Roll Change Request 2017-2018  
RCR 5-1 through 5-41  
Correction to Valuation 361.345

We request that the Washoe County Board of Equalization make the following changes in valuation for the properties on the attached spreadsheet.

For the 2017/2018 tax year, parcels in the "IGDH and IGWW" neighborhoods were appraised using the sales comparison method with sales that took place prior to July 1, 2016.

On October 14, 2016 "The Little Valley Fire" occurred within west Washoe Valley with severe effects on many parcels within these neighborhoods. The Washoe County Assessor's Office reviewed the base lot values within this area and made a reduction to the land values based on the severity and impact of the fire that occurred on numerous parcels prior to January 1, 2017.

The Washoe County Assessor's Office received four appeals regarding their land values, which after analysis of the loss in value due to tree loss and other factors caused the further recommendation to the land value.

For a summary of all the properties affected by this recommendation, please see RCR 5-1 through 5-41 attached hereto.
