## STAFF REPORT

BOARD MEETING DATE: October 27, 2015

**DATE:** October 6, 2015  
**TO:** Board of County Commissioners  
**FROM:** Mary Solorzano, Comptroller (Acting)  
328-2659, msolorzano@washoecounty.us  
**THROUGH:** Joey Orduna Hastings, Assistant County Manager  
**SUBJECT:** Authorize the tax collector to strike names and amounts identified on delinquency / uncollectible personal property tax list for fiscal years 2007-2015, totaling \$89,753.78. (All Commission Districts)

### SUMMARY

Per NRS 361.725, the Treasurer's office is requesting approval to delete amounts of uncollectable personal property taxes for the specified fiscal years. Also required by NRS 361.725 is the review and written confirmation of the Treasurer's efforts to collect by the District Attorney's office, and subsequent request by the Comptroller to the Board of County Commissioners for approval to strike such taxes as cannot be collected.

**Washoe County Strategic Objective supported by this item:** Achieving Long Term Financial Sustainability

### PREVIOUS ACTION

As required by NRS 361.725, the Treasurer's and District Attorney's offices submit this delinquency list to the Comptroller twice each year. The Comptroller's Office then submits these lists to the Board of County Commissioners, who give authorization for the uncollectable taxes to be stricken. In response to a previous request by the Board, a list of criteria for determining uncollectable accounts was established (copy attached), and each account on the uncollectable list is identified with one or more of those criteria codes.

### BACKGROUND

The Treasurer's office maintains a 98 to 99% collection rate on personal property taxes in the original year of billing. The remaining 1 to 2% of the accounts are pursued by

AGENDA ITEM # 5B

Treasurer's office collections staff, using various methods as allowed by statute. Those collections efforts include, but are not limited to: determining if the tax payer also owns real property within Washoe County or other counties in Nevada, wherein the lien for personal property taxes may be pursued; use of Washoe County, City of Reno and City of Sparks business license and other records to locate property owners; use of Secretary of State and other available internet sites to locate property owners; site visits to determine if business/personal property remains; court action; possible seizure and sale of property to satisfy taxes.

Because of the transitory nature of personal property, there are times when even the best efforts of the Treasurer's office collections staff are unable to locate either the taxpayer or the personal property, or it is determined that the property has been destroyed/demolished. The ability to collect personal property taxes can also be adversely affected by bankruptcy proceedings.

Placement on this uncollectable list indicates that all reasonable attempts to locate and collect on these taxes have been made. Only accounts meeting the specified criteria are included.

### **FISCAL IMPACT**

Total amount of tax reduction for the combined fiscal years identified herein is \$89,753.78.

### **RECOMMENDATION**

It is recommended that the Board of County Commissioners authorize the Tax Collector to strike names and amounts identified on the delinquency/uncollectible Personal Property Tax List for fiscal years 2006-07 through 2014-15, totaling \$89,753.78.

### **POSSIBLE MOTION**

Should the Board agree with staff's recommendation, a possible motion would be to "Move to authorize the Tax Collector to strike names and amounts identified on the delinquency/uncollectible Personal Property Tax List for fiscal years 2006-07 through 2014-15, totaling \$89,753.78."

#### **Attachments:**

CHRISTOPHER J. HICKS  
DISTRICT ATTORNEY

August 25, 2015

To: Mary Solorzano, Acting Comptroller  
Linda Jacobs, Deputy Treasurer

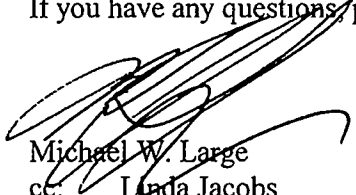

From: Michael W. Large  
Deputy District Attorney

Subject: Uncollectible Personal Property Tax - to BCC

Pursuant to NRS 361.725(2), this Office has received and reviewed the attached uncollectibles' list from the Washoe County Treasurer. The accounts appearing on this attached list are uncollectible due to the reasons coded on the list and explained in the attached "code description" narrative.

Following long established practices, the Treasurer has exhausted more than reasonable efforts to locate either the property in question or the owner responsible for the taxes. Neither can be located and any potential court judgment for the taxes due would not be collectible based on current information.

If you have any questions, please do not hesitate to contact me.

**WASHOE COUNTY TREASURER'S OFFICE  
CRITERIA TO DETERMINE UNCOLLECTIBLE DELINQUENT PROPERTY TAXES**

**Accounts that appear on the delete list meet one or more of the following criteria:**

**(1) *Bankruptcy***

Accounts that meet this criterion have filed for protection under federal bankruptcy code, have no assets for distribution, and if they are commercial accounts, the businesses are no longer operating. In most cases, we have already received a partial payment authorized by the court. If additional money is received in the future, it will be manually apportioned at that time.

**(2) *Closed Business with Estimated Value***

Businesses that meet this criterion are no longer operating and did not submit a declaration of value to the Washoe County Assessor's office. If we have documentation that the business was closed prior to the July 1<sup>st</sup> lien date, the taxes are not legitimate. Without specific documentation, we attempt to collect. If we cannot locate the business or individual owners, the account is placed on the delete list. We do not turn it over to the Collections Division because we do not have documentation to verify that the taxes are legitimate

**(3) *Closed Corporations***

Businesses that meet this criterion are no longer operating, and the corporation is not in good standing. Because the corporation was billed, the individuals are not responsible for the delinquent bills. Before the account is placed on the delete list, we have attempted to contact the resident agent of the former corporation.

**(4) *Assessor's Office Request***

Accounts that meet this criterion are not liable for personal property taxes. The personal property was either billed on another account, or the property was not located in Washoe County as of the lien date of July 1<sup>st</sup>. In the later instance, the County was not notified of this until after the bill was issued.

**(5) *Unable to locate Individual***

Research process does not turn up any information on individual. Not listed in phone book, or other sources. Does not receive mail at known addresses.

**(6) *Unable to locate Personal Property***

Personal property is traced, through individuals, or situs. Property is not at original known location and we are unable to determine a new location or owner.

**(7) *Personal Property Destroyed***

Personal property (generally a Mobile Home) has been destroyed, usually by fire or demolition. The condition of the unit is verified through the Assessor's Office, and the write-off is based upon their recommendation.

**(8) Real Property currently in Exempt status**

Real property that has been exempted or had the 3 most recent years' assessed values reduced to \$0 by Roll Change Requests. The Treasurer's Office, Public Works, Assessor's Office, and District Attorney's Office are working together to clean up uncollectible tax amounts on prior year tax rolls. Examples include – Roads that have now been accepted by the County or Cities, but had prior taxes owing at the time of acceptance; "improvement only" parcels that were created for lease purposes, but it has been found that the improvements were also being centrally assessed to the landowner

**(9) Real Property with assets purchased from a Bankruptcy and now in Exempt status**

Real Property, in which the successor purchased assets from a bankruptcy, and is now in exempt status.

**(10) Real Property withheld from auction due to common area status. NRS 361.725**

Developer out of business and property withheld from auction as common areas should not be sold. Due to the passage of time a civil action for the back taxes is barred by the statute of limitations (NRS 11.190(3)(a) An action upon a liability created by statute, other than a penalty or forfeiture).

**(11) Real Property withheld from auction due to unbuildable or sliver status: roads, restrictions, terrain NRS 361.725**

Real property that is unbuildable due to its size or terrain. Due to the passage of time a civil action for the back taxes is barred by the statute of limitations (NRS 11.190(3)(a) An action upon a liability created by statute, other than a penalty or forfeiture).
