Establishing the Record During the Hearing

Establishing the Record For Findings of Fact, Conclusions of Law

Quick Reference Guide

Identification of Parties

- 1. Who is appearing on behalf of the Petitioner?
- 2. Who is appearing on behalf of the Respondent?
- 3. If no one is appearing, what is in the written record to show the proceeding can go forward?

These types of questions are addressed to the parties and/or to your DA or staff.

Authority of Board

- 1. Does the Board have jurisdiction to hear the case?
 - Mandated by which NRS? (What is this case about and how is the Board entitled to decide it?)
 - b. Was the appeal filed timely?
- 2. Why does the County Board have authority to determine taxable values?

These types of questions are addressed to the parties and/or to your DA or County Clerk.

Due Process: Notification

- 1. Were the parties given adequate, proper, and legal notice of the time and place of the hearing?
- Was the matter properly noticed pursuant to the NRS 241.020 and the regulations of the Board?
 These types of questions are addressed to your DA or County Clerk.

Scope of Review

Ask your DA for the appropriate standard for review. Here are a few examples:

- 1. Was there relevant evidence that supports a conclusion? What was that evidence? (If the value is "reasonable," state why it is reasonable.)
- 2. Was the record as a whole considered? ("I have considered the record as a whole and find..."
- 3. Was the evidence credible? ("I find this evidence to be credible because...")
- 4. Was there a preponderance of evidence to support the position taken? ("Although the respondent has provided some information, I find that petitioner's evidence is persuasive and shows...")

Valuation

These examples are NOT COMPREHENSIVE, but are illustrative only. Questions depend on the type and amount of evidence provided by the parties.

Sample questions for the Assessor; these may already be in the record submitted by the Assessor. If not, ask.

- 1. Describe the parcel. Include the parcel size, shape, zoning, location, land use, brief description of the improvements, and total taxable and assessed value.
- 2. Name the tax roll and the year under discussion (i.e., 2020-21 Secured Tax Roll; the prior year "reopened or supplemental" roll or the prior year 2019-20 Unsecured Tax Roll).
- 3. Was this parcel reappraised this year? If not, what land and improvement factors were applied?
- 4. Were the land and improvement factors approved by the Tax Commission?
- 5. How was the base-lot value or comparative unit value determined for the area in which the subject parcel lies? Provide the initial sales data that was used.
- 6. What are the principle characteristics of the neighborhood?
- 7. What adjustments, if any, were made to the base-lot value or comparative unit value to account for differences in the subject property from the base lot or comparative unit?
- 8. How was the amount of the adjustment determined?
- 9. NRS 361.260(7) states that an assessor cannot use sales to develop the initial land value after July 1 (of the previous year). Did the assessor comply with this requirement?
- 10. Were there any sales between July 1 of the prior year and January 1 of this year which show trends supporting the initial land value determined for subject parcel?
- 11. Was Marshall-Swift used to determine the improvement values?
- 12. What multipliers and modifiers (i.e., regional cost multiplier, climate, seismic, resort, hillside modifiers) in Marshall-Swift were used in valuing this property?
- 13. What is the quality class assigned to the building?
- 14. What is the occupancy code assigned to the building?
- 15. Did you consider the information supplied by the taxpayer?

Sample questions for the Taxpayer

- 1. Are you appealing the land value, the improvement value, or both?
- 2. What sales do you have that would show the taxable value of the land exceeds full cash value?
- 3. What evidence do you have that the Marshall-Swift Costing manual was inappropriately used?
- 4. Why do you disagree with the value established by the Assessor?
- 5. The comparable sales used by the Assessor have certain characteristics. Explain in detail why these sales are not comparable, and why the sales you have are more comparable.

Other Examples of Typical Questions

These examples are NOT COMPREHENSIVE, but are illustrative only. Questions depend on the type and amount of evidence provided by the parties.

1. Exemptions / Deductions / Deferments

Has the Petitioner clearly demonstrated a right to an exemption or deduction?

For instance: Agricultural Use

"The statutes and NACs require that the real property be used as a business venture for profit, and must produce a gross income of \$5,000 in the last year. On page 10 of the record, there is Exhibit 2 which is Schedule F for the IRS. The schedule shows \$5,000 was reported last year. I find this evidence to be credible and sufficient to show agricultural use."

2. How was taxable value established?

What steps did the county assessor go through to arrive at taxable value?

"NRS 361.227 requires that depreciation be subtracted from replacement cost new at the rate of 1.5% per year. Please show me where replacement cost was calculated and how depreciation was applied."

3. How was fair market value established?

"The property is an income-producing property. NRS provides for an income approach to be used to estimate fair market value. Please show me how the income stream and cap rate were developed."

Dos and Don'ts in Making a Decision

- 1. Avoid statements that begin "It seems..." or "It appears..."
- 2. State the fact and the evidence which supports the fact.

"Taxable value was incorrectly calculated because the Assessor used the wrong square footage. Although the cost per square foot is correct as shown on page 10, the cost was applied to an incorrect amount. The house is actually 1,200 square feet according to the record at page 23, but the Assessor used 1,500 square feet."

3. If possible, make reference to the statute or court decision, or ask your DA or staff to include the reference in the written decision.

Hearing Procedures County Boards of Equalization

- 1. Identify date, docket number, and title of appeal or case.
- 2. Summarize appeal and nature of case.
- 3. Identify Board members, staff; request appearances of parties.

Ask attorney or person represented to identify themselves.

- o Name
- o Business address (or ask if address is on attendee sheet)
- o Party he or she represents
- 4. Specify transcription procedures.
- 5. Request all witnesses who will testify to stand and raise their right hand; the oath is administered by Board attorney:

"Do each of you swear or affirm the testimony you will give in this matter will be the truth, the whole truth and nothing but the truth under penalty of perjury?"

Note for the record that all witnesses have answered in the affirmative, and remind counsel that it is their obligation to ensure each witness has been properly sworn, and reminded of their oath prior to testifying.

- 6. Motions or preliminary matters for consideration.
- 7. Confidentiality issues exhibits or testimony.
- 8. Opening statements at discretion of Board petitioner followed by respondent.
- 9. Petitioner or his/her representative may proceed with his or her evidence and testimony.
- 10. Respondent or his/her representative may proceed with his or her evidence and testimony.
- 11. Petitioner or his/her representative present rebuttal evidence.
- 12. Within reason, and at the discretion of the Board, the Respondent presents sur-rebuttal evidence.
- 13. Confirm exhibits presented and admitted/denied.
- 14. Close evidentiary presentation.
- 15. Petitioner closing argument.
- 16. Respondent closing argument.
- 17. At Board's discretion, allow parties to submit briefs and proposed findings of fact and conclusions of law.
- 18. At its discretion, the Board may:
 - a. entertain motions to resolve the case, or
 - b. take case under advisement
- 19. Adjourn.

Preparing the Record

Preparing and maintaining the record of the appeal is an extremely important function of the County Board. The County Assessor must submit a summary of appraisal data, which includes the method used to value property, comparable sales information, and maps. See NAC 361.628 below. The County Clerk prepares and maintains the record. See NAC 361.638 below. When a decision of the County Board is appealed to the State Board of Equalization, the record of the appeal must be sent to the State Board. See NAC 361.645 below.

- **NAC 361.628 Summary of appraisal data.** (NRS 361.340) Each county assessor shall prepare and submit to the county board of equalization a summary of appraisal data for each property which is the subject of a complaint alleging that taxable value is in excess of full cash value. The summary must:
- 1. Include the method used to value the property and the sales price of comparable property which supports the valuation; and
- 2. Be accompanied by a map of the area showing the location of the property and all comparable property.
- [St. Bd. of Equalization, Reg. No. 2 § 7, eff. 12-2-75; A and renumbered as Reg. No. 2 § 8, 1-1-77; renumbered as Reg. No. 1 § 8, 10-14-77]—(NAC A 1-6-84)

NAC 361.638 Exhibits; minutes; petition forms. (NRS 361.340, 361.365) Each county clerk shall:

- 1. Mark, record and file all exhibits submitted to the county board of equalization. A list of exhibits must be included on each petition at the place designated therefor.
- 2. Prepare complete minutes of each hearing, including any action taken by the board and the specific reasons for that action.
- 3. Complete each petition form to reflect the action taken by the board and the specific reasons for that action.
- 4. Submit petitions, exhibits, minutes, certificates of mailing and other material deemed pertinent by the county board of equalization to the Secretary of the State Board of Equalization no later than the fourth Monday in February.
- [St. Bd. of Equalization, Reg. No. 3 §§ 5-7 & 9, eff. 12-29-75; A and renumbered as Reg. No. 3 §§ 4-6 & 8, 1-1-77; renumbered as Reg. No. 2 §§ 4-6 & 8, 10-14-77]—(NAC A 1-6-84)

REVISER'S NOTE.

NRS 361.340, on which the date in subsection 4 depends, was amended twice in that respect between 1977 and the time when NAC 361.638 was originally codified: See Stats. 1979 at page 1 and Stats. 1981 at page 795. The date in subsection 4 was changed by the reviser to accommodate the later of these amendments and NRS 361.380.

NAC 361.645 Appeal of decision to State Board of Equalization: Record of proceedings before county board. (NRS 361.340)

- (a) Prepare a record of the proceedings before the county board in the decision on appeal, including a general index in a format prescribed by the State Board of Equalization. The index must clearly identify each exhibit, paper, report or other documentary, audio or video evidence included in the record.
- (b) Certify the record as complete except as shortened pursuant to subsection 3.
- (c) Transmit the certified record to the State Board of Equalization.
- (d) Serve a copy of the general index on each party to the appeal.
- 2. If a petitioner has delivered a certified transcript of the hearing before the county board to the county clerk pursuant to NRS 361.365, the clerk shall include a copy of the transcript in the record. The transcript delivered to the clerk must be prepared by a certified court reporter.
- 3. Except as otherwise provided in this subsection, the record submitted to the State Board of Equalization must be complete. The record may be shortened:

- (b) By the omission of duplicate copies of any exhibit, paper, report or other documentary evidence submitted at the hearing before the county board. The clerk shall include original documents rather than copies of all documentary evidence, if possible.

Appealing to the County Board of Equalization

Appealing to the County Board of Equalization

- ❖ All counties are requested to use the approved State Board of Equalization appeal form, Petition for Review of Taxable Valuation to the County Board of Equalization. No adjustments may be made to the approved size (8 ½" x 11").
- Included are templates for your use with regard to instructions about how to fill out the form, information about the appeal process, and an agent authorization form template.
- ❖ The use of the templates is not required but is simply made available to you to use or not use as you see fit. You may modify them to fit your needs.

The State Board of Equalization forms were updated on October 30, 2019. The form for county boards is located in these Guidelines at pages 28-29.

How to Petition for a Review of Your Property Taxes: County Board of Equalization

Talk with the Assessor

There are several reasons why you may want to petition for a review of your property taxes. Whatever the reason, the first step is to contact your county assessor. Be prepared before you call or go to the Assessor's office: Have your "APN" – the Assessor's Parcel Number or the parcel identifier number if the property is personal property, readily available. The "APN" or the parcel identifier number can be found on your Notice of Assessment or tax bill.

There are three government organizations which hear property tax appeals, depending on the issue and type of property.

The County Board of Equalization hears appeals about the value of property established by the county assessor; whether property should be exempt from taxation; and whether certain property is appropriately designated as agricultural or openspace land.

The **State Board of Equalization** hears appeals from the decisions of the county boards of equalization. It also hears direct appeals on the value of utility property assessed by the Department of Taxation; value of mining property established by the Department of Taxation and appeals of locally assessed property under certain conditions, such as when new property is placed on the tax roll after the close of the County Board of Equalization session.

The **Nevada Tax Commission** hears appeals about property taxes (not assessed value), including appeals about tax abatements and waivers of penalties and interest. The Commission does not hear appeals about the value of property.

Be prepared to discuss questions your and with points the assessor. Ask the assessor or his staff to discuss how the value was estimated. You may request a copy of the property record card to see if the property is correctly listed. You may also request a copy of the current market evidence which supports the valuation adjustments made to your property and a comprehensive written analysis describing the adjustments. NAC361.1182(3)(b) and (c). Provide the assessor with a copy of any information which supports your request for a change in value.

The County Board of Equalization hears most appeals on issues of valuation. Depending on the type of property or the issue, however, both the State Board of Equalization and the Nevada Tax Commission also hear appeals. Make sure you understand which forum is the correct forum to hear your appeal. *See Figure 1*.

Steps in a County Board of Equalization Appeal

If you still believe a review by the County Board of Equalization is necessary after you have discussed the matter with the assessor, reviewed the assessor's information and after any factual errors have been corrected, you may initiate the appeal process as follows:

- **1.** Obtain a copy of the County Board appeal petition form from your county assessor. *NRS* 361.357(2).
- **2. Fill out the correct petition form.** The County Board of Equalization, the State Board of Equalization, and the Nevada Tax Commission each has a petition form. Make sure you have obtained the correct form for the type of appeal you are making.
- 3. Turn in the completed County Board petition form to the county assessor by the due date. After the petition is received, the County Board Clerk will notify you of the time and place scheduled for your hearing.

Due Date for Filing County Board Appeals January 15

Or the first business day following January 15 if it falls on a Saturday, Sunday or holiday

- 4. Provide any evidence to the County Board ahead of your scheduled hearing date so the members can read and study your information. You may also present evidence to the County Board during the scheduled hearing.
- **5.** Show up to the scheduled hearing! The County Board may have questions about your appeal or your evidence.

The taxpayer has the burden to show why the property valuation should be changed; exempted from taxation; or the agricultural or open-space use designation changed.

Filling out the County Board Appeal Petition Form

- Step 1. Provide your name and contact information. If you have an agent or an attorney, also provide that person's name and contact information. See Box.
- Step 2. List information about your property.
 - A. Check the box for the tax year and the type of tax roll on which your property is listed. Choose only one box from: (1) the current year "secured roll;" (2) the prior year "reopened or supplemental" roll; or (3) the prior year "unsecured roll." The Notice of Assessment or your tax bill will indicate the tax year and type of tax roll on which your property is listed. Check only one box.
 - B. List the APN or parcel identifier number assigned by the assessor to your property. This information can be found on the Notice of Assessment or your tax bill.
 - C. List the County in which your property is located.
 - D. If the appeal involves more than one parcel, check the box. If the multiple parcels should be treated as a single unit, describe how many parcels are part of the unit and then list all the APNs or parcel identifier numbers on a separate sheet of paper. If the multiple parcels do not act as a single unit, then fill out a separate appeal form for each one.
 - E. List the physical address of the property.
 - F. If the information is available, list the purchase price of the property and the date when it was purchased.

- *Step 3.* Provide details about the appeal.
 - 1. Provide your opinion of value for the land, improvements, and personal property. Add up the three components for the total property value. If you are only appealing a part of the value but not all, write your opinion of value on the appropriate line. For any property you are not appealing, write "N/A" on the appropriate line. For instance, if you are appealing the value of the land but not the value of the buildings, write your estimate of value on the line for "land" and put "N/A" on the line for buildings.
 - 2. Describe the reasons for your appeal or request for review on the lines provided. If you need more room, attach a separate sheet of paper, and write on the lines provided "see attached sheet."
 - 3. If you are providing additional information like photographs or an appraisal, check the appropriate box.
- Step 4. Go to page 2. Check the most appropriate box which describes the type of appeal or review you are requesting. If you want to look up the statutory citation that is listed on the appeal form, go to: http://leg.state.nv.us and then select "Law Library" then "Nevada Revised Statutes" or "Administrative Code." Search the Table of Contents for the statute or regulation you need.
- Step 5. Sign and date the petition. If you are being represented by an agent or attorney, that person must also sign and date the petition. Check the box if you have attached the agent authorization form.

Agent Authorization

If you appoint someone to represent you, you must provide written authorization to the County Board of Equalization indicating the representative is authorized to file the appeal on your behalf and to represent you during the hearing. The written authorization must be received no later than 48 hours after the last day allowed for filing the appeal. *NRS 361.362*.

Guidelines for Writing Decision Letters

EXAMPLE OF INSUFFICIENT EVIDENCE TO OVERTURN VALUE OF ASSESSOR

In the Matter of)
Smith Trust) Case No. 1234
Parcel No. 18-602-007	Ì

NOTICE OF DECISION

Appearances

Deputy appeared on behalf of the Sagebrush County Assessor's Office (Assessor).

Mr. Smith (Taxpayer) appeared on behalf of himself.

Summary

The matter of the Taxpayer's petition for review of property valuations within Sagebrush County, Nevada, came before the County Board of Equalization (County Board) for hearing in Sagebrush City, Nevada, on February 10, 2020, after due notice to the Taxpayer and the Assessor.

Taxpayer objects to the increase in the property tax as it is unjustified by the activity in the area; and asserts the value of the property is negatively impacted by its location in the flight path of Air Force Base. The Assessor responds the comparable sales are similarly situated to the subject and are similarly impacted by their location to Air Force Base.

The County Board, having considered all evidence, documents and testimony pertaining to the valuation of the property in accordance with NRS 361.227, hereby makes the following Findings of Fact, Conclusions of Law and Decision.

FINDINGS OF FACT

- 1) The County Board of Equalization is an administrative body created pursuant to NRS 361.340.
- 2) The County Board is mandated to hear all appeals of property tax assessments pursuant to NRS 361.345.
- 3) The Taxpayer and the Assessor were given adequate, proper and legal notice of the time and place of the hearing before the State Board of Equalization, and the matter was properly noticed pursuant to the Open Meeting Law, at NRS 241.020.
- 4) The Taxpayer did not present sufficient evidence to support a value different from that established by the County Board of Equalization.
- The evidence presented by the Assessor indicates that the taxable value of the Subject Property does not exceed full cash value. The comparable sales used by the Assessor are within close proximity to the Subject Property and range in adjusted value from \$2.47 per square foot to \$3.29 per square foot. Comparing these adjusted values with that of the valuation of the Subject Property at \$2.25 per square foot, the Assessor's valuation is less than that of the comparables. A more recent sale of \$2.07 also supports the Assessor's valuation,

even though it is less than the subject. The recent sale of \$2.07 per square foot must be adjusted for location on a secondary street, unlike the subject property which is located on a commercial arterial street.

- 6) The assessed value as previously determined is 35% of taxable value.
- 7) Any finding of fact above construed to constitute a conclusion of law is adopted as such to the same extent as if originally so denominated.

CONCLUSIONS OF LAW

- 1) The Taxpayer timely filed a notice of appeal, and the County Board has jurisdiction to determine this matter.
- 2) The Taxpayer and the Assessor are subject to the jurisdiction of the County Board of Equalization.
- 3) The County Board has the authority to determine the taxable values in this county.
- 4) The subject property is appraised at the proper taxable value in accordance with NRS 361.227.
- 5) Any conclusion of law above construed to constitute a finding of fact is adopted as such to the same extent as if originally so denominated.

DECISION

The Petition of the Taxpayer is denied based on the above Findings of Fact and Conclusions of Law. The Sagebrush County Comptroller is instructed to certify the assessment roll of the county consistent with this decision.

EXAMPLE OF SUFFICIENT EVIDENCE TO OVERTURN ASSESSOR

In the Matter of)
Mr. Smith) Case No. 1234
Parcel No. 210-010)

NOTICE OF DECISION

Appearances

Mr. Jones, Sagebrush County Assessor, and Deputy appeared on behalf of the Sagebrush County Assessor's Office (Assessor).

Mr. Smith appeared on behalf of Mr. and Mrs. Smith (Taxpayers).

Summary

Taxpayers appeal the decision of the Sagebrush County Assessor. The matter of the Taxpayer's petition for review of property valuations within Sagebrush County, Nevada, came before the County Board of Equalization (County Board) for hearing in Carson City, Nevada, on February 6, 2020, after due notice to the Taxpayer and the Assessor.

The property consists of 7 acres in an industrial park developed by the city of Jack Rabbit. The current use is as a storage yard. The property was transferred to the Taxpayer in a trade of property with the City of Jack Rabbit. Power, telephone, water and sewer are available to the property but the property is not tied into these services yet. The County Board found the lack of paved road and topography of the parcel impacted the value, and reduced the per acre value from \$14,000 per acre to \$10,000 per acre. The taxable and assessed values established by the County Board are as follows:

2019-2020 SECURED ROLL VALUE:

	Taxable Value		Assessed Value		
Parcel Number 210-010	Established by County Assessor		Established by County Assessor		
Land	\$100,800		\$35,280		
Improvements	\$5,710		\$2,000		
Personal Property	\$0		\$0		
Total	\$106,510		\$37,280		

The County Board, having considered all evidence, documents and testimony pertaining to the valuation of the property in accordance with NRS 361.227, hereby makes the following Findings of Fact, Conclusions of Law and Decision.

FINDINGS OF FACT

- 1) The County Board is an administrative body created pursuant to NRS 361.340.
- 2) The County Board is mandated to hear all appeals of property tax assessments pursuant to NRS 361.345.
- 3) The Taxpayer and the Assessor were given adequate, proper and legal notice of the time and place of the hearing before the County Board of Equalization, and the matter was properly noticed pursuant to the Open Meeting Law, at NRS 241.020.

- 4) The Taxpayer presented sufficient evidence to support a value different from that established by the County Assessor.
- The evidence presented by the Taxpayer indicates the taxable value of the Subject Property does exceed full cash value. Based on the value of the original trade of property between the Taxpayer and the City of Jack Rabbit at \$7,500 per acre and the fact the Assessor included the value of infrastructure not yet actually in place, the State Board determined the taxable value should be reduced to \$52,500 for the land and not change the taxable value of the improvements.
- 6) The assessed value as adjusted by the County Board of Equalization is 35 percent of taxable value.
- 7) Any finding of fact above construed to constitute a conclusion of law is adopted as such to the same extent as if originally so denominated.

CONCLUSIONS OF LAW

- 1) The Taxpayer timely filed a notice of appeal, and the County Board has jurisdiction to determine this matter.
- 2) The Taxpayer and the Assessor are subject to the jurisdiction of the County Board.
- 3) The County Board has the authority to determine the taxable values in Sagebrush County.
- 4) The valuation as adjusted by the County Board results in the proper taxable value in accordance with NRS 361.227.
- 5) Any conclusion of law above construed to constitute a finding of fact is adopted as such to the same extent as if originally so denominated.

DECISION

The Petition of the Taxpayer is granted based on the above Findings of Fact and Conclusions of Law. The Sagebrush County Treasurer is instructed to correct the assessment roll by adjusting the assessed valuation of the subject property as follows:

2019-2020 SECURED ROLL VALUE:

	Taxable	e Value	Assessed Value

EXAMPLE OF AGRICULTURAL DESIGNATION; FINDING OF USE EXAMPLE OF SUFFICIENT EVIDENCE TO OVERTURN ASSESSOR

In the Matter of)
Farmer and Rancher Trust) Case No. 1234
Parcel No. 162-01)

NOTICE OF DECISION

Appearances

Tax representatives and witnesses appeared on behalf of Farmer & Rancher Trust (Taxpayer).

Deputies appeared on behalf of Sagebrush County Assessor's Office (Assessor).

Summary

The matter of the Taxpayer's petition for review of property valuations within Sagebrush County, Nevada, came before the County Board of Equalization (State Board) for hearing in Sagebrush City, Nevada, on February 23, 2020, after due notice to the Taxpayer and the Assessor.

The Taxpayer appealed the determination of the Assessor that the subject property had been converted from an agricultural use thus causing deferred taxes to be billed. The Assessor contended that under NRS 361A.031, the owner's request to be annexed into the City of Sagebrush constituted a conversion to a higher use because the annexation caused a rezoning to a higher density. Taxpayer asserted the property remains a working ranch and is entitled to the agricultural use designation. Taxpayer further asserted annexation is not a change in zoning but only a change in jurisdiction.

The County Board, having considered all evidence, documents and testimony pertaining to the valuation of the property in accordance with NRS 361.227, hereby makes the following Findings of Fact, Conclusions of Law and Decision.

FINDINGS OF FACT

- 1) The County Board is an administrative body created pursuant to NRS 361.340.
- 2) The County Board is mandated to hear all appeals of property tax assessments pursuant to NRS 361A.273(2) and NRS 361.355.
- 3) The Taxpayer and the Assessor were given adequate, proper and legal notice of the time and place of the hearing before the County Board, and the matter was properly noticed pursuant to the Open Meeting Law, at NRS 241.020.
- 4) The Taxpayer presented sufficient evidence to support a finding of use different from that determined by the Assessor.

- 5) The County Board found two pieces of evidence were dispositive of whether the property had been converted from an agricultural use. A letter from the Assistant City Manager of Development Services to the Sagebrush City Council dated January 5, 2019, found at circle page 66 stated "There is no change in land use or density as a result of annexation." A letter from Person, Community Development director for the City of Sagebrush dated January 15, 2019, found at circle page 68 stated a translation "table was designed to create a transfer of property from the unincorporated County to a City without any increase in zoning entitlement."
- 7) The County Board found the request for annexation into the City of Sagebrush by the Taxpayer did not result in a conversion to a higher use and the subject property continues to be eligible for the agricultural use designation.
- 8) Any finding of fact above construed to constitute a conclusion of law is adopted as such to the same extent as if originally so denominated.

CONCLUSIONS OF LAW

- 1) The Taxpayer timely filed a notice of appeal, and the County Board has jurisdiction to determine this matter.
- 2) The Taxpayer and the Assessor are subject to the jurisdiction of the State Board.
- 3) The County Board has the authority to determine the taxable values in this county and to determine whether property has been converted to a higher use, pursuant to NRS 361A.273.
- 4) The subject property is properly designated as agricultural use property and deferred taxes are not due.
- 5) Any conclusion of law above construed to constitute a finding of fact is adopted as such to the same extent as if originally so denominated.

DECISION

The Petition of the Taxpayer is granted based on the above Findings of Fact and Conclusions of Law. The Sagebrush County Assessor is instructed to correct the assessment roll by calculating the taxable value based on agricultural use.

The Sagebrush County Comptroller is instructed to certify the assessment roll of the county consistent with this decision.

Steps in a State Board of Equalization Appeal Appeals from Decision of the County Board of Equalization

Parties to the Appeal

The State Board of Equalization (State Board) has received an appeal regarding the value of the property listed on the hearing notice to which this information sheet is attached. The parties to the appeal are the Taxpayer and the County Assessor listed on the hearing notice. The party who appealed is the petitioner and the other party is the respondent

What's in the record?

The State Board hears and determines appeals based upon the evidence and data which was first submitted to the County Board. No other evidence is allowed unless it is proven to the satisfaction of the State Board that it was

final adjournment. NRS 361.400(3).

You do not need to submit a copy of the record made at the County Board, because the State Board has already asked the County Clerk for all exhibits, papers, reports, other documentary evidence, and audio and video recordings of the County Board proceedings. If you discovered evidence that was not available in time to

You may review the record received from the County Board of Equalization hearing at any time in our offices. You may also request an electronic copy of the County Board record either by email or on CD. An electronic copy of the record will be provided to you about 5 days before the hearing.

Briefs – Written Explanations

Briefs, memorandum or other written explanation may be submitted to the State Board according to the briefing schedule in the attached hearing notice. If there is no briefing schedule and the parties desire to submit a brief, the briefs or written explanations must be filed as follows: Petitioner's brief is due 20 days before hearing; Response brief is due 10 days before hearing; Reply brief is due 3 days after response brief.

All documents must be received by the State Board in its offices no later than 5 p.m. of the due dates. To calculate due dates, use the **first day of hearings listed** in the hearing notice. You may fax your document to the State Board, at (775) 684-2020 or email to: stateboard@tax.state.nv.us

The petitioner is required to submit a copy of the Brief and Reply, if any, directly to the respondent no later than 5 p.m. of the due date and indicate such on the copy provided to the State Board. The Respondent is required to do the same.

Briefs, memorandum or other written explanation are not considered new evidence. However, a party "must not include in or attach to his brief, memorandum or other written explanation an exhibit, paper, report or other documentary evidence that is included in the record submitted to the State Board." Also, a party is not required to submit a brief. *NAC 361.703*.

What Happens at the Hearing?

A taxpayer may appear in person or by his authorized agent. A taxpayer is not required to appear but may rely on the record and any written explanation. If a party fails to appear, the State Board may proceed with the hearing. *NAC 361.708*. Make sure that the original notice of representation authorizing an agent to appear on your behalf has been sent to the State Board prior to the hearing. *NAC 361.7018*.

The petitioner has the burden of proof. The order and length of presentations will ordinarily be a brief orientation by the county assessor; then a presentation of not more than 15 minutes by the petitioner; a presentation of not more than 15 minutes by the respondent, followed by a rebuttal by the petitioner of not more than 5 minutes. *NAC* 361.741

After the Hearing

A party may obtain a copy of the transcript of the hearing from the court reporter provided by the State Board at the party's expense. *NAC 361.731*.

You may review the permanent regulations for practice and procedure before the State Board on the internet, beginning at http://leg.state.nv.us/NAC, then scroll to Chapter 361, beginning at 361.682.

You may expect to receive a copy of the written decision within 60 days after the hearing. *NAC 361.747*.

Presenting Evidence to the State Board of Equalization

Some Background First

The petitioner has the burden of proof. *NAC* 361.735(1) and *NAC* 361.741(1). "Burden of proof" means the petitioner has the duty to establish the truth of the claim he or she has made by a preponderance of the evidence.

"Proof" is the establishment of a fact by evidence. "Evidence" is proof presented through witnesses, documents, or real or demonstrative objects. Proof is the result or effect of evidence, while evidence is the medium or means by which a fact is proved or disproved.

Evidence is different than "argument." "Argument" is the effort to establish belief by a course of reasoning. "Argument" is presented either verbally or in a brief letter or memo in which the petitioner shows the reasoning or logic of the position taken. The "argument" references "evidence" to support the position taken.

The job of the State Board is to determine whether the burden of proof has been met. The State Board considers the amount of evidence necessary for a party to prevail, using a standard called "preponderance of the evidence." "Preponderance of the evidence" means evidence that enables the State Board to determine that the existence of the contested fact is more probable than the nonexistence of the contested fact. See NRS 233B.0375.

The "preponderance" standard is the least difficult to meet when compared to other standards of evidence such as the "clear and convincing" evidence standard or "beyond a reasonable doubt" evidence standard. The petitioner's job is to produce a sufficient amount of evidence on an issue that the State Board can reasonably rely upon to prove the truth of the claim.

The State Board considers the documentary evidence in the record as well as the testimony of the parties in the appeal, and determines what evidence and testimony is relevant to the case. "Relevant evidence" is evidence that has a logical tendency to prove what it is supposed to prove. The State Board gives "weight" to the evidence, which means the Board members consider the relative credibility of the evidence and whether it supports the party's position.

The State Board may also consider evidence outside the record. It may take official notice of rules, regulations, official reports, decisions and orders of the Nevada Tax Commission, the State Board or any agency of the State; matters of common knowledge and technical or scientific facts of established character; official documents under certain circumstances; and matters judicially noticed by the courts of the State. See NAC 361.720. Stipulated agreements fall into this category.

Rules about Presenting Evidence

Evidence that may be presented to the State Board depends in large part on whether the appeal is from the decision of the county board of equalization (County Board) or a direct appeal. The type of appeal affects whether new evidence may be admitted and the timeframe in which it must be submitted for consideration.

New Evidence

Appeals from County Board Decisions

If the appeal is from the decision of the County Board, then the State Board generally can only consider the evidence that was first presented to the County Board. The only exception to that rule is if there is discovered new evidence pertaining to the matter which could not, by due diligence, have been discovered before the final adjournment of the County Board. *NRS* 361.360(2). A new summary or an extract

prepared from evidence that was submitted to a County Board in the first instance, however, is not considered to be new evidence. *NAC* 361.739.

For example, let's say a hearing was scheduled before the County Board on January 30th. The Petitioner presents evidence of five comparable sales to the County Board. Nevertheless, the County Board upholds the Assessor's estimate of taxable value. The Petitioner then appeals the County Board's decision to the State Board. During the hearing before the State Board, the Petitioner offers evidence of two more sales that occurred prior to the hearing before the County Board. The State Board may not accept the new evidence of two more sales into the record, unless the Petitioner shows that the evidence was not available to be discovered prior to the County Board hearing, and that the Petitioner had diligently tried to find such evidence.

Let's say also that the Petitioner submits during the hearing before the State Board, a summary of information about the five sales previously presented to the County Board. The summary is not considered to be new evidence and may be admitted to the record.

Direct Appeals

The rules for new evidence in a direct appeal are a little different. In general, any relevant evidence may be admitted, "if it is of a type commonly relied upon by reasonable and prudent persons in the conduct of their affairs, regardless of whether the evidence is subject to objection in civil actions." Hearsay evidence may be admitted to supplement or explain other evidence, but it is not sufficient by itself to support findings of fact. Irrelevant, cumulative and unduly repetitious evidence is not admissible, nor is incompetent evidence. See NAC 361.737.

"Incompetent evidence" is evidence which is not permitted to be presented at all because of some defect in the witness, the document, or the nature of the evidence itself. For example, if the testimony is not given under oath or if the document has nothing to do with the issue under appeal, the testimony or document might be considered irrelevant or immaterial and therefore not permitted to be presented.

If the State Board sustains an objection to the admission of certain evidence from the other party, then the party offering the evidence may make an offer of proof for the record. An offer of proof must consist of a statement of the substance of the evidence to which objection has been sustained. An offer of proof must be included in the record.

In a direct appeal, the parties may offer rebuttal evidence. *NAC 361.733*. In general, rebuttal evidence will tend to disprove those points first presented during the hearing by the opposing party.

Timeframe for Submission of Evidence

Appeals from County Board Decisions

New evidence must be submitted in writing to the State Board and served upon all parties of record not less than seven (7) business days before the hearing. NRS 361.360(2); NAC 361.739(1)(b). If the new evidence was not served to the other parties or was submitted to the State Board and the other parties only six or fewer business days before the hearing, the State Board may decide to not admit the new evidence, even if it otherwise met the due diligence rule.

For example, let's say a hearing before the State Board is scheduled on June 15^{th,} a Friday. Petitioner sends the State Board new evidence about comparable sales on June 6th, seven business days before the hearing, but does not send a copy of the new evidence to the other party. At the hearing, the Petitioner asks the State Board to admit the new evidence after showing that it could not have been discovered

prior to the County Board hearing. Then the State Board asks the other party if they have seen the evidence and whether there are any objections. The other party says "we have not seen this evidence prior to today and it comes as a complete surprise to us. We object to its admission." The State Board may deny admission of the new evidence because the deadline for submission to the other parties was missed, even though it may have been timely filed at the offices of the State Board. Similarly, if the new evidence had been submitted on June 10th, only five days before the hearing, the State Board could conclude that the deadline for submission was missed and not admit the new evidence.

Direct Appeals

When a petition is filed, the evidence upon which the petition is based and which supports the claims in the petition must be filed at the same time as the petition. The deadline for submission of evidence is not associated with a hearing date but rather with the deadline for submitting a petition. *NAC 361.7012(4)(b)*.

If new issues, contentions and evidence are discovered which could not by due diligence have been discovered and presented in the petition, then the new issues, contentions, and evidence must be submitted in writing to the State Board and each party not less than 15 days before the appeal. *NAC 361.745(3)*. In addition, a copy of each exhibit, paper or other documentary evidence that the party expects to introduce at the hearing must be provided to all other parties not later than 10 days before the hearing. *NAC 361.737(10)(b)*. In this case, "day" means a calendar day. *NAC 361.684(7)*.

Like appeals from the decision of a County Board, the State Board may decide to not admit evidence that does not comply with these regulations.

(Department) listed on the hearing notice. The party who appealed is the petitioner and the other party is the respondent.

Notice of Appearance

If you have received a "Notice of Appearance" rather than a "Notice of Hearing," it means the Secretary to the State Board has recommended to the State Board that the appeal be dismissed.

The State Board may not have jurisdiction to hear an appeal if it should have first been heard by the County Board (NRS 361.400); if the petition was filed late to the State Board (NRS 361.360); or the County Board did not accept jurisdiction (NRS 361.356, 361.357). The Secretary to the State Board examined the filed appeal form and found that it appears the State Board lacks jurisdiction to hear the appeal. The appeal has been placed on the State Board's consent agenda to approve the Secretary's recommendation.

The parties may challenge the Secretary's recommendation to dismiss the appeal. The State Board will give the parties an opportunity to explain why the appeal should or should not be heard; and then it will either determine whether it has jurisdiction to hear the appeal or whether the County Board's decision to not accept jurisdiction should be upheld.

The petitioner should provide in writing the reason why the appeal was either (1) not first heard at the county board, or (2) filed late to the State Board or to the County Board, as applicable. The petitioner should include the reasons why the State Board should take jurisdiction in this matter, and any proof of extenuating circumstances, such as, but not limited to, proof of hospital stays or accidents which prevented attendance at the County Board hearing or timely filing of the appeal.

The typical standards the State Board uses to determine

whether it has jurisdiction to hear a late-filed appeal or an appeal that was not first heard by the county are:

- (1) Did the Taxpayer show under what authority the State Board could hear the appeal?
- (2) Did the Taxpayer show substantial circumstances beyond the control of the Taxpayer as to why the appeal was filed beyond the deadline for appeal before the State Board or to the County Board?

The respondent may also file a statement why the appeal should not be heard by the State Board.

At the hearing, the State Board may ask the parties questions on whether the State Board should or should not take jurisdiction.

If Jurisdiction to Hear the Appeal is Accepted, then what happens?

If the State Board accepts jurisdiction to hear the appeal, then the case can proceed normally. The parties must be prepared to proceed immediately and may each make an additional presentation on the merits of the case.

If the appeal was first heard by the County Board, then the State Board has already requested the record of the appeal in front of the County Board. If the case was not heard at the County Board, the parties must provide any supporting documentation they wish to be considered by the Board. The parties may also submit a brief or any explanation in writing. See the discussion below about what is allowed in the record.

What is allowed in the record?

1)	Petition based on <u>Over Valuation</u> (NRS 361.355) – overvalued or excessive by reason of undervaluation of other property (the alleged undervalued property must be located in Washoe County).
	This Petition for Parcel No was brought pursuant to NRS 361.355. Based on the evidence presented by the Assessor's Office and the Petitioner, I move to UPHOLD the Assessor's appraisal of the subject property and find that the Petitioner has failed to meet his/her burden to show that the land and improvements are overvalued or excessive by reason of undervaluation for taxation purposes of the property of any other person, firm, company, association or corporation within any county of the State or by reason of any such property not being so assessed. With that, I find that the land and improvements are valued correctly and the total taxable value does not exceed full cash value.
2)	Petition based on <u>Inequity</u> (NRS 361.356) – valued higher than another property whose use is identical and whose location is comparable
	This Petition for Parcel No was brought pursuant to NRS 361.356. Based on the evidence presented by the Assessor's Office and the Petitioner, I move to UPHOLD the Assessor's appraisal of the subject property and find that the Petitioner has failed to meet his/her burden to show that the land and improvements are valued higher than another property whose use is identical and whose location is comparable. With that, I find that the land and improvements are valued correctly and the total taxable value does not exceed full cash value.
3)	Petition based on Full Cash Value Less than Taxable Value (NRS 361.357)
	This Petition for Parcel No was brought pursuant to NRS 361.357. Based on the evidence presented by the Assessor's Office and the Petitioner, I move to UPHOLD the Assessor's appraisal of the subject property and find that the Petitioner has failed to meet his/her burden to show that the full cash value of the property is less than the taxable value computed for the property in the current assessment year. With that, I find that the land and improvements are valued correctly and the total taxable value does not exceed

full cash value.
