**BACKGROUND**

**GENERAL TOURNAMENT BACKGROUND**

The Barracuda Championship 2017 golf tournament is an official PGA Tour-sanctioned event to be held at Montreux Golf and Country Club from July 31 (Monday) through August 6 (Sunday), 2017. The Barracuda Championship 2017 golf tournament will involve professional PGA Tour golfers competing in a 72-hole Modified Stableford formatted event on Montreux's 7,472 yard Jack Nicklaus championship course. The total tournament purse is \$3.3 million. This event is the nineteenth year for the tournament and will be televised nationally and internationally on The Golf Channel for 18 hours to 224 countries, reaching over 88 million households. The applicant is the Reno-Tahoe

Open Foundation, a 501(c)3 non-profit corporation, with board members from the local area. The Reno-Tahoe Open Foundation is handling event management.

The event organizers are forecasting approximately 132 PGA Tour players, and 45,000 to 50,000 customers and spectators throughout the seven days of the tournament. The approximate maximum attendance on any one day of the tournament is 10,000 people. Tournament staff will be on-site each day during the tournament from 5:00 a.m. to 9:00 p.m. The main hours for public attendance are estimated to be 8:00 - 11:00 a.m. (arrival time) and 3:00 - 6:00 p.m. (departure time). The tournament competition should be over by 6:00 p.m., Sunday, August 6, 2017.

Event set-up is proposed to begin on June 26, 2017, with event staff on-site from 6:00 a.m. until 8:00 p.m. each day until the tournament begins. Event takedown and dismantle is proposed to start on August 7, 2017 and end on August 18, 2017. Event staff will be on-site for takedown/dismantle each day from 6:30 a.m. until 8:00 p.m.

There will be two office trailers temporarily located on-site for tournament management and one trailer located off-site at the public parking area at Galena High School (all trailers will be provided by Quick Space and ModSpace). The two on-site trailers will provide offices for Tournament Operations and PGA staff. There will be 17 tents temporary erected on the golf course, and the tents range in size from 20 feet by 20 feet to 40 feet by 60 feet. Tournament staff will also place two skyboxes, one set of bleachers, and 15 raised platforms around the golf course. The locations for the temporary trailers, tents, skyboxes, bleachers and raised platforms are illustrated on maps accompanying the application (Attachment D). The applicant will be required to obtain any required permits from the Building and Safety Division.

Public parking is proposed at the Galena High School parking lot, which has the capacity to hold 600 vehicles. Overflow public parking is proposed for the parking lot at the South Reno United Methodist Church, which has the capacity to hold 200 vehicles. Volunteer parking is proposed at the UNR Redfield Campus on a portion of the parking lot with a capacity to hold 400 vehicles. Preferred tournament parking for players, caddies, members, sponsors, reserved tournament parking, and vendors is proposed at two areas within the Montreux Golf and Country Club. The first area (Lot A) is at the clubhouse parking lot. The second area (Lot B) is on Lausanne Road, a 2 mile loop road off Bordeaux Drive.

Summary information from the applicant and from reviewing agencies is included in Attachment C to this staff report; the Outdoor Festival Business License application is provided as Attachment D.

#### **OUTDOOR FESTIVAL BUSINESS LICENSE**

Outdoor Festival business licenses are granted under the provisions of Washoe County Code (WCC) Chapter 25 (Business License Ordinance). An Outdoor Festival Business License is granted by the Board after a public hearing. This event qualifies as an outdoor festival because more than 1,000 people (participants and spectators) will attend the event during a single day [WCC Section 25.265(1)] and the event is being held on private lands in the unincorporated County (WCC Section 25.269). Applications are accepted by

Washoe County Business License staff and reviewed for completeness before setting the required public hearing date [WCC Section 25.277(1)] and distributing the application for comment. The applicant waived the 30-day public hearing date requirement, as set forth in State Law and within WCC Section 25.277(1), to allow staff adequate time to complete a comprehensive review of the application (see the *Waiver and Consent* included as part of the application in Attachment D).

Copies of the application were provided to the County Clerk and the following reviewing agencies: Community Services [Planning & Development (Business License and Code Enforcement), Building and Safety, and Engineering & Capital Projects (Traffic)], Health District (Environmental and Medical/Health), Risk Management, Sheriff's Office, and the Truckee Meadows Fire Protection District [WCC Section 25.273(3)]. A courtesy copy was also provided to the Nevada Department of Taxation. Comments received from reviewing agencies are summarized in Attachment C. Notice of the public hearing was provided to the applicant and affected property owners in accordance with the provisions of WCC Section 25.277(2). Staff will provide a copy of the notice and a list of persons notified if requested.

WCC Section 25.305 requires a performance security from any Outdoor Festival business license applicant. The performance security instrument (i.e., surety bond, letter of credit, certificate of deposit, cash bond or other similar instrument) is to be approved by the District Attorney's Office and the amount is to be determined by business license staff. The amount of the performance security is to cover costs associated with removing debris, trash, and/or other waste from the tournament sites. The applicant has demonstrated exceptional tournament clean up, both on the tournament site and at off-site parking areas, for the previous 18 licensed Outdoor Festival events. Additionally, the applicant has provided a written statement guaranteeing the cleanup and restoration of all tournament sites to pre-event status. Therefore, staff does not recommend the imposition of a performance security to ensure clean-up of the off-site parking areas and the on-site tournaments areas. Staff proposes a pre-event condition to waive the required performance security and a post-event condition to require total clean-up of all tournament sites.

The license conditions contained in this staff report as Attachment B are for consideration by the Board when reviewing the license application. During the public hearing on the application, the Board should base any decisions on the testimony of witnesses, evidence presented at the public hearing, and this staff report. The Board must either approve the issuance of an Outdoor Festival business license with conditions or deny the application [WCC Section 25.277(3)]. The appropriate grounds for denial of the application are outlined in WCC Section 25.281, which staff can provide if needed. Although the Board may continue a decision on the application to its next regularly scheduled meeting, staff recommends that the County Commission decide on the license during the May 23<sup>rd</sup> public hearing, if at all feasible, to allow the applicant sufficient time to meet any and all imposed pre-event conditions prior to the proposed event set-up start date of June 26<sup>th</sup>.

Should the Board approve the issuance of the Outdoor Festival business license (Attachment A), staff recommends that applicant provide Washoe County Business License with proof of compliance for each applicable pre-event condition by July 24,

2017. This time frame should provide sufficient time for the applicant to comply with all pre-event conditions (prior to the applicant's requested event set-up date of June 26, 2017) and to issue the license prior to the tournament start date (July 31, 2017). The proposed Board motion includes authorization for event set-up to begin on June 26, 2017. Washoe County business license staff will issue the Outdoor Festival business license, under the signature of the Planning & Development Division Director, only after determination that all pre-event conditions have been met and that all applicable fees have been paid (WCC Section 25.283).

### **FISCAL IMPACT**

The applicant provided the required non-refundable \$1,000 application fee [WCC section 25.273(1)(a)] upon submission of the partial application on January 5, 2017. The daily business license fees for booths [WCC section 25.273(b)] total \$2,450 and the applicant must pay these fees prior to July 21, 2017. The total of all applicable business license fees is \$3,450 and the fees are deposited to the County's General Fund Permits & Licenses revenue account (Account Number 105402-421101).

### **RECOMMENDATION**

It is recommended that the Board approve the Outdoor Festival business license with the license conditions included at Attachment B for the Barracuda Championship 2017 golf tournament and further authorize the Director of the Planning & Development Division, Community Services Department, to issue the license when all pre-event conditions have been met.

### **POSSIBLE MOTION**

Should the Board agree with staff's recommendation, a possible motion would be: "Move to approve an Outdoor Festival business license for the Barracuda Championship 2017 golf tournament substantially in the form attached to the staff report with the license conditions included as part of the staff report for this item and to further authorize the Director of the Planning & Development Division, Community Services Department, to issue the license when all pre-event conditions have been met."

LICENSING REQUIREMENTS  
OUTDOOR FESTIVAL BUSINESS LICENSE

BARRACUDA CHAMPIONSHIP 2017 GOLF TOURNAMENT

(Approved by the Washoe County Commission on May 23, 2017)

At the public hearing held on May 23, 2017, as required under Washoe County Code (WCC) section 25.277, the Washoe County Board of County Commissioners (Board) established conditions which must be met prior to the issuance of any Outdoor Festival business license pursuant to WCC sections 25.263 to 25.307, inclusive. Such conditions may be imposed by the Board under the County's general police powers, as may be necessary under all the circumstances required for the protection of the health, welfare, safety and property of local residents and persons attending an outdoor festival in the unincorporated areas of Washoe County. Such conditions include, without limitation, the conditions specified in WCC sections 25.291 to 25.307, inclusive. All conditions imposed by the Board are attached.

**Compliance with the conditions of this license is the responsibility of the licensee at the licensee's expense.** Failure to comply with any pre-event conditions as attached may cause Washoe County to not issue the Outdoor Festival business license. Failure to comply with during-event conditions as attached may cause Washoe County to take appropriate measures to revoke or suspend the Outdoor Festival business license. Failure to comply with post-event conditions as attached may cause Washoe County to impose more stringent conditions on, or potentially jeopardize the approval of, future Outdoor Festival business license applications.

Washoe County reserves the right to review and revise the approved conditions of this license should the County determine that a subsequent license or permit issued by Washoe County violates the intent of this approval.

**The applicant shall submit all required plans, permits, documentation and other pertinent records or documents to the identified responsible agency. The applicant shall further provide Washoe County Business License with proof of compliance with all pre-event conditions pursuant to WCC section 25.283(1) by July 24, 2017.** Washoe County Business License shall subsequently notify the Director of the Planning & Development Division, Community Services Department, that all imposed pre-event conditions have been met and that all applicable fees have been paid. The Director will issue the Outdoor Festival business license after such notification by Business License staff.

## LICENSE CONDITIONS

1. Police Protection (Sheriff's Office):

(Staff contact: Sergeant Phil Jones, 843-1168, [pjones@washoecounty.us](mailto:pjones@washoecounty.us))

*Pre-event condition*

- a. The applicant shall comply with the security plan included as part of the outdoor festival application.

*During-event condition*

- b. The applicant shall provide ten fire extinguishers to the Sheriff's Office Command Post. The fire extinguishers will be provided to the Sheriff Office's mobile teams and placed on each team's golf cart as initial response to any fire incident.

2. Food Concessions and Attendant Sanitary Facilities (Washoe County Health District):

(Staff contact: Nicholas Florey, 328-2648, [nflorey@washoecounty.us](mailto:nflorey@washoecounty.us))

*Pre-event conditions*

- a. An application for a Special Events Promoter Permit must be submitted to the Washoe County Health District Environmental Health Services (EHS) Division no later than June 26, 2017. The Special Events Promoter Permit application shall include an event layout, a list of all planned food vendors (including all catering operations/locations), and sub-contractors/locations.
- b. The applicant shall provide a vehicle pass for on-site parking for the EHS Division staff to carry out on-site inspections during the event.

*During-event condition*

- c. All food vendors serving the general public must obtain a Temporary Food Permit through the EHS Division no later than July 14, 2017. A late fee will be assessed to any permit applications received after July 14, 2017. All food sold or offered to event ticket holders, including hospitality tents, must be covered under a Temporary Food Permit. Individual vendors must contact the EHS Division regarding individual permits and permit requirements.
- d. The applicant shall schedule an on-site pre-event meeting with EHS Division staff to occur on or before July 14, 2017. During this meeting, the Cleanup and Rubbish Removal Plan will be verified by EHS Division staff.
- e. The applicant shall ensure no food is served at any catering or concession location prior to each location being approved during an opening inspection by EHS Division staff. The planned hours of operations for the individual catering and concession locations must be communicated to EHS staff prior to July 14, 2017 to allow inspectors to schedule each booth opening.
- f. All food operations must have fresh water, liquid soap and paper towels for hand washing, a grey water collection bucket and a minimum of 2 garbage containers within 25 feet with minimum capacity of 55 gallons, lined with bags and amenable to covers if necessary. Garbage must be transported on a continuous basis from cans to dumpsters for collection and grey water must be transported to above ground grey water holding tanks with daily pump service.

3. Medical Services (Washoe County Health District):

(Staff contact: Brittany Dayton, 326-6043, [bdayton@washoecounty.us](mailto:bdayton@washoecounty.us))

There is currently proposed legislation that would add additional Emergency Medical Services (EMS) requirements at special events [Assembly Bill (AB) 307]. Should AB 307 pass and be signed into law, then those requirements will go into effect on July 1, 2017. Washoe County Health District (WCHD) staff will notify the event organizer of the outcome of AB 307 once it is determined, and if there are any regulation changes that would impact EMS coverage at the event.

*Pre-event conditions*

- a. The applicant shall provide the following to the Health District by June 26, 2017:
  - 1) Submit a completed WCHD Mass Gathering application by June 26, 2017.
  - 2) A letter or e-mail from the agency providing EMS services confirming that an ALS dedicated ambulance will be on site whenever vendors, participants or spectators are present; the pre-approved locations for the landing zone for an air ambulance; and, the ingress/egress information for EMS.
  - 3) The name and contact information for the event's medical coordinator, to include the cell phone number of each on scene medical coordinator who will be present for the days of the event.
  - 4) A copy of the course map showing the location of first aid stations.
    - a) The course map shall also be provided to staff prior to the event.
  - 5) The name and contact information for the hazardous waste disposal vendor, if it is not the contracted EMS provider.
  - 6) Copies of the letters or e-mails sent to the Emergency Department Managers at Renown Regional Medical Center, Renown Medical Center South Meadows, St. Mary's Regional Medical Center, and Northern Nevada Medical Center notifying the hospitals of the tournament and event dates.
  - 7) A vehicle pass for on-site parking for the EMS Program staff to carry out an on-site inspection during the event.

*During-event conditions*

- b. Handicap accessible Sani-Huts with hand washing stations shall be supplied next to or near each first aid station on the front and back nine holes.
- c. Hand washing stations for the first aid station personnel will be separate from general public facilities.
- d. Two first aid stations will be present, staffed by an EMT or a person with higher skill level capable of providing emergency medical care within their prescribed scope of practice.
  - 1) Each first aid station will be supplied with an automatic external defibrillator.
  - 2) Biological waste containers (red bags for waste and appropriate sharp containers) will be provided in the two first aid stations. Arrangements shall be made for the disposal of these wastes, either through a hazardous waste vendor or the medical providers.
  - 3) The stations must be marked with visible signage and highlighted on course maps distributed to the public.

- e. An electric utility vehicle "people mover" will be available for medical personnel to access areas not accessible to motor vehicle.
- f. A UTV team of medics will be roving between the first aid stations.
- g. All medical response personnel will be equipped with two-way radios to communicate with tournament staff. A designated channel will be dedicated to first aid communications.
- h. An area large enough to accommodate air ambulance medical evacuations will be designated on the course and at the driving range, and communicated with EMS provider.
- i. EMS Program staff will conduct an on-site inspection of medical facilities during the event.

*Post-event condition*

- j. Summary data of medical contacts will be provided to EMS Program staff within 30 days after the event.
  - 1) Number of patients treated on site.
  - 2) Number of patients known to have been transported to a medical facility by private vehicle, ambulance, or other means.
  - 3) Listing of individual types of illnesses or injuries seen.

4. Access, Traffic and Parking (Community Services, Engineering & Capital Projects):  
(Staff contact: Clara Lawson, 328-3603, [clawson@washoecounty.us](mailto:clawson@washoecounty.us))

*Pre-event condition*

- a. All traffic and parking matters and tasks as outlined in the application shall be satisfied.

*During-event condition*

- b. Tournament parking is allowed at the following locations:
  - 1) Off-site public parking at the Galena High School parking lot, 3600 Butch Cassidy Drive (APN 144-010-01).
  - 2) Off-site overflow public parking at the South Reno United Methodist Church, 200 DeSpain Lane (APN 049-440-18).
  - 3) Off-site volunteer parking at the UNR Redfield Campus, 18600 Wedge Parkway (APN 144-070-21).
  - 4) On-site tournament parking (Lot A) at the Montreux Golf and Country Club clubhouse, 18077 Bordeaux Drive (APN 148-010-50).
  - 5) On-site tournament parking (Lot B) along the length of Lausanne Road, a 2 mile loop road off Bordeaux Drive (APNs 148-050-02, 148-082-16, 148-082-17, 148-082-18, and 148-092-12).

5.

Buildings and Utilities (Community Services, Building & Safety):

(Staff contact: Steven LeCam, 328-2030, djepson@washoecounty.us)

*Pre-event condition*

- a. The applicant shall apply for and obtain any required permits from the Building & Safety Division for any temporary office trailers, tents, bleachers, and raised platforms provided for the tournament no later than June 26, 2017.
- b. The applicant shall amend tournament safety plans and the Inclement Weather Policy for Spectators to include actions taken during high wind events (exceeding the safe wind load of the tents, bleachers and/or raised platforms).

6. Hours of Operation (Community Services, Planning & Development):

(Staff contact: Bob Webb, 328-3623, bwebb@washoecounty.us)

*Pre-event condition*

- a. Event staff is allowed on all approved tournament locations for preparation and set-up between the hours of 6:00 a.m. and 8:00 p.m. each day from June 26, 2017 until July 30, 2017. One off-site parking trailer may be set up at the Galena High School parking lot.

*During-event condition*

- b. Tournament staff is allowed on site from 5:00 a.m. until 9:00 p.m. each day of the tournament (July 31, 2017 through August 6, 2017).

*Post-event condition*

- c. Event staff shall be allowed on all approved tournament locations for take-down and event dismantle between the hours of 6:30 a.m. and 8:00 p.m. each day from August 7, 2017 until August 18, 2017.

7. Fire Protection (Truckee Meadows Fire Protection District):

(Staff contact: Amy Ray, 326-6005, aray@tmfspd.us)

Truckee Meadows Fire Protection District (TMFPD) will inspect the grounds and vendor set-up for proper precautions under Washoe County Code (WCC) Chapter 60 and the *International Fire Code (IFC)* and *International Wildland Urban Interface Code (IWUIC)*. The tournament operations team shall work with TMFPD Fire Marshal Amy Ray for coordination of staffing and inspections for the event.

*Pre-event conditions*

- a. Plans for temporary office trailers, tents, bleachers and raised platforms shall be submitted to TMFPD for review and approval before June 26, 2017.
  - 1) Inspections are required for all office trailers, tents, bleachers and raised platforms.
  - 2) Fees shall include plan review and inspection for all office trailers, tents, bleachers and raised platforms, and all associated permits as required. The fees for these functions are charged at an hourly rate.
- b. A fire protection plan shall be prepared and submitted to TMFPD for review and approval before June 26, 2017.

- c. Designated smoking areas shall be approved by TMFPD before June 26, 2017 and their locations designated on all course maps.
- d. Tournament organizers shall provide a schedule of events at the tournament location beginning June 26, 2016 through the end of the tournament and clean-up before June 26, 2017.

*During-event conditions*

- e. "No smoking," designated smoking areas, propane storage, and cooking equipment:
  - 1) "No Smoking" signs will be posted on all of the tournament leader boards throughout the golf course. "No Smoking" signs shall also be posted in all hospitality areas and with tournament branded signage in key locations. All hospitality suites, parking lots, and cooking areas shall be designated "No Smoking" areas and shall be posted as such. These designated areas shall meet the requirements of WCC Chapter 60 and the IFC. Employees, guests, spectators or players for smoking in areas not designated as smoking areas under the requirements of WCC Chapter 60 shall be fined for violation under Section 310.
  - 2) Designated smoking areas shall be clearly marked and provided with proper disposal units. Designated smoking areas locations shall be designated on all course maps, as well as communicated to tournament Marshals.
  - 3) All tournament staff and volunteers shall strictly enforce no smoking outside of designated smoking areas, particularly on the golf course and in spectator areas.
  - 4) All areas where propane cylinders are to be stored shall be free of vegetation and cylinders shall be secured and provided with vehicle impact protection.
  - 5) All vendors with cooking equipment shall be inspected for compliance with the IFC.
- f. Fire extinguishers, parking, and access:
  - 1) Fire extinguishers shall be provided at all trailers, vendor locations, hospitality suites, cooking areas, designated smoking areas and other areas as designated by TMFPD.
  - 2) Tournament organizers shall ensure all areas where generators, cars, tents and trailers are to be parked are mowed and free of vegetation.
  - 3) No parking will be allowed on Callahan Road or in front of the fire and emergency gates at any time. Parking shall not be allowed on streets with medians as it decreases the ability for a fire department apparatus to respond to the residents living in the subdivision. Parking shall only be allowed in areas designated in the Conditions of Approval included as part of the Outdoor Festival business license approved by the Washoe County Board of County Commissioners on May 23, 2017. Parking will not be allowed on both sides of the street where the width will be reduced to one-lane traffic or will decrease the required width to less than 26', as the area is hydranted. There ***shall be no*** parking in front of fire hydrants and all vehicles parking in front of fire hydrants shall be towed by tournament organizers. All roads/streets shall have a minimum clear width of 20 feet passable at ***all*** times.

- 4) Parking restrictions shall be strictly enforced and vehicles that park in areas that block fire department access shall be towed by the tournament organizers. It is up to the tournament organizers to notify all persons associated with the tournament of these requirements.
  - 5) Parking is not allowed in areas where there is combustible vegetation, i.e., on vacant lots within the subdivision.
- g. Costs, staffing, and communication:
- 1) The applicant agrees to be responsible for all costs incurred by TMFPD to provide one Battalion Chief, Fire Marshal and Fire Prevention Specialist plus a minimum of 4-6 emergency personnel on site per day: 2 personnel on an apparatus and 1-2 personnel at each first aid station in accordance with the Washoe County Health District requirement (d), including apparatus and equipment costs.
    - i. The times for staffing of emergency personnel shall be Sunday July 30, 2016 through Sunday, August 6, 2017. Hours of staffing of emergency personnel shall be 8:00 a.m. to 6:00 p.m. on these dates.
    - ii. The times for inspections and staffing of the Fire Marshal and/or Fire Prevention Specialist shall be upon commencement of event set-up on or about June 26, 2017 extending to August 6, 2017, and may include site visits, fire protection review, and approval and inspections upon arrival of the first vendor or RTO trailer on site for the event. Cost for service includes all plan review for permits associated with the event (office trailers, tents, bleachers, and raised platforms), inspections, site visits to ensure compliance with WCC Chapter 60 and emergency personnel staffing and equipment.
  - 2) Tournament staff shall provide TMFPD personnel assigned to the event with one golf cart and two radios for communication with event organizers and staff, and with medical personnel during working hours.
  - 3) In accordance with Washoe County Health District requirement (d), EMT staffing at the first aid stations shall be provided by TMFPD.

8. Licensing and Inspections (Community Services, Planning & Development):  
(Staff contact: Bob Webb, 328-3623, bwebb@washoecounty.us, or Karin Kremers, 328-3733, businesslicense@washoecounty.us)

*Pre-event conditions*

- a. The applicant shall pay the required daily business license booth fees prior to July 21, 2017. The daily booth fees total \$2,450 for the tournament.
- b. The applicant shall provide property owner permission letters for tournament parking by July 21, 2017 for the following parking locations: Galena High School, UNR Redfield Campus, and South Reno United Methodist Church.
- c. Reno Local Food Group shall obtain appropriate Washoe County business and intoxicating liquor licenses by July 14, 2017. The intoxicating liquor license application shall specify the areas from which intoxicating liquor will be served during the event.
- d. The applicant shall provide Washoe County Code Enforcement with a vehicle pass to gain access to the tournament sites, to include all parking areas, for inspections to

verify compliance with these conditions and issued business/liquor licenses by July 21, 2017.

*During-event condition*

- e. The Barracuda Championship 2017 golf tournament is authorized at the following location:
  - 1) Montreux Golf and Country Club (APNs 148-010-25, 148-010-50, 148-010-55, 148-010-56, 148-061-65, 148-100-02, 148-140-11, and 148-222-22).

9. Indemnification and Insurance (Risk Management):

(Staff contact: Doreen Ertell, 328-2660, dertell@washoecounty.us)

*Pre-event conditions*

- a. The applicant shall provide a summary of the event's insurance carrier and insured amounts by July 14, 2017.

10. Performance Security (Community Services, Planning & Development):

(Staff contact: Bob Webb, 328-3623, bwebb@washoecounty.us)

*Pre-event condition*

- a. Based on demonstrated tournament clean-up (i.e., removal of debris, trash, and/or other waste) of all tournament sites by the applicant during the previous 18 licensed Outdoor Festival events, the applicant is not required to post the performance security as required by Washoe County Code Section 25.305.

*Post-event conditions*

- a. The applicant will be responsible for total clean-up of all tournament sites. Clean-up includes, but is not limited to, removal of debris, trash, and/or other waste from all tournament sites. The applicant shall contact Washoe County Code Enforcement at (775) 328-6106 or by e-mail at code-enforcement@washoecounty.us to arrange a final site inspection for all tournament locations after clean-up is completed but no later than August 18, 2017.
- b. All tournament sites will be inspected by and approved as to the adequacy of cleanup by code enforcement staff with the Planning & Development Division.

### **SUMMARY FROM THE APPLICATION**

The Washoe County Outdoor Festival business license application submitted by the Reno-Tahoe Open Foundation is included as Attachment D to this staff report. The application was received and deemed complete on February 23, 2017. In addition to the information required as part of the application, the applicant provided supplemental information on the event in the following categories: Waiver and Consent to Extend Mandated Public Hearing Date; Event Summary, Property Owner Affidavit and/or Permission to Conduct Event; Personal History (redacted from staff report due to personal information); Statement of Liabilities and Statement of Assets; Release of Claims and Authorization to Release Information; Insurance, Hold Harmless and Indemnification Requirements; 2017 Reno-Tahoe Open Foundation Board of Directors; Vendor List; a map of the tournament (golf course) area; Tournament Communications Plan; Fire Protection Plan; Security; Hours of Operation, Licensing, and Inspections; Water Supply and Facilities; Sanitation Facilities; Tournament Medical Services; ECOLOGY - Cleanup and Rubbish Removal Plan; RECYCLING PLAN – Cardboard, Aluminum, Plastic Bottles (with map); Ticket Sales and Prices; Transportation and Parking Plan with maps; Course Exterior Signage Plan with maps; List of tents and accompanying map; and, List of office trailers, raised platforms and bleachers with accompanying map (tent list and trailer, platform and bleacher lists and maps provided on April 18, 2017). The application should be consulted for specific details within any of these categories.

### **SUMMARY OF AGENCY COMMENTS**

Conditions specific to each agency are included as Attachment B to this staff report. This summary contains an overview of the conditions and comments from agencies.

### **Criminal History Background Inquiry**

WCC section 25.281(2), (3), (4), and (5) lists the criteria of suitability for the applicant in an Outdoor Festival business license event, which staff can provide if needed. The applicant requiring criminal history inquiry for this event is Jesse Haw. The Outdoor Festival Personal History form completed by Mr. Haw is redacted from this staff report as the form contains personal information. The form is available to the Board upon request.

Pursuant to WCC section 25.276, Mr. Haw was processed through a complete criminal history inquiry with fingerprint check in December of 2015. There were no disqualifying criminal convictions on Mr. Haw's records. WCC section 25.276(3) enables the Sheriff's Office to waive the complete criminal history inquiry requirement for second and subsequent applications by the same applicant provided the Sheriff's Office reviews local police records, including wants and warrants, to determine whether cause for denial exists. The Sheriff's Office completed their records check on April 21, 2017. There is no disqualifying information on the applicant of which the County is aware. Consequently, staff has determined that the applicant is suitable to hold the license under the provisions of WCC section 25.281.

### **Community Services Department**

#### **ENGINEERING AND CAPITAL PROJECTS (Access, Parking and Traffic)**

Clara Lawson, Licensed Engineer, reviewed the application and recommends the applicant satisfy the traffic and parking matters and tasks as outlined in the application. Approved

tournament parking locations were specified by location, address and Assessor's Parcel Number as a during-event condition.

#### **BUILDING AND SAFETY (Buildings and Utilities)**

Steve Le Cam, Plans Examiner and Inspector, recommends the applicant apply for and obtain any required permits for any temporary office trailers, tents, bleachers, and raised platforms prior to June 26, 2017; and, to amend tournament safety plans and the Inclement Weather Policy for Spectators to include actions taken during high wind events (exceeding the safe wind load of the tents, bleachers and/or raised platforms).

#### **PLANNING & DEVELOPMENT (Hours of operation; Licensing and Inspections; Performance Security)**

Business License staff recommends one pre-event condition to allow for event preparation and set-up from June 26 through July 30, 2017 (6:00 a.m. to 8:00 p.m. daily), and to place one off-site parking trailer at Galena High School. Staff further recommends one during-event condition to establish hours for the tournament itself (5:00 a.m. to 9:00 p.m. each day). Finally, staff recommends one post-event condition establishing hours for event take-down and event dismantling from August 7 through August 18, 2017 (6:30 a.m. to 8:00 p.m. daily).

Staff further recommends four additional pre-event conditions. The first is to pay the required daily business license booth fees (\$2,450) on or before July 21, 2017. The second is for the applicant to provide property owner permission letters for all three off-site parking locations. The third is to require Reno Local Food Group to obtain appropriate business and/or liquor licenses prior to the start of the tournament (to include specifying the areas from which intoxicating liquor will be served during the event). The fourth is to provide code compliance/business license staff with a vehicle pass for inspections to verify compliance with imposed conditions and issued business/liquor licenses. Staff included one during-event condition to stipulate the approved tournament location by location and Assessor's Parcel Numbers.

The previous 18 tournament events have provided exceptional clean-up of the off-site parking areas and of the on-site tournament areas. Therefore, staff does not recommend the imposition of a performance security to ensure clean-up of the parking and tournaments areas. A pre-event condition is proposed to waive the performance security requirement. The applicant has provided a written statement guaranteeing the cleanup and restoration of all tournament sites to pre-event status. Staff recommends two post-event conditions requiring the applicant clean up all on-site and off-site tournament areas and a compliance inspection for clean up by code compliance staff.

Staff will verify compliance with all Board approved conditions. This includes coordinating with all reviewing agencies to validate all pre-event conditions for completion prior to business license issuance, monitoring all during-event conditions, and verifying all post-event conditions.

#### **Health District (Food Concessions and Attendant Sanitary Facilities, and Medical Services)**

Nicholas Florey, Senior Environmental Health Specialist, recommends two pre-event conditions related to obtaining a Special Events Promoter Permit and providing a vehicle pass for EHS

program staff. Mr. Florey also recommends four during-event conditions related to vendors obtaining Temporary Food permits, scheduling an on-site meeting, and two conditions concerning food operations during the tournament. Brittany Dayton, Emergency Medical Services Coordinator, recommends 7 pre-event conditions, 8 during-event conditions, and 1 post-event condition which are the same as recommended for the 2016 Barracuda Championship golf tournament. Ms. Dayton also stipulated that the 2017 Nevada Legislature is considering Assembly Bill 307 which adds additional Emergency Medical Services (EMS) requirements at special events. Should the bill pass and be signed into law, Ms. Dayton will notify the applicant of any regulation changes impacting EMS coverage at the event.

**Risk Management (Indemnification and Insurance)**

Doreen Ertell, Risk Management Division, reviewed the application and determined that the application contains the appropriate indemnification/hold harmless provisions and the insurance requirements as set forth in Washoe County Code Section 25.303. Ms. Ertell recommends one pre-event condition for the applicant to provide a summary of the event's insurance carrier and insured amounts.

**Sheriff's Office (Police Protection)**

Sergeant Phil Jones verified the local police records check as noted earlier for Mr. Haw. Sergeant Jones reviewed the application for police protection (security) and recommends that the applicant comply with the security plan included as part of the Outdoor Festival application. Sergeant Jones also recommends one during-event condition for the applicant to supply ten fire extinguishers for preventive use by the Sheriff's roving patrols.

**Truckee Meadows Fire Protection District (Fire Protection)**

Amy Ray, Truckee Meadows Fire Protection District Fire Marshal, reviewed the application and recommended four pre-event conditions and 3 during-event conditions (with a total of 17 sub-conditions). The conditions involve reviewing plans for temporary office trailers, tents, bleachers and raised platforms; preparation of a fire protection plan; designating smoking areas; providing a schedule of events; "No Smoking" and smoking designated areas, and associated signage and other requirements; fire extinguishers; parking; and access; costs; staffing; and, communications.

## OUTDOOR FESTIVAL LICENSE APPLICATION

Memorandum for:

Office of the Washoe County Clerk  
Amy Harvey, County Clerk  
1001 E. 9<sup>th</sup> St. Bldg A – 1<sup>st</sup> Floor  
Reno, Nevada

Subject: Waiver and Consent to Extend Mandated Public Hearing Date before the Washoe County Commission for Outdoor Festival License Application

Nevada Revised Statutes (NRS) 244.3544 and Washoe County Code (WCC) section 25.277 require the County Clerk to set a public hearing date before the Washoe County Commission for an outdoor festival license application no later than 30 days after the application is deemed complete and application fees are received. These two regulations also require that specific County agencies review the application and provide written reports to the County Commission, to include recommendations on the license and conditions if appropriate.

The mandated review by County agencies on the license application is of utmost importance to both Washoe County and the applicant, to ensure that the festival is conducted in a manner that protects public health, safety and welfare. To this end, the undersigned license applicant agrees to waive the 30 day public hearing time limit imposed by NRS 244.3544 and WCC section 25.277.

As the undersigned license applicant, I agree to extend the required County Commission public hearing date to occur no more than 90 days after the application is deemed complete and application fees are received, and no less than 15 days prior to the date when the outdoor festival is proposed to commence.

## CHAMPIONSHIP

The Barracuda Championship is an official PGA TOUR-sanctioned golf event held at Montreux Golf & Country Club, July 31<sup>st</sup>- August 6<sup>th</sup>, 2017. The 19<sup>th</sup> annual event features professional PGA TOUR golfers competing in a 72-hole Modified Stableford formatted event, the only of its kind on the PGA TOUR, over the 7,472-yard Jack Nicklaus championship course. The purse for the tournament is \$3.3 million. The Barracuda Championship displays the beauty of this area and will be live broadcasted nationally and internationally on The Golf Channel for 18 hours to 224 countries and reaching over 88 million households.

One of just 47 cities to host such an event, the PGA TOUR selected the Reno-Tahoe region to host a tournament for several reasons. First, the local founders made a financial commitment and established the organizational structure to build community support, which has continued over the past 19 years. This community support has only increased over the years, as displayed by the Renegades group of community leaders paying out of their own pockets in support of this incredible community asset. Second, the Reno-Tahoe area is convenient for transportation, accommodations, and entertainment which PGA TOUR players and visitors enjoy. Lastly, the golf venue; Montreux Golf & Country Club, is the regions only Jack Nicklaus Signature Course that Nicklaus himself calls among his top five designs. For all these reasons, the Barracuda Championship has become a favorite stop on the PGA TOUR among the players.

The tournament is once again expected to attract thousands of golf fans to the Reno-Tahoe area, boasting a 5% increase in attendance in 2017 over 2016, with 2017 activities promising to create an even more successful event. Visitors to the area will stay in local hotels, dine in local restaurants, purchase goods and services from local businesses, and enjoy the local entertainment, gaming and nightlife. This translates into millions of dollars for the Reno-Tahoe economy and will create a positive ripple effect from return visits for many business entities.

*Local charities have benefitted greatly from the Reno-Tahoe Open Foundation, donating \$3.6 million since the tournament's inception.*

**OUTDOOR FESTIVAL  
RELEASE OF CLAIMS**

(complete a separate form for each applicant, to include corporate officers and partners)

The undersigned has filed with Washoe County Business License an application for outdoor festival license. In consideration of the assurance by the Board of County Commissioners that no vote on said application will be taken except after a deliberate, intensive and thorough investigation of the undersigned, including but not limited to criminal history background, associates and finances, the undersigned does for himself, his heirs, executors, administrators, successors and assigns, hereby release, remise and forever discharge the County of Washoe, Washoe County Sheriff's Office, Washoe County Commission, and Washoe County Business License from any and all manner of actions, causes of action, suits, debts, judgments, executions, claims, and demands whatsoever, known or unknown, in law or equity, which the undersigned ever had, now has or may have, or claim to have against any or all of said entities or individuals arising out of or by reason of the processing or investigation of or other action relating to the undersigned application.

**AUTHORIZATION TO RELEASE INFORMATION**

As an applicant for an outdoor festival license with Washoe County Business License, I am required to furnish information for use in determining my qualifications. In this connection, I authorize release of any and all information of a confidential or privileged nature.

I hereby release you, your organization and others from liability or damage, which may result from furnishing the information requested. This release will expire 180 days after the date signed.

I, the undersigned, have read this release and understand all its terms; I execute it voluntarily and with full knowledge of its significance.

IN WITNESS WHEREOF, I have executed this release at 9:06 am on the 4<sup>TH</sup> day of January, 2017.

**OUTDOOR FESTIVAL  
INSURANCE, HOLD HARMLESS AND INDEMNIFICATION REQUIREMENTS**

Pursuant to Washoe County Code §25.303, any applicant for a Washoe County outdoor festival business license must ensure the following requirements are met to the satisfaction of the Washoe County Risk Management Division before the outdoor festival business license may be issued.

**INDEMNIFICATION & HOLD HARMLESS**

As respects acts, errors or omissions relating to the event, APPLICANT agrees to indemnify and hold harmless COUNTY, its officers, agents, employees, and volunteers from and against any and all claims, demands, defense costs, liability or consequential damages of any kind or nature arising directly or indirectly out of the event or any activity leading up to, during, or following the event, excepting those which arise out of the sole negligence of the COUNTY.

APPLICANT further agrees to defend COUNTY and assume all costs, expenses and liabilities of any nature to which COUNTY may be subjected as a result of any claim, demand, action or cause of action arising out of the negligent acts, errors or omissions of APPLICANT or its agents concerning the event.

**INSURANCE REQUIREMENTS**

COUNTY requires that APPLICANT purchase General Liability Insurance as described below against claims for injuries to persons or damages to property which may arise from or in connection with the event by APPLICANT, its agents, representatives, or employees. The cost of all such insurance shall be borne by APPLICANT.

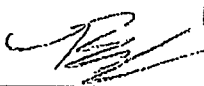

APPLICANT shall maintain coverage and limits no less than \$1,000,000 combined single limit per occurrence for bodily injury, personal injury and property damage. If Commercial General Liability Insurance or other form with a general aggregate limit is used, the general aggregate limit shall be increased to equal twice the required occurrence limit, to apply separately to this event.

Any deductibles or self-insured retentions must be declared to and approved by the COUNTY Risk Management Division prior to the event. COUNTY reserves the right to request additional documentation, financial or otherwise prior to giving its approval of the deductibles and self-insured retention and prior to issuing the license. The COUNTY Risk Manager prior to the change taking effect must approve any changes to the deductibles or self-insured retentions.

APPLICANT shall provide COUNTY with a certificate of insurance that identifies COUNTY, its officers, agents, employees and volunteers as additional insured's.

**NOTE: A certificate of insurance complying with the provisions stated above is not required with the outdoor festival business license application, but must be furnished prior to the issuance of the license.**

I hereby agree to the all of the provisions stated above:

### **Tournament Communications Plan**

---

Creative Communications, a nationwide leader in communications logistics, will again be coordinating communications for the 2017 Barracuda Championship. With experience managing events, disaster areas and large-scale communication needs, Creative Communications will manage all aspects of the tournament needs.

A repeater system will be established to enhance communications throughout the site and also to the remote parking areas.

A 16-channel system will be utilized to reduce traffic on any 1 particular channel. Various committees (e.g. operations, first aid, scoring, transportation, etc.) will be assigned different channels for communication. All radios will be labeled with the various committees and their channel assignment so that all committees may contact each other freely.

Legal frequency access will be made available to the tournament with the approval of the FCC. Creative Communications will also confer with local area law enforcement so as not to interfere with their existing communication frequencies.

### Fire Protection Plan

---

- Truckee Meadows Fire Protection District (TMFPD) will inspect the grounds and vendor set-up for proper precautions under Washoe County Code Chapter 60 (WCC 60) and the International Fire Code (IFC) and International Wildland Urban Interface Code (IWUIC). The tournament operations team shall work with TMFPD Fire Marshal Amy Ray for coordination of staffing and inspections of the event.
  
- “No smoking,” designated smoking areas, propane storage, and cooking equipment:
  - 1) “No Smoking” signs will be posted on all of the tournament leader boards throughout the golf course. “No Smoking” signs shall also be posted in all hospitality areas and with tournament branded signage in key locations. All hospitality suites, parking lots, and cooking areas shall be designated “No Smoking” areas and shall be posted as such. These designated areas shall meet the requirements of WCC 60 and the IFC.
  - 2) Designated smoking areas shall be clearly marked and provided with proper disposal units. Designated smoking areas locations shall be designated on all course maps, as well as communicated to tournament Marshals.
  - 3) All tournament staff and volunteers shall strictly enforce no smoking outside of designated smoking areas, particularly on the golf course and in spectator areas.
  - 4) All areas where propane cylinders are to be stored shall be free of vegetation and cylinders shall be secured and provided with vehicle impact protection.
  - 5) All vendors with cooking equipment shall be inspected for compliance with the IFC.
  
- 1) Fire extinguishers, parking, and access:
  - 1) Fire extinguishers shall be provided at all trailers, vendor locations, hospitality suites, cooking areas, designated smoking areas and other areas as designated by TMFPD.
  - 2) Tournament organizers shall ensure all areas where generators, cars, tents and trailers are to be parked are mowed and free of vegetation.
  - 3) No parking will be allowed on Callahan Road or in front of the fire and emergency gates at any time. Parking shall not be allowed on streets with medians as it decreases the ability for a fire department apparatus to

## CHAMPIONSHIP

respond to the residents living in the subdivision. Parking shall only be allowed in areas designated and agreed upon by Montreux HOA and the Barracuda Championship. Parking will not be allowed on both sides of the street where the width will be reduced to one-lane traffic or will decrease the required width to less than 26', as the area is hydrated. There shall be no parking in front of fire hydrants and all vehicles parking in front of fire hydrants shall be towed by tournament organizers. All roads/streets shall have a minimum clear width of 20 feet passable at all times.

- 4) Parking restrictions shall be strictly enforced and vehicles that park in areas that block fire department access shall be towed by the tournament organizers. It is up to the tournament organizers to notify all persons associated with the tournament of these requirements.
- 5) Parking is not allowed in areas where there is combustible vegetation, i.e., on vacant lots within the subdivision.

### 2) Staffing and Communication:

- A. The times for staffing of emergency personnel shall be Monday, July 31, 2017 through Sunday, August 6, 2017. Hours of staffing of emergency personnel shall be 10:00 a.m. to 6:00 p.m. on these dates.
- B. The times for inspections and staffing of the Fire Marshal and/or Fire Prevention Specialist shall be upon commencement of event set-up on June 26<sup>th</sup>, 2017 extending to August 6<sup>th</sup>, 2017, and may include site visits, fire protection review, and approval and inspections upon arrival of the first vendor or Barracuda Championship trailer on site for the event. Cost for service includes all plan review for permits associated with the event (tents, bleachers, etc.), inspections, site visits to ensure compliance with Washoe County Code 60 and emergency personnel staffing.
- C. Tournament staff shall provide TMFPD personnel assigned to the event with one golf cart and two radios for communication with event organizers and staff, and with medical personnel during working hours.

### Security

---

The PGA TOUR requires the presence of organized security at all PGA TOUR sponsored events. All security personnel (volunteer or hired) will work in conjunction with Washoe County Sheriff's Office. A volunteer security committee organized and headed by Scott Freeman since 1999 will be in place to check credentials and assist in other areas to augment the hired security staff. In addition, a PGA TOUR Security Specialist will meet with our Tournament Security Director several times prior to the tournament and make sure we have met all the requirements.

The tournament will provide a volunteer security committee of off-duty police that will serve to protect the members of the PGA TOUR and assist in gallery control throughout the tournament site. Each member of the security team will have communication capabilities with the Tournament Security Director and the tournament headquarters. Volunteer security and hired Sheriff's Officers will be positioned at the following locations where access is limited:

- Main gate area(s) where cash transactions will be taking place
- PGA TOUR player's locker room
- Finance office
- PGA TOUR scoring area (Montreux Cart Barn)
- Player / Family dining area
- Practice Area
- Clubhouse entry
- PGA TOUR Childcare
- Media Center
- Player Parking area

The Barracuda Championship will be responsible for all costs incurred by the WCSO to provide police protection for the event and the community. Vehicle and pedestrian access controls will be established to the satisfaction of the WCSO. Hours of operation will be enforced by on-site security personnel and the WCSO. Centrally located sites for a command post and staging area for the WCSO will be provided, including power and telephone service.

### Hours of Operation, Licensing and Inspections

---

Event staff shall be allowed on the approved locations for tournament preparation and set-up between the hours of 6:00 am and 8:00 pm each day from June 26<sup>th</sup>, 2017 through July 30<sup>th</sup>, 2017. Tournament staff is allowed on-site from 5:00 am and 9:00 pm each day of tournament week (July 31<sup>st</sup> – August 6<sup>th</sup>, 2017.) Event staff shall be allowed on-site for takedown and dismantle between the hours of 6:30 am and 8:00 pm each day from August 7<sup>th</sup> – August 18<sup>th</sup>, 2017.

Reno Local Food Group will obtain the appropriate Washoe County business and intoxicating liquor licenses required. The Barracuda Championship will supply Washoe County Code Enforcement with a vehicle pass to gain access to all areas of the tournament site for inspections to verify compliance with these conditions and issued business/liquor licenses.

### Water Supply and Facilities

---

The tournament's use of existing water supplies at Montreux Golf & Country Club will be extremely minimal. On-site potable water is certified and approved by the county. Water distribution will be in accordance with health regulations. Bottled water is available for sale at all concession stands, and first aid tents in medical cases. Water needs for the catering and concessions vendor will be handled with food grade 5-gallon water jugs. All water lines and hoses used by the concessionaire will be food grade and equipped with a back-flow prevention device. All normal golf course activities will continue (watering, etc.) on the existing water supply.

### Sanitation Facilities

---

The Barracuda Championship has contracted with United Site Services (USS) to provide all on-site portable restroom facilities as well as facilities at each of the parking areas. Their business is located in Washoe County and is in compliance with Washoe County health regulations.

Currently, the contract contains the following:

- USS will provide the tournament with approximately 85 portable restroom units
- USS will provide the tournament with 13 handicap accessible units
- USS will provide the tournament with 20 hand washing stations
- USS will have an individual on site July 31<sup>st</sup> – August 6<sup>th</sup>, 2017 to maintain and service all provided units.
- USS will completely service all units each evening of the tournament

Placement of units on site will be determined at a future date. Placements are dependent on a number of issues from concession location to accessibility of vehicles to service the units. Units will be placed a minimum of 50 feet from food-service operations. Handicap accessible units and hand wash stations will be supplied near each first aid station on the front and back nine holes.

Additional units will be available if needed.

### **Tournament Medical Services**

---

REMSA (Alan Tom) has agreed to provide the tournament with an on-site facility and staffing to address medical concerns that arise. REMSA will have an ambulance on site at all times for transport needs. An EMT and driver will be with the ambulance at all times. Representatives from REMSA have toured the site and have determined the best locations for their services. Ingress/Egress plans for the ambulance have been devised. There will be one centrally located first aid station on the front nine holes and one on the back nine holes. These locations will be marked with visible signage and highlighted on all course maps distributed to the public. An EMT will staff each first aid station. Each first aid station will be supplied with an automatic external defibrillator. Biological waste containers (red bags with appropriate containers) will be provided at the two first aid stations.

An electric utility vehicle will be available as a people mover for the medical response personnel to access areas not available to motor vehicles. Additionally, a UTV team of medics and a physician will be roving between the stations. All medical response personnel will be equipped with two-way radios to communicate with tournament staff and security at all times. A designated channel will be dedicated to first aid communication all week.

A space large enough to accommodate "Care-Flight" evacuations will be designated on course, at the driving range, and communicated with the proper authorities. On course medical, fire and security will be aware of the Care-Flight area and all activities associated with an air evacuation.

United Site Services will provide hand-washing stations near each bank of toilets and near the first-aid stations. Hand washing stations for medical aid station personnel will be separate from general public facilities. Handicap accessible portable restrooms will be available at various locations on course.

The Barracuda Championship will provide a vehicle pass for on-site parking for the EMS Program staff to carry out any on-site inspections during the event. Summary data of medical contacts will be provided to Washoe County upon the conclusion of the Barracuda Championship (No later than August 11<sup>th</sup>, 2017).

The on site First Aid Coordinator: Alan Tom is a certified EMT and the special events manager for REMSA. His contact information is 450 Edison Way Reno, NV 89502-4117 atom@remsa-cf.com 775-858-5700 Ext. 153 (office), 775-287-2837 (Mobile). Copies of notification letters will be submitted from: Saint Mary's Regional Medical Center, Renown Regional Medical Center, Renown Medical Center South Meadows, and Northern Nevada Medical Center.

### **ECOLOGY- Cleanup and Rubbish Removal Plan**

---

Solo Events Group, Inc. will be in charge of on-course Ecology. Solo Events Group, Inc. specializes in Professional Golf Tournament on-course and hospitality suite ecology. They will place garbage receptacles throughout the course and hospitality areas. The maintenance of these include, but are not limited to, emptying the receptacles, replacing bags and transporting the refuse to a predetermined location with 30 and 40 yard covered dumpsters available. In the event that one of these dumpsters would need emptying during the tournament, our vendor Waste Management would be contacted to haul the dumpster away and replace it.

Solo Events Group, Inc. will be supplied with all necessary equipment to execute the ecology needs for the tournament: golf carts to haul the refuse, liners for the trash boxes and radios for those on the committee that need to be in communication with the tournament staff. Depending on the day of the tournament, the Solo could have 5 – 10 individuals on site working on ecology.

The Barracuda Championship accepts responsibility for total clean up of the sites used during the tournament. At each of the parking areas there will be garbage receptacles placed for trash and the parking and transportation volunteers at the lots will monitor these receptacles. Post event, the Solo Events Group, Inc. will also help with refuse during construction breakdown.

### **RECYCLING PLAN- Cardboard, Aluminum, Plastic Bottles**

---

The Barracuda Championship will be working with Waste Management to organize a recycling plan. Waste Management will assist the Barracuda Championship by providing separate recycling bins for the various recyclables including: cardboard, wood, plastics, etc. We will have 56-gallon plastic bags and recycling bins located throughout the event with instructional signs.

Solo Events Group, Inc. will be working with tournament staff and Waste Management officials to monitor the recycling bins and remove contaminants from the bags. The bins will be placed alongside trashcans but visibly marked "recycling". They will be placed in high traffic locations on the 9<sup>th</sup> green, the 18<sup>th</sup> green, Driving Range, the Front Entrance, Public Parking lots, the Volunteer Headquarters, and at all concession stands.

\* = Dumpsters. Two dumpsters located on Alpinista Circle (catering compound).

+ = Concession Stands / Prep Areas: Driving Range, 9<sup>th</sup> Tee, 9<sup>th</sup> Green, 15<sup>th</sup> Green (not pictured), and 18<sup>th</sup> Green, Alpinista Circle,

### Ticket Sales and Prices

---

Tickets for the 2017 Barracuda Championship will be available for purchase beginning January 1<sup>st</sup>, 2017 via our website [www.barracudachampionship.com](http://www.barracudachampionship.com). Sales will continue through August 6<sup>th</sup>, 2017 with tickets available for sale online and at the entrance gate to the tournament. Also, tickets can be purchased through the Tournament Office in advance by calling 775-322-3900.

#### **Ticket prices are as follows:**

*Clubhouse Season Ticket* - Allows entry to the Clubhouse and opportunity to order off of the Clubhouse menu (menu prices still apply) - \$85.00

*Season Grounds Badge* - Allows entrance to the Tournament Grounds every day of the week - \$55

*Wine Walk ticket* - This ticket can be added to any ticket combination and allows tasting at four different wine stations throughout the course - \$20.00

*Good Any Day* - Allows entrance to the Tournament Grounds any one day of the week - \$25.00

*Tickets will be available at the gate July 31<sup>st</sup> – August 6<sup>th</sup>, 2017*

Individuals who order tickets before the tournament will receive a printable voucher in which can be taken to our Main Admissions trailer at Galena High School for ticket redemption. If they order tickets online, all parking and additional patron information is available on our website. Sponsors who purchase tickets will receive a package which will contain all of the pertinent information they will need to attend the event (e.g., parking locations, gate times, etc.)

## **Transportation & Parking Plan**

### **Public Parking Lot**

Galena High School (parcel # 144-010-01) will again be used for our public parking and has the capacity to hold 600 vehicles (Galena Lot). A letter of agreement will be supplied.

Access to the “Galena Lot” will be off Mt. Rose Highway and Wedge Parkway. Signage will indicate to patrons that public parking is at Galena High School. Daily peak ingress into the lot will be from 9am -11am. The approximate and average occupancy rate for each vehicle entering the lot is 2 persons per car. The annual average daily traffic counts at portable station 0019, or approximately the intersection of Wedge Parkway and SR 431, were obtained from the NDOT website at 17,000 cars. This intersection is signaled with two left-hand turn lanes. The capacity traveling east on Mt. Rose Highway is virtually unlimited due to the right turn vehicles will be making onto the road. Therefore, impacts on existing traffic are minimal. Vehicles will follow Wedge parkway towards Butch Cassidy Way and Turn into Galena High School’s parking lot. Flaggers and signage will be throughout the lot and at the entrance/exit to the lot directing incoming and outgoing traffic. Egress from the “Galena Lot” will be from Galena High School onto Wedge Parkway and onto SR 431.

Mitigation measures in place during the tournament are hotel shuttles, traffic control signs and use of traffic cones. Signage for “Golf Tournament Parking” will begin on US 395 south. These signs will alert motorists that 1) the parking for the event is approaching, and 2) there will be a change in traffic patterns upon entering Mt. Rose Highway. These signs have been produced with the cooperation of NDOT to ensure proper wording and appearance. They are green in color with reflective white wording. Similar signs will be placed on southbound and northbound Mt. Rose Highway to alert motorists of the parking lot location. When spectators purchase tickets, a ticket jacket containing all the information regarding parking locations, directions and maps will help them access the parking safely. Parking information will also be printed in the Reno-Gazette Journal during tournament week, and can be found on our website, [www.RenoTahoeOpen.com](http://www.RenoTahoeOpen.com).

### **Public Parking Overflow**

South Reno United Methodist Church (parcel # 049-440-18) will be used for public parking overflow and has the capacity to hold 200 vehicles. A letter of agreement will be supplied.

Access to the “The Overflow Lot” will be off Mt. Rose Highway and Wedge Parkway. Signage will indicate this is where public parking has been relocated to.

---

## CHAMPIONSHIP

### **Volunteer Parking Lot**

The second off-site lot is designated for tournament volunteers and will be located at The Redfield Campus (parcel # 144-070-17). This location will have an approximate capacity of 400 vehicles. Letter of agreement will be supplied. We will be encouraging volunteers to carpool with fellow volunteers as part of our "Green" effort and will hopefully reduce the number of vehicles. We have a newly formed Parking Committee that will monitor this lot and make necessary adjustments with signage and shuttle vendor.

Access to the "The Redfield Campus Lot" will be off Mt. Rose Highway and Wedge Parkway. Signage will indicate this is where volunteers are to park.

There is a signaled left hand turn lane for volunteers heading west on Mt. Rose Highway to get onto Wedge Parkway. From there volunteers will make a left hand turn into "The Redfield Campus Lot". Volunteers exiting the "The Redfield Campus Lot" will be able to make a right hand turn to head north on Wedge Parkway and then have the ability to make a right hand turn to head east on Mt. Rose Highway or make a left to head west on Mt. Rose Highway. The peak for daily ingress will be 7am – 10am and 150 vehicles, approximately. Egress will be continuous from 3pm to approximately 6pm as volunteer shifts vary.

### **Transportation from Public and Volunteer Parking**

Buses will enter "Galena Lot" by heading south on Mt. Rose Highway turning right onto Edmonton Dr. then left onto Butch Cassidy where the buses will pick up patrons. Buses will exit "Galena Lot" by heading down Wedge Pkwy then turning north onto Mt. Rose Highway.

Buses will enter the volunteer "The Redfield Campus Lot" by heading south on Mt. Rose Highway and then turning right onto Wedge Parkway, accessing the volunteer "The Redfield Campus Lot" via open left turn lane; buses will exit by turning right onto Wedge Parkway and then left onto Mt. Rose Highway, continuing to Bordeaux Dr. at Montrêux. General services such as restrooms and automotive assistance will be available at "The Redfield Campus Lot" parking area.

### **Preferred Parking at Montreux Golf & Country Club**

There will be two designated lots at Montreux. Both of these lots will be Reserved for players, caddies, members, sponsors, reserved tournament parking and vendors. Lot A is the clubhouse parking lot. Lot B will be on Lausanne Rd., a 2-mile loop road off Bordeaux Drive inside the Montreux development. Vehicles with a Reserved parking pass for Lot B will proceed down Bordeaux Drive and park on the right side of Lausanne Drive.

**Barracuda**

---

**CHAMPIONSHIP**

Other vehicles cleared to enter Montreux at Bordeaux Drive are tournament staff, PGA TOUR players, PGA TOUR staff, some vendors, volunteer chairs, and some miscellaneous deliveries at non-tournament times. They will be directed to their designated parking area.

**Course Exterior Signage Plan:**

*North & South US 395:*

- One (1) message board will be placed on the right shoulder of South US 395 prior to Mt. Rose Highway (SR-431) exit reading, PGA TOUR GOLF TOURNAMENT PUBLIC & VOLUNTEER PARKING with a right facing arrow.
- One (1) message board will be placed on the right shoulder of North US 395 prior to Mt. Rose Highway (SR-431) exit reading, PGA TOUR GOLF TOURNAMENT PUBLIC & VOLUNTEER PARKING with right facing arrow.

*Westbound SR 431:*

- One (1) message board will be placed on the right shoulder of Mt. Rose Highway prior to the left hand turn onto Wedge Parkway. The first message reading PGA TOUR GOLF TOURNAMENT PUBLIC & VOLUNTEER PARKING LEFT AT SIGNAL and the second message reading PGA TOUR GOLF TOURNAMENT PREFERRED PARKING AHEAD with a straight facing arrow.
- Three (3) directional signs will be placed on the right shoulder after Wedge Parkway. The first two reading, PGA TOUR GOLF TOURNAMENT PREFERRED PARKING AHEAD with a straight facing arrow. The third will be placed before Bordeaux Drive reading, PGA TOUR GOLF TOURNAMENT PREFERRED PARKING ONLY with a left facing arrow.
- Tournament branded directional signs can begin on Wedge Parkway after turn off from State route 431.

*Eastbound SR 431:*

- Directional sign directing spectators to Preferred Parking lot will be placed before Bordeaux Drive which has a right facing arrow reads, PGA TOUR GOLF TOURNAMENT PREFERRED PARKING ONLY.
- Directional sign is placed prior to right hand turn onto Wedge Parkway, which reads, PGA TOUR GOLF TOURNAMENT PUBLIC & VOLUNTEER PARKING RIGHT AT SIGNAL.

---

## CHAMPIONSHIP

- Tournament branded directional signs can begin on Wedge Parkway after turn off from State route 431.

### Current NDOT Approved Road Sign Inventory:

#### *Quantity (2)*

- “PGA TOUR Golf Tournament Public & Volunteer Parking Right at Signal”
- “PGA TOUR Golf Tournament Preferred Parking Ahead” (forward arrow)

#### *Quantity (1)*
