinent information they will need to attend the event (e.g., parking locations, gate times, etc.) If they order tickets online, all parking and additional patron information is available on our website.

Transportation & Parking Plan

Public Parking Lot

Galena High School (parcel # 144-010-01) will again be used for our public parking and has the capacity to hold 600 vehicles (Galena Lot). A letter of agreement will be supplied.

Access to the "Galena Lot" will be off Mt. Rose Highway and Wedge Parkway. Signage will indicate to patrons that public parking is at Galena High School. Daily peak ingress into the lot will be from 9am -11am. The approximate and average occupancy rate for each vehicle entering the lot is 2 persons per car. The annual average daily traffic counts at portable station 0019, or approximately the intersection of Wedge Parkway and SR 431, were obtained from the NDOT website at 17,000 cars. This intersection is signaled with two left-hand turn lanes. The capacity traveling east on Mt. Rose Highway is virtually unlimited due to the right turn vehicles will be making onto the road. Therefore, impacts on existing traffic are minimal. Vehicles will follow Wedge parkway towards Butch Cassidy Way and Turn into Galena High School's parking lot. Flaggers and signage will be throughout the lot and at the entrance/exit to the lot directing incoming and outgoing traffic. Egress from the "Galena Lot" will be from Galena High School onto Wedge Parkway and onto SR 431.

Mitigation measures in place during the tournament are hotel shuttles, traffic control signs and use of traffic cones. Signage for "Golf Tournament Parking" will begin on US 395 south. These signs will alert motorists that 1) the parking for the event is approaching, and 2) there will be a change in traffic patterns upon entering Mt. Rose Highway. These signs have been produced with the cooperation of NDOT to ensure proper wording and appearance. They are green in color with reflective white wording. Similar signs will be placed on southbound and northbound Mt. Rose Highway to alert motorists of the parking lot location. When spectators purchase tickets, a ticket jacket containing all the information regarding parking locations, directions and maps will help them access the parking safely. Parking information will also be printed in the Reno-Gazette Journal during tournament week, and can be found on our website, www.RenoTahoeOpen.com.

Volunteer Parking Lot

The second off-site lot is designated for tournament volunteers and will be located at The Redfield Campus (parcel # 144-070-17). This location will have an approximate capacity of 400 vehicles. Letter of agreement will be supplied. We will be encouraging volunteers to carpool with fellow volunteers as part of our "Green" effort and will hopefully reduce the number of vehicles. We have a newly formed Parking Committee

that will monitor this lot and make necessary adjustments with signage and shuttle vendor.

Access to the "The Redfield Campus Lot" will be off Mt. Rose Highway and Wedge Parkway. Signage will indicate that this is where volunteers are to park.

There is a signaled left hand turn lane for volunteers heading west on Mt. Rose Highway to get onto Wedge Parkway. From there volunteers will make a left hand turn into "The Redfield Campus Lot". Volunteers exiting the "The Redfield Campus Lot" will be able to make a right hand turn to head north on Wedge Parkway and then have the ability to make a right hand turn to head east on Mt. Rose Highway or make a left to head west on Mt. Rose Highway. The peak for daily ingress will be 7am – 10am and 150 vehicles, approximately. Egress will be continuous from 3pm to approximately 6pm as volunteer shifts vary greatly.

Transportation from Public and Volunteer Parking

Buses will enter "Galena Lot" by heading south on Mt. Rose Highway turning right onto Edmonton Dr. then left onto Butch Cassidy where the buses will pick up patrons. Buses will exit "Galena Lot" by heading down Wedge Pkwy then turning north onto Mt. Rose Highway.

Buses will enter the volunteer "The Redfield Campus Lot" by heading south on Mt. Rose Highway and then turning right onto Wedge Parkway, accessing the volunteer "The Redfield Campus Lot" via open left turn lane; buses will exit by turning right onto Wedge Parkway and then left onto Mt. Rose Highway, continuing to Bordeaux Dr. at Montrêux. General services such as restrooms and automotive assistance will be available at "The Redfield Campus Lot" parking area.

Preferred Parking at Montreux Golf & Country Club

There will be two designated lots at Montreux. Both of these lots will be Reserved for players, caddies, members, sponsors, reserved tournament parking and vendors. Lot A is the clubhouse parking lot. Lot B will be on Lausanne Rd., a 2-mile loop road off Bordeaux Drive inside the Montreux development. Vehicles with a Reserved parking pass for Lot B will proceed down Bordeaux Drive and park on the right side of Lausanne Drive.

Other vehicles cleared to enter Montreux at Bordeaux Drive are tournament staff, PGA TOUR players, PGA TOUR staff, some vendors, volunteer chairs, and some miscellaneous deliveries at non-tournament times. They will be directed to their designated parking area.

Course Exterior Signage Plan:

North & South US 395:

- One (1) message board will be placed on the right shoulder of South US 395 prior to Mt. Rose Highway (SR-431) exit reading, PGA TOUR GOLF TOURNAMENT PUBLIC & VOLUNTEER PARKING with a right facing arrow.
- One (1) message board will be placed on the right shoulder of North US 395 prior to Mt. Rose Highway (SR-431) exit reading, PGA TOUR GOLF TOURNAMENT PUBLIC & VOLUNTEER PARKING with right facing arrow.

Westbound SR 431:

- One (1) message board will be placed on the right shoulder of Mt. Rose Highway prior to the left hand turn onto Wedge Parkway. The first message reading PGA TOUR GOLF TOURNAMENT PUBLIC & VOLUNTEER PARKING LEFT AT SIGNAL and the second message reading PGA TOUR GOLF TOURNAMENT PREFERRED PARKING AHEAD with a straight facing arrow.
- Three (3) directional signs will be placed on the right shoulder after Wedge Parkway. The first two reading, PGA TOUR GOLF TOURNAMENT PREFERRED PARKING AHEAD with a straight facing arrow. The third will be placed before Bordeaux Drive reading, PGA TOUR GOLF TOURNAMENT PREFERRED PARKING ONLY with a left facing arrow.
- Tournament branded directional signs can begin on Wedge Parkway after turn off from State route 431.

Eastbound SR 431:

- Directional sign directing spectators to Preferred Parking lot will be placed before Bordeaux Drive which has a right facing arrow reads, PGA TOUR GOLF TOURNAMENT PREFERRED PARKING ONLY.
- Directional sign is placed prior to right hand turn onto Wedge Parkway, which reads, PGA TOUR GOLF TOURNAMENT PUBLIC & VOLUNTEER PARKING RIGHT AT SIGNAL.
- Tournament branded directional signs can begin on Wedge Parkway after turn off from State route 431.

Current NDOT Approved Road Sign Inventory:

Quantity (2)

"PGA TOUR Golf Tournament Public & Volunteer Parking Right at Signal"

"PGA TOUR Golf Tournament Preferred Parking Ahead" (forward arrow)

Quantity (1)

"PGA TOUR Golf Tournament Public & Volunteer Parking Left at Signal"

"PGA TOUR Golf Tournament Preferred Parking Only" (right arrow)

"PGA TOUR Golf Tournament Preferred Parking Only" (left arrow)

The Nevada Department of Highway Patrol and the Washoe County Sheriff's office have accepted this plan in the past and should accept all portions of this plan moving forward. They will be presented with this plan again through the county permit process and the NDOT will also be involved in the approval process.

Good afternoon, Bryce.

Ok. Hopefully, you received my voice message from earlier this morning. I've been discussing this with the principal because we will have 1,400+ students showing up for the first day of school on the 10th next year. In the spirit of community and friendship OF COURSE we want to be able to help and you can certainly use our parking lot again as you have in the past. However, we must insist that all your equipment be removed before 7:00am on the 10th. The way our lot is laid out, traffic flow would receive a huge disruption if your tents and building were still in the lot on that first day of school. I'm sure you can see that we'd have a big problem on our hands!

So, if you can unequivocally can say that your equipment can be removed before the next morning, the parking lot is all yours for every day you need it.

Thanks for understanding.

Scott

Scott-

Hope things are well with you.

I wanted to follow up to see if we will be able to utilize your parking lot for our golf tournament parking.

Our event will be August 3-9, 2015.

Thanks.
