Hello John,

This letter is intended to share with you our appreciation and recognition of your talented and dedicated staff that support foster families and children throughout Washoe County.

Kristy Baker, Supervisor of the Foster Care Support Unit and Victoria Bowers, Foster Care Liaison, are two amazing people. I'm sure you are aware that the Reno Rodeo Foundation provides new clothing for foster kids throughout 13 counties in Northern Nevada. We also maintain the supply of new clothing at the emergency shelter at the Washoe County Kids Kottage for children 24 hours a day/365 days a year.

I've had the distinct pleasure of working with both of these ladies during our Denim Foster Kids Distribution events on January 17th and our Back-to-School day on August 1st. You need to know that Kristy and Victoria go over and above the call of duty to assist foster children by working weekends and making accommodations for the families that weren't able to attend the distribution events due to unforeseen circumstances.

Please share this letter with the Washoe County Commissioners who should also understand the dedication of your staff who work tirelessly to serve neglected and abused children. Their efforts help caring foster families with the ability to give foster children a positive impact in their lives and a wonderful opportunity to have a successful future.

On behalf of the Reno Rodeo Foundation Trustees, please accept our deepest appreciation for your great staff and thank you for a wonderful partnership.

With Gratitude,
Clara Andriola
