Washoe County Assessor
Michele Jachimowicz
P.O. Box 11130
Reno, NV 89520

Dear Michele:

We respectfully submit our Petition for Review of Taxable Valuation for the Year 2017/18. Please forward it to the Washoe County Board of Equalization for review as appropriate.

We believe this property qualified for property tax exemption during the 2017/18 tax year as the parcel is/was being used in its entirety for charitable purposes. We operate the Catholic Charities & The St. Vincent's Programs Thrift Store from this location. The revenue from the Thrift Store funds the operation of our St. Vincent's Dining Room that has been providing a hot, nutritious, free meal six days a week including Thanksgiving and Christmas since 1941. Last year we served over 156,300 meals to homeless and hungry men, women and children, including many veterans and working poor. For many recipients, this is their only real meal of the day. We do not charge anyone for any meal we serve or for any service we provide. Every dollar made at the Thrift Store is invested in important community charitable programs and resources provided by Catholic Charities. CCNN is a tax-exempt, 501(c)(3) non-profit organization as recognized by the IRS. I have included our group tax exemption letter with this correspondence.

We believe this demonstrates sufficient cause for exemption from property tax on this parcel, and we look forward to learning of your determination. Please let me know if you need further information.

Sincerely,

Carri Ouellette

Dear Sir/Madam:

This responds to your June 2, 2017, request for information regarding the status of your **group tax exemption**.

Our records indicate that you were issued a determination letter in March 1946, that you are currently exempt from federal income tax under section 501(c)(3) of the Internal Revenue Code, and are not a private foundation within the meaning of section 509(a) of the Code because you are described in sections 509(a)(1) and 170(b)(1)(A)(i).

With your request, you provided a copy of the *Official Catholic Directory for 2017*, which includes the names and addresses of the agencies and instrumentalities and the educational, charitable, and religious institutions operated by the Roman Catholic Church in the United States, its territories, and possessions that are subordinate organizations under your group tax exemption. Your request indicated that each subordinate organization is a non-profit organization, that no part of the net earnings thereof inures to the benefit of any individual, and that no substantial part of their activities is for promotion of legislation. You have further represented that none of your subordinate organizations is a private foundation under section 509(a), although all subordinates do not all share the same sub-classification under section 509(a). Based on your representations, the subordinate organizations in the *Official Catholic Directory for 2017* are recognized as exempt under section 501(c)(3) of the Code under GEN 0928.

Donors may deduct contributions to you and your subordinate organizations as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to them or for their use are deductible for federal estate and gifts tax purposes if they meet the applicable provisions of section 2055, 2106, and 2522 of the Code.

Subordinate organizations under a group exemption do not receive individual exemption letters. Most subordinate organizations are not separately listed in Publication 78 or the EO Business Master File. Donors may verify that a subordinate organization is included

Petitioners Exhibit A

in your group exemption by consulting the *Official Catholic Directory*, the official subordinate listing approved by you, or by contacting you directly. IRS does not verify the inclusion of subordinate organizations under your group exemption. See IRS Publication 4573, *Group Exemption*, for additional information about group exemptions.

Each subordinate organization covered in a group exemption should have its own EIN. Each subordinate organization must use its own EIN, not the EIN of the central organization, in all filings with IRS.

If you have any questions, please call us at the telephone number shown in the heading of this letter.

Sincerely,

A handwritten signature in cursive script that reads "Stephen A. Martin".
