Establishing the Record For Findings of Fact, Conclusions of Law

Quick Reference Guide

Identification of Parties

1. Who is appearing on behalf of the Petitioner?
2. Who is appearing on behalf of the Respondent?
3. If no one is appearing, what is in the written record to show the proceeding can go forward?

These types of questions are addressed to the parties and/or to your AG or staff.

Authority of Board

1. Does the Board have jurisdiction to hear the case?
 - a. Mandated by which NRS? (What is this case about and how is the Board entitled to decide it?)
 - b. Was the appeal filed timely?
2. Why does the State Board have authority to determine taxable values?

These types of questions are addressed to the parties and/or to your AG or staff.

Due Process: Notification

1. Were the parties given adequate, proper, and legal notice of the time and place of the hearing?
2. Was the matter properly noticed pursuant to the NRS 241.020 and the regulations of the Board?

These types of questions are addressed to your AG or staff.

Scope of Review – Appeals from County Boards

Ask your AG for the appropriate standard for review. Here are a few examples:

1. Was there relevant evidence that supports a conclusion? What was that evidence?
2. Was the record as a whole considered? (“I have considered the record as a whole and find. (Itemize)”)
3. Was the evidence credible? (“I find this evidence to be credible because. . .”)
4. Who is required to establish value? (Important when the Department is involved).

5. Did the County Board make a finding that was clearly erroneous?
6. Did the County Board make a finding that was arbitrary, capricious or an abuse of discretion?
7. Did the County Board make a finding that is in violation of the constitutional or statutory provisions?

Scope of Review – for Direct Appeals

Ask your AG for the appropriate standard for review. Here are a few examples:

1. Was there relevant evidence that supports a conclusion? What was that evidence? (If the value is “reasonable,” state why it is reasonable.)
2. Was the record as a whole considered? (“I have considered the record as a whole and find. . . .”)
3. Was the evidence credible? (“I find this evidence to be credible because. . .”)
4. Was there a preponderance of evidence? (“Although the respondent has provided some information, I find that petitioner’s evidence is persuasive and shows”)
5. Who is required to establish value? (Important when the Department/Commission is involved). What are the steps necessary to certify value?

Do’s and Don’t’s in making a decision

1. Avoid statements that begin “It seems. . .” or “It appears. . . .”
2. State the fact and the evidence which supports the fact.

“Taxable value was incorrectly calculated because the Assessor used the wrong square footage. Although the cost per square foot is correct as shown on page 10, the cost was applied to an incorrect amount. The house is actually 1,200 square feet according to the record at page 23, but the Assessor used 1,500 square feet.”

3. If possible, make reference to the statute or court decision, or ask your AG or staff to include the reference in the written decision.

Examples of Typical Questions

These examples are NOT COMPREHENSIVE, but are illustrative only. Questions depend on the type and amount of evidence provided by the parties.

Sample questions for the Assessor; these may already be in the record submitted by the Assessor. If not, ask.

1. Describe the parcel. Include the parcel size, shape, zoning, location, land use, brief

description of the improvements, and total taxable and assessed value.

2. Name the tax roll and the year under discussion (i.e., 2016-17 Secured Tax Roll; the prior year “reopened or supplemental” roll or the prior year 2015-16 Unsecured Tax Roll).
3. Was this parcel reappraised this year? If not, what land and improvement factors were applied?
4. Were the land and improvement factors approved by the Tax Commission?
5. How was the base-lot value or comparative unit value determined for the area in which the subject parcel lies? Provide the initial sales data that was used.
6. What are the principle characteristics of the neighborhood?
7. What adjustments, if any, were made to the base-lot value or comparative unit value to account for differences in the subject property from the base lot or comparative unit?
8. How was the amount of the adjustment determined?
9. NRS 361.260(7) states that an assessor cannot use sales to develop the initial land value after July 1 (of the previous year). Did the assessor comply with this requirement?
10. Were there any sales between July 1 of the prior year and January 1 of this year which show trends supporting the initial land value determined for subject parcel?
11. Was Marshall-Swift used to determine the improvement values?
12. What multipliers and modifiers (i.e., regional cost multiplier, climate, seismic, resort, hillside modifiers) in Marshall-Swift were used in valuing this property?
13. What is the quality class assigned to the building?
14. What is the occupancy code assigned to the building?
15. Did you consider the information supplied by the taxpayer?

Sample questions for the Taxpayer

1. Are you appealing the land value, the improvement value, or both?
2. What sales do you have that would show the taxable value of the land exceeds full cash value?
3. What evidence do you have that the Marshall-Swift Costing manual was inappropriately used?

4. Why do you disagree with the value established by the Assessor?
5. The comparable sales used by the Assessor have certain characteristics. Explain in detail why these sales are not comparable, and why the sales you have are more comparable.

Other Examples of Typical Questions

These examples are NOT COMPREHENSIVE, but are illustrative only. Questions depend on the type and amount of evidence provided by the parties.

1. Exemptions / Deductions / Deferments

Has the Petitioner clearly demonstrated a right to an exemption or deduction? For instance:

Agricultural use

“The statutes and NACs require that the real property be used as a business venture for profit, and must produce a gross income of \$5,000 in the last year. On page 10 of the record, there is Exhibit 2 which is Schedule F for the IRS. The schedule shows \$5,000 was reported last year. I find this evidence to be credible and sufficient to show agricultural use.”

Net proceeds

“The statutes and NACs require that net proceeds be calculated by subtracting from the gross yield of a mine certain allowed deductions for costs incurred during the reporting period, and none other. On page 10 of the record, Exhibit 5 shows a deduction for payroll for employees who worked at the mine to extract ore during the year in question. This evidence is sufficient to show an allowable deduction.”

2. How was taxable value established?

What steps did the Department or county assessor go through to arrive at taxable value?

“NRS 361.227 requires that depreciation be subtracted from replacement cost new at the rate of 1.5% per year. Please show me where replacement cost was calculated and how depreciation was applied.”

3. How was fair market value established?

“The property is an income-producing property. NRS provides for an income approach to be used to estimate fair market value. Please show me how the income stream and cap rate were developed.”

Steps in a State Board of Equalization Appeal

Cases in which the State Board must decide whether it has jurisdiction to hear the case

Parties to the Appeal

listed on the hearing notice to which this information sheet is attached. The parties to the appeal are the Taxpayer and the County Assessor of the Department of Taxation

(Department) listed on the hearing notice. The party who appealed is the petitioner and the other party is the respondent.

Notice of Appearance

If you have received a “Notice of Appearance” rather than a “Notice of Hearing,” it means the Secretary to the State Board has recommended to the State Board that the appeal be dismissed.

The State Board may not have jurisdiction to hear an appeal if it should have first been heard by the County Board (*NRS 361.400*); if the petition was filed late to the State Board (*NRS 361.360*); or the County Board did not accept jurisdiction (*NRS 361.356, 361.357*). The Secretary to the State Board examined the filed appeal form and found that it appears the State Board lacks jurisdiction to hear the appeal. The appeal has been placed on the State Board’s consent agenda to approve the Secretary’s recommendation.

The parties may challenge the Secretary’s recommendation to dismiss the appeal. The State Board will give the parties an opportunity to explain why the appeal should or should not be heard; and then it will either determine whether it has jurisdiction to hear the appeal or whether the County Board’s decision to not accept jurisdiction should be upheld.

The petitioner should provide in writing the reason why the appeal was either (1) not first heard at the county board, or (2) filed late to the State Board or to the County Board, as applicable. The petitioner should include the reasons why the State Board should take jurisdiction in this matter, and any proof of extenuating circumstances, such as, but not limited to, proof of hospital stays or accidents which prevented attendance at the County Board hearing or timely filing of the appeal.

The typical standards the State Board uses to determine

whether it has jurisdiction to hear a late-filed appeal or an appeal that was not first heard by the county are:

- (1) Did the Taxpayer show under what authority the State Board could hear the appeal?
- (2) Did the Taxpayer show substantial circumstances beyond the control of the Taxpayer as to why the appeal was filed beyond the deadline for appeal before the State Board or to the County Board?

The respondent may also file a statement why the appeal should not be heard by the State Board.

At the hearing, the State Board may ask the parties questions on whether the State Board should or should not take jurisdiction.

If Jurisdiction to Hear the Appeal is Accepted, then what happens?

If the State Board accepts jurisdiction to hear the appeal, then the case can proceed normally. The parties must be prepared to proceed immediately and may each make an additional presentation on the merits of the case.

If the appeal was first heard by the County Board, then the State Board has already requested the record of the appeal in front of the County Board. If the case was not heard at the County Board, the parties must provide any supporting documentation they wish to be considered by the Board. The parties may also submit a brief or any explanation in writing. *See the discussion below about what is allowed in the record.*

What is allowed in the record?

The State Board hears and determines appeals based upon the evidence and data which was first submitted to the County Board. No other evidence is allowed unless it is proven to the satisfaction of the State Board that it was impossible in the exercise of due diligence to have discovered or secured new evidence in time to have submitted the same to the County Board prior to its final adjournment. *NRS 361.400(3)*.

The State Board hears and determines appeals based on the evidence and data which was first submitted to the County Board.

You do not need to submit a copy of the record made at the County Board, because the State Board has already

asked the County Clerk for all exhibits, papers, reports, other documentary evidence, and audio and video recordings of the County Board proceedings.

What happens at the Hearing?

A taxpayer may appear in person or by his authorized agent. A taxpayer is not required to appear but may rely on the record and any written explanation. If a party fails to appear, the State Board may proceed with the hearing. *NAC 361.708*. After the Hearing

You may expect to receive a copy of the written decision within 60 days after the hearing. *NAC 361.747*.

You may review the permanent regulations for practice and procedure before the State Board on the internet, beginning at <http://leg.state.nv.us/NAC>, then scroll to Chapter 361, beginning at 361.682.

If you discovered evidence that was not available in time to present to the County Board, you may ask the State Board to consider it, but remember, you will have to show that it was impossible to obtain the new evidence in time for the county board hearing. The evidence must be submitted in writing to the State Board and all parties of record not less than 7 business days before the hearing. *NAC 361.739*.

If there was no hearing at the County Board and jurisdiction has been accepted by the State Board, then evidence may be submitted as if the case were a direct appeal. *NAC 361.735; NAC 361.737*.

Briefs – Written Explanations

Briefs, memorandum or other written explanation may be submitted to the State Board according to the briefing schedule in the attached hearing notice. If there is no alternative briefing schedule listed and the parties desire to submit a brief, the briefs or written explanations must be filed as follows:

Petitioner's brief is due 20 days before hearing;

Response brief is due 10 days before hearing;

Reply brief is due 3 days after response brief.

All documents must be received by the State Board in its offices no later than 5 p.m. of the due dates.

The petitioner is required to submit a copy of the Brief and Reply, if any, directly to the respondent no later than 5 p.m. of the due date and indicate such on the copy provided to the State Board. The Respondent is required to do the same.

To calculate due dates, use the first day of hearings listed on the hearing notice. You may fax your document to the State Board, at (775) 684-2020 or email to: stateboard@tax.state.nv.us

Briefs, memorandum or other written explanation are not considered new evidence. However, a party "must not include in or attach to his brief, memorandum or other written explanation an exhibit, paper, report or other documentary evidence that is included in the record submitted to the State Board." Also, a party is not required to submit a brief. *NAC 361.703*.

NOTICE OF DECISION

Appearances

Mr. Example, Sagebrush County Assessor, and Deputy appeared on behalf of the Sagebrush County Assessor's Office (Assessor).

Mr. Landowner appeared on behalf of Mr. and Mrs. Landowner (Taxpayers).

Summary

The Taxpayers appealed the decision of the Sagebrush County Board of Equalization. The matter of the Taxpayer's petition for review of property valuations within Sagebrush County, Nevada, came before the State Board of Equalization (State Board) for hearing in Carson City, Nevada, on September 30, 2015, after due notice to the Taxpayer and the Assessor.

The property consists of 7 acres in an industrial park developed by the city of Jack Rabbit. The current use is as a storage yard. The property was transferred to the Taxpayer in a trade of property with the City of Jack Rabbit. Power, telephone, water and sewer are available to the property but the property is not tied into these services yet. The County Board found the lack of paved road and topography of the parcel impacted the value, and reduced the per acre value from \$14,000 per acre to \$10,000 per acre. The State Board, having considered all evidence, documents and testimony pertaining to the valuation of the property in accordance with NRS 361.227, hereby makes the following Findings of Fact, Conclusions of Law and Decision.

FINDINGS OF FACT

- 1) The State Board is an administrative body created pursuant to NRS 361.375.
- 2) The State Board is mandated to hear all appeals of property tax assessments pursuant to NRS 361.360.
- 3) The Taxpayer and the Assessor were given adequate, proper and legal notice of the time and place of the hearing before the State Board of Equalization, and the matter was properly noticed pursuant to the Open Meeting Law, at NRS 241.020.
- 4) The Taxpayer presented sufficient evidence to support a value different from that established by the County Assessor.
- 5) The evidence presented by the Taxpayer indicates the taxable value of the Subject Property does exceed full cash value. Based on the value of the original trade of property between the Taxpayer and the City of Jack Rabbit at \$7,500 per acre and the fact the Assessor included the value of infrastructure not yet actually in place, the State Board determined the taxable value

should be reduced to \$52,500 for the land and not change the taxable value of the improvements.

- 6) The assessed value as adjusted by the State Board of Equalization is 35 percent of taxable value.
- 7) Any finding of fact above construed to constitute a conclusion of law is adopted as such to the same extent as if originally so denominated.

CONCLUSIONS OF LAW

- 1) The Taxpayer timely filed a notice of appeal, and the State Board has jurisdiction to determine this matter.
- 2) The Taxpayer and the Assessor are subject to the jurisdiction of the State Board.
- 3) The State Board has the authority to determine the taxable values in the State.
- 4) The valuation as adjusted by the State Board results in the proper taxable value in accordance with NRS 361.227.
- 5) Any conclusion of law above construed to constitute a finding of fact is adopted as such to the same extent as if originally so denominated.

DECISION

The Petition of the Taxpayer is granted based on the above Findings of Fact and Conclusions of Law. The Sagebrush County Recorder is instructed to correct the assessment roll by adjusting the assessed valuation of the subject property as follows:

2016-2017 SECURED ROLL VALUE:

Parcel Number 210-010	Taxable Value		Assessed Value	
	Established by County Board of Equalization	Revised By State Board	Established by County Board of Equalization	Revised by State Board
Land	\$70,000	\$52,500	\$24,500	\$18,375
Improvements	\$5,710	\$5,710	\$2,000	\$2,000
Personal Property	\$0	\$0	\$0	\$0
Total	\$75,710	\$58,210	\$26,500	\$20,375

The Sagebrush County Recorder is instructed to certify the assessment roll of the county consistent with this decision.

NOTICE OF DECISION

Appearances

Deputy appeared on behalf of the Wildhorse County Assessor's Office (Assessor).

Mr. Rancher (Taxpayer) appeared on behalf of himself.

Summary

The matter of the Taxpayer's petition for review of property valuations within Wildhorse County, Nevada, came before the State Board of Equalization (State Board) for hearing in Cowboy City, Nevada, on June 31, 2015, after due notice to the Taxpayer and the Assessor. Taxpayer objects to the increase in the property tax as it is unjustified by the activity in the area; and asserts the value of the property is negatively impacted by its location in the flight path of Air Force Base. The Assessor responds the comparable sales are similarly situated to the subject and are similarly impacted by their location to Air Force Base.

The State Board, having considered all evidence, documents and testimony pertaining to the valuation of the property in accordance with NRS 361.227, hereby makes the following Findings of Fact, Conclusions of Law and Decision.

FINDINGS OF FACT

- 1) The State Board of Equalization is an administrative body created pursuant to NRS 361.375.
- 2) The State Board is mandated to hear all appeals of property tax assessments pursuant to NRS 361.360.
- 3) The Taxpayer and the Assessor were given adequate, proper and legal notice of the time and place of the hearing before the State Board of Equalization, and the matter was properly noticed pursuant to the Open Meeting Law, at NRS 241.010 et seq.
- 4) The Taxpayer did not present sufficient evidence to support a value different from that established by the County Board of Equalization.
- 5) The evidence presented by the Assessor indicates that the taxable value of the Subject Property does not exceed full cash value. The comparable sales used by the Assessor are within close proximity to the Subject Property and range in adjusted value from \$2.47 per square foot to \$3.29 per square foot. Comparing these adjusted values with that of the valuation of the Subject Property at \$2.25 per square foot, the Assessor's valuation is less than that of the comparables. A more recent sale of \$2.07 also supports the Assessor's valuation, even though it is less than the subject. The recent sale of \$2.07 per square foot must be

adjusted for location on a secondary street, unlike the subject property which is located on a commercial arterial street.

- 6) The assessed value as previously determined is 35% of taxable value.
- 7) Any finding of fact above construed to constitute a conclusion of law is adopted as such to the same extent as if originally so denominated.

CONCLUSIONS OF LAW

- 1) The Taxpayer timely filed a notice of appeal, and the State Board has jurisdiction to determine this matter.
- 2) The Taxpayer and the Assessor are subject to the jurisdiction of the State Board of Equalization.
- 3) The State Board has the authority to determine the taxable values in the State.
- 4) The Subject Property is appraised at the proper taxable value in accordance with NRS 361.227.
- 5) Any conclusion of law above construed to constitute a finding of fact is adopted as such to the same extent as if originally so denominated.

DECISION

The Petition of the Taxpayer is denied based on the above Findings of Fact and Conclusions of Law. The Wildhorse County Comptroller is instructed to certify the assessment roll of the county consistent with this decision.

Summary

The matter of the Taxpayer’s petition for review of property valuations for the 2015-16 Secured Roll within Mountain County, Nevada, came before the State Board of Equalization (State Board) for hearing in Rattlesnake, Nevada, on July 14, 2016 after due notice to the Taxpayer and the Assessor.

The State Board, having considered all evidence, documents and testimony pertaining to the valuation of the property in accordance with NRS 361.227, hereby makes the following Findings of Fact, Conclusions of Law, and Decision.

FINDINGS OF FACT

- 1) The State Board is an administrative body created pursuant to NRS 361.375.

- 4) The subject property consists of a Class D quality construction office building located on 1.48 acres on West Desert Drive in Rattlesnake, Mountain County, Nevada. *See Record, SBE pages 38-40; Tr., 7-14-15, p. 66, l. 23 through p. 67, l. 2.*

- 5) Based on the Assessor's recommendation, the Mountain County Board of Equalization (County Board) ordered the total taxable value for the subject property of \$2,536,082 be reduced to \$2,447,522 for the 2016-2017 secured roll. *See Record, SBE pages 9 and 42; Tr.7-14-15 p. 67, ll. 1-2.*
- 6) The State Board found the Taxpayer did not present sufficient evidence to support values different from that established by the County Board and did not overcome the presumption that the Assessor's valuation is correct. *See Tr., 7-14-15, p. 67, ll. 7-10.*
- 7) The State Board affirmed the decision of the County Board. *See Tr., 7-14-15, p. 68, ll. 7-18.*
- 8) The assessed value as previously determined by the County Board is 35% of taxable value.
- 9) Any finding of fact above construed to constitute a conclusion of law is adopted as such to the same extent as if originally so denominated.

Case No. 16-123

NOTICE OF DECISION

Appearances

Department Officials appeared on behalf of the Nevada Department of Taxation (Department).

Tax Representative appeared on behalf of I Fly Airlines, Incorporated (Taxpayer).

Summary

This case originally came before the State Board of Equalization (State Board) on an appeal by the Taxpayer of the 2016-2017 unsecured valuations of the centrally assessed property as determined by the Department and certified by the Nevada Tax Commission (Commission). The Taxpayer submitted additional information to the Department. On March 24, 2016, the State Board granted a continuance to the next available meeting date which was May 8, 2016. On May 5, 2016, the Taxpayer requested a second continuance by letter. After review and verification of the circumstances leading to the request for a second continuance, the State Board voted to deny the request for a second continuance and proceeded to hold the hearing. The Taxpayer requested the State Board to reconsider the matter and, after due notice to the Taxpayer and the Department, the matter was heard on September 30, 2016, in Runway, Nevada.

The State Board, having considered all evidence, documents and testimony pertaining to the property in accordance with NRS 361.320 hereby makes the following Findings of Fact, Conclusions of Law and Decision.

FINDINGS OF FACT

1. The State Board is an administrative body created pursuant to NRS 361.375. The State Board is mandated to hear all appeals of determinations of taxable value of centrally assessed property pursuant to NRS 361.380, 361.385 and 361.403.
2. The Commission is required to establish the valuation for assessment purposes of any property of an interstate and intercounty nature, including the property of all interstate or intercounty airline companies pursuant to NRS 361.320 and applicable regulations. The Taxpayer is the owner of property of an interstate or inner county nature.
3. The Taxpayer and the Department were given adequate, proper and legal notice of the time and place of the hearing before the State Board of Equalization, and the matter was properly noticed pursuant to the Open Meeting Law, at NRS 241.020.
4. The Department determined and the Commission certified the taxable value of the centrally assessed property in conformance with all applicable statutory and regulatory provisions.
5. The Department stipulated and agreed the matter should be reconsidered. Pursuant to NAC 361.682, the State Board reconsidered its decision of May 8, 2014.

6. The Taxpayer provided additional information to the Department after the certification of the tax bill to show additional economic obsolescence should be allowed. The Department reviewed the financial information showing a negative operating income, and other economic factors, and agreed to place more weight on the income indicator of value. The Department recommended a reduction in taxable value from \$150,000,000 to \$125,000,000. The Taxpayer agreed to the recommendation.
7. Any finding of fact above construed to constitute a conclusion of law is adopted as such to the same extent as if originally so denominated.

CONCLUSIONS OF LAW

1. The notice of appeal was timely filed by the Taxpayer, and the State Board has jurisdiction to determine this matter.
2. The State Board, pursuant to NAC 361.682, agreed to reconsider the matter.
3. The Department and the Commission are administrative agencies or bodies created pursuant to Title 32 of the Nevada Revised Statutes.
4. The revised, apportioned value of the centrally assessed property calculated by the Department reflects the value of the Taxpayer’s property pursuant to NRS 361.320.
5. Any conclusion of law above construed to constitute a finding of fact is adopted as such to the same extent as if originally so denominated.

DECISION

The Petition of the Taxpayer is granted based on the above Findings of Fact and Conclusions of Law. The Department is instructed to correct the central assessment roll by adjusting the assessed valuation of the subject property as follows:

SUFFICIENT EVIDENCE TO OVERTURN ASSESSOR

In the Matter of
Farm and Ranch Trust
Parcel No. 162-01

)
) Case No. 16-100
)

NOTICE OF DECISION

Appearances

Tax representatives and witnesses appeared on behalf of Farm & Ranch Trust (Taxpayer).

Deputies appeared on behalf of Alfalfa County Assessor's Office (Assessor).

Summary

The matter of the Taxpayer's petition for review of property valuations within Alfalfa County, Nevada, came before the State Board of Equalization (State Board) for hearing in Gopher, Nevada, on September 30, 2016, after due notice to the Taxpayer and the Assessor.

The Taxpayer appealed the determination of the Assessor that the subject property had been converted from an agricultural use thus causing deferred taxes to be billed. The Assessor contended that under NRS 361A.031, the owner's request to be annexed into the City of Homestead constituted a conversion to a higher use because the annexation caused a rezoning to a higher density. Taxpayer asserted the property remains a working ranch and is entitled to the agricultural use designation. Taxpayer further asserted, annexation is not a change in zoning but only a change in jurisdiction.

The State Board, having considered all evidence, documents and testimony pertaining to the valuation of the property in accordance with NRS 361.227, hereby makes the following Findings of Fact, Conclusions of Law and Decision.

FINDINGS OF FACT

- 1) The State Board is an administrative body created pursuant to NRS 361.375.
- 2) The State Board is mandated to hear all appeals of property tax assessments pursuant to NRS 361A.273(2) and NRS 361.355.
- 3) The Taxpayer and the Assessor were given adequate, proper and legal notice of the time and place of the hearing before the State Board, and the matter was properly noticed pursuant to the Open Meeting Law, at NRS 241.020.
- 4) The Taxpayer presented sufficient evidence to support a finding of use different from that determined by the Assessor.
- 5) The State Board found two pieces of evidence were dispositive of whether the property had been converted from an agricultural use. A letter from the Assistant City Manager of Development Services to the Homestead City Council dated October 22, 2014 found at circle page 66 stated "There is no change in land use or density as a result of annexation." A letter from Hazel Nutt, Community Development director for the City of Homestead dated July 21, 2014 found at circle page 68 stated a translation "table was designed to create a transfer of property from the unincorporated County to a City without any increase in zoning entitlement."

- 6) In addition, the State Board found the agricultural use assessment was designed to encourage agricultural use for as long as possible. The State Board also relied on the dicta of the court in *Convention Properties v. Washoe County Assessor*, 793 P.2d 1332 (June 28, 1990). See *circle page 48, footnote 2*.
- 7) The State Board found the request for annexation into the City of Homestead by the Taxpayer did not result in a conversion to a higher use and the subject property continues to be eligible for the agricultural use designation.
- 8) Any finding of fact above construed to constitute a conclusion of law is adopted as such to the same extent as if originally so denominated.

CONCLUSIONS OF LAW

- 1) The Taxpayer timely filed a notice of appeal, and the State Board has jurisdiction to determine this matter.
- 2) The Taxpayer and the Assessor are subject to the jurisdiction of the State Board.
- 3) The State Board has the authority to determine the taxable values in the State and to determine whether property has been converted to a higher use, pursuant to NRS 361A.273.
- 4) The subject property is properly designated as agricultural use property and deferred taxes are not due.
- 5) Any conclusion of law above construed to constitute a finding of fact is adopted as such to the same extent as if originally so denominated.

DECISION

The Petition of the Taxpayer is granted based on the above Findings of Fact and Conclusions of Law. The Alfalfa County Assessor is instructed to correct the assessment roll by calculating the taxable value based on agricultural use.

The Alfalfa County Comptroller is instructed to certify the assessment roll of the county consistent with this decision.

Case No. 16-102

NOTICE OF DECISION

Appearances

University of Goldmine (Taxpayer) did not make an appearance.

Deputy appeared on behalf of the Copper County Assessor's Office (Assessor).

Summary

The matter of the Taxpayer's petition for review of property valuations within Copper County, Nevada, came before the State Board of Equalization (State Board) for hearing in Metal City, Nevada, on August 4, 2015, after due notice to the Taxpayer and the Assessor. The Taxpayer appealed, directly to the State Board, the value of personal property placed on the 2015-2016 unsecured tax roll after December 15, 2015. The Taxpayer asserted certain leasehold improvement costs that were reported on the personal property declaration and subsequently placed on the unsecured roll were in fact the costs of leasehold improvements already included in the value of improvements on the secured tax roll. The Assessor agreed the reported personal property costs were already contained in the taxable value of the improvements and resulted in double taxation.

The State Board, having considered all evidence, documents and testimony pertaining to the valuation of the property in accordance with NRS 361.227, hereby makes the following Findings of Fact, Conclusions of Law and Decision.

FINDINGS OF FACT

- 1) The State Board of Equalization is an administrative body created pursuant to NRS 361.375.
- 2) The State Board is mandated to hear all appeals of property tax assessments pursuant to NRS 361.360, including direct appeals of assessments of personal property placed on the unsecured tax roll after December 15 (NRS 361.360(3)).
- 3) The Taxpayer and the Assessor were given adequate, proper and legal notice of the time and place of the hearing before the State Board of Equalization, and the matter was properly noticed pursuant to the Open Meeting Law. See NRS 241.020.
- 4) In lieu of an appearance, the Taxpayer filed Taxpayer's claim pursuant to NRS 361.385.

- 5) The Taxpayer and the Assessor presented sufficient evidence to support the removal of value from the 2015-2016 unsecured tax roll.
- 6) The evidence presented by the Taxpayer and Assessor indicates the value of certain leasehold improvements were already captured in the value of improvements on the 2014-2015 secured roll. The Assessor recommended a reduction in the taxable value of the personal property on the unsecured roll from \$1,247,991 to \$322,337 to avoid double taxation of the property. The State Board found the taxable value of the personal property on the 2015-2016 unsecured roll should be reduced in accordance with the Assessor's recommendation.
- 7) The assessed value as adjusted by the State Board is 35% of taxable value.
- 8) Any finding of fact above construed to constitute a conclusion of law is adopted as such to the same extent as if originally so denominated.

CONCLUSIONS OF LAW

- 1) The Taxpayer timely filed a notice of appeal, and the State Board has jurisdiction to determine this matter.
- 2) The Taxpayer and the Assessor are subject to the jurisdiction of the State Board of Equalization.
- 3) The State Board has the authority to determine the taxable values in the State.
- 4) The valuation as adjusted by the State Board results in the proper taxable value in accordance with NRS 361.227.
- 5) Any conclusion of law above construed to constitute a finding of fact is adopted as such to the same extent as if originally so denominated.

DECISION

The Petition of the Taxpayer is granted based on the above Findings of Fact and Conclusions of Law.

2015-2016 UNSECURED ROLL VALUE:

Summary

This case came before the State Board of Equalization (State Board) on an appeal by the Taxpayer of the 2015-2016 valuation of Taxpayer's personal property established by the Assessor. The Notice of Appearance to determine whether the State Board would accept jurisdiction of the case was heard by the State Board on September 19, 2016 in Cashmere, Nevada, after due notice to the Taxpayer and the Assessor.

Pursuant to NAC 361.7014, the Secretary to the State Board examined the petition of the Taxpayer and found the Taxpayer's appeal was for the tax year 2015-2016. *See Record, page 1.* The personal property was assessed on the unsecured roll on April 17, 2015 and may be appealed directly to the State Board pursuant to NRS 361.360(3). However, all such direct appeals must be filed no later than May 15, 2016. The direct appeal to the State Board was postmarked on July 1, 2016 and was six weeks late. Accordingly the Secretary recommended to the State Board that the appeal be dismissed due to lack of jurisdiction.

The State Board, having considered all evidence, documents and testimony pertaining to the jurisdiction of the State Board in accordance with the requirements of NRS 361.360, hereby makes the following Findings of Fact, Conclusions of Law and Decision

FINDINGS OF FACT

- 1) The State Board is an administrative body created pursuant to NRS 361.375.
- 2) The Taxpayer and the Assessor were given adequate, proper and legal notice of the time and place of the hearing before the State Board, and the matter was properly noticed pursuant to the Open Meeting Law, at NRS 241.020. The Department provided evidence to show the Taxpayer received notice of the hearing. *See Tr., 9-19-15, p. 45, ll. 18-20; Record, SBE page 10.*
- 3) The State Board has jurisdiction to hear direct appeals from a taxpayer if the property was placed on the unsecured roll after December 15th pursuant to NRS 361.360(3) and if the appeal is filed no later than May 15th. In this case, the property was placed on the unsecured roll on April 17, 2016 and was eligible to be heard by the State Board as a direct appeal, however, the appeal was not filed until July 1, 2016 and was 74 days late. *See Record, SBE page 6.*

- 4) The State Board found the Taxpayer did not show substantial circumstances beyond the control of the Taxpayer as to why the Taxpayer did not file timely to the State Board, and declined to accept jurisdiction of the case. See *Tr.*, 9-19-15, p. 46, l. 9 through p. 47, l. 5.
- 5) Any finding of fact above construed to constitute a conclusion of law is adopted as such to the same extent as if originally so denominated.

CONCLUSIONS OF LAW

- 1) The State Board has authority to determine whether it has jurisdiction to hear a matter. The State Board has the authority to determine matters necessary to carry out the power conferred on the State Board by statute. *Checker, Inc. et al. v. Public Serv. Comm'n*, 84 Nev. 623, 629-630, 446 P.2d 981 (1968).
- 2) The Taxpayer failed to appear at the hearing. Pursuant to NAC 361.708, the State Board proceeded with the hearing.
- 3) The State Board found the Taxpayer did not show substantial circumstances beyond the control of the Taxpayer as to why the appeal was not first filed to the County Board, and declined to accept jurisdiction of the case. *First American Title Company v. State of Nevada*, 91 Nev. 804, 543 P2d 1344 (1975).
- 4) Any conclusion of law above construed to constitute a finding of fact is adopted as such to the same extent as if originally so denominated.

DECISION

Based on the foregoing Findings of Fact and Conclusions of Law, the State Board held it is without jurisdiction to hear the above referenced appeal by the Taxpayer. The Polyester County Comptroller is instructed to certify the assessment roll of the county consistent with this decision.

Summary

This case came before the State Board of Equalization (State Board) on an appeal by the Taxpayer of the 2014-2015 valuation of Taxpayer's personal property established by the Assessor. The Notice of Appearance to determine whether the State Board would accept jurisdiction of the case was heard by the State Board on August 13, 2016 in Open Sky, Nevada, after due notice to the Taxpayer and the Assessor.

Pursuant to NAC 361.7014, the Secretary to the State Board examined the petition of the Taxpayer and found the Taxpayer's appeal was for the tax year 2014-2015. *See Record, page 1.* The personal property was assessed on the unsecured roll on December 12, 2014, therefore a direct appeal to the State Board pursuant to NRS 361.360(3) is precluded. The appeal should have first been filed with the Desert County Board of Equalization (County Board), but was not. Accordingly the Secretary recommended to the State Board that the appeal be dismissed due to lack of jurisdiction.

The State Board, having considered all evidence, documents and testimony pertaining to the jurisdiction of the State Board in accordance with the requirements of NRS 361.360, hereby makes the following Findings of Fact, Conclusions of Law and Decision.

FINDINGS OF FACT

- 1) The State Board is an administrative body created pursuant to NRS 361.375.
- 2) The Taxpayer and the Assessor were given adequate, proper and legal notice of the time and place of the hearing before the State Board, and the matter was properly noticed pursuant to the Open Meeting Law, at NRS 241.020. *See Record, SBE page 17.*
- 3) The subject property is a glider aircraft, tail number N12YZ, located at the Air Sailing Center, 42345 Muddy Ranch Road in Rockslide County, Nevada. *See Tr., 8-19-13, p. 41, ll. 2-6.*

- 4) The Taxpayer stated he had received no notice from the Assessor's office regarding the assessment; and that the address obtained from the FAA by the Assessor's office was incorrect. *See Tr., 8-13-13, p. 39, l. 25 through p.40, l. 20.*
- 5) The State Board has jurisdiction to hear direct appeals from a taxpayer if the property was placed on the unsecured roll after December 15th pursuant to NRS 361.360(3) as well as appeals from the action of a county board of equalization pursuant to NRS 361.400. In this case, the property was placed on the unsecured roll on December 12, 2013 and should have been appealed first to the County Board. The State Board found the property was placed on the unsecured roll on December 12, 2014 and therefore did not meet the criteria for a direct appeal. The State Board further found the Taxpayer did not first appeal to the County Board, and the County Board made no decision which could be appealed to the State Board.
- 6) The State Board found the Taxpayer did not show substantial circumstance beyond the control of the Taxpayer as to why the Taxpayer did not file timely to the County Board, and declined to accept jurisdiction of the case. *See Tr., 8-13-13, p. 43, l. 17 through p. 44, l. 22.*
- 7) Any finding of fact above construed to constitute a conclusion of law is adopted as such to the same extent as if originally so denominated.

CONCLUSIONS OF LAW

- 1) The State Board has authority to determine whether it has jurisdiction to hear a matter. The State Board has the authority to determine matters necessary to carry out the power conferred on the State Board by statute. *Checker, Inc. et al. v. Public Serv. Comm'n*, 84 Nev. 623, 629-630, 446 P.2d 981 (1968).
- 2) The State Board found the Taxpayer did not show substantial circumstances beyond the control of the Taxpayer as to why the appeal was not first filed to the County Board, and declined to accept jurisdiction of the case. *First American Title Company v. State of Nevada*, 91 Nev. 804, 543 P2d 1344 (1975).
- 3) Any conclusion of law above construed to constitute a finding of fact is adopted as such to the same extent as if originally so denominated.

DECISION

Based on the foregoing Findings of Fact and Conclusions of Law, the State Board held it is without jurisdiction to hear the above referenced appeal by the Taxpayer. The Rockslide County Comptroller is instructed to certify the assessment roll of the county consistent with this decision.

Taxpayers requested the State Board to reconsider information regarding comparable sales data, specifically the Juniper land sale and the sale of the subject property.

The State Board, having considered all evidence, documents and testimony pertaining to the Petition for Reconsideration hereby makes the following Findings of Fact, Conclusions of Law and Decision.

FINDINGS OF FACT

- 5) The State Board found the Taxpayers did not present sufficient evidence to demonstrate the State Board had overlooked or misapprehended a material fact in the record or a material question of law.

- 6) The State Board found it had properly considered all of the information presented by the Taxpayers and Assessor at the prior hearing and correctly determined valuations of the Subject Property. The State Board specifically mentioned the Juniper Land sale in the Notice of Decision dated November 20, 2015. (*See also evidence at page WCA 19-30*). - 2) The Taxpayers and the Assessor are subject to the jurisdiction of the State Board.
- 3) The State Board has the authority to determine if the above referenced matter should be reconsidered. The standard for review the State Board used was whether the State Board overlooked, misapplied, or failed to consider a statute, procedural rule, regulation, or decision directly controlling a dispositive issue in the case; or overlooked or misapprehended a material fact in the record.
- 4) The State Board concludes no material facts were overlooked and the State Board did not misapply or fail to consider a material question of law.
- 5) Any conclusion of law above construed to constitute a finding of fact is adopted as such to the same extent as if originally so denominated.

DECISION

The Taxpayers' Petition for Reconsideration is denied based on the above Findings of Fact and Conclusions of Law.

NOTICE OF DECISION

Appearances

Bonnie Clyde appeared on behalf of On The Run, LLC (Taxpayer).

Ida Lawman and Tray Tore appeared on behalf of the Bar County Assessor’s Office (Assessor).

Summary

This case came before the State Board of Equalization (State Board) on an appeal by the Taxpayer of the 2015-2016 valuation of Taxpayer’s real property established by the Assessor. The Notice of Appearance to determine whether the State Board would accept jurisdiction of the case was heard by the State Board on July 17, 2016 in Hideout, Nevada, after due notice to the Taxpayer and the Assessor.

Pursuant to NAC 361.7014, the Secretary to the State Board examined the petition of the Taxpayer and found the Taxpayer’s appeal was for the tax year 2014-2015. *See Record, page 1.* Although the appeal was filed timely to the State Board, the Taxpayer did not file timely with the Bar County Board of Equalization (County Board) because no agent authorization was received by the County Board within 48 hours of the deadline for appeal on January 15, 2015. The County Board did not accept jurisdiction to hear the case. *See Tr.,7-17-15, p. 227, l. 17 through p. 228, l. 14, Record, SBE pages 14 and 30.* Accordingly, the Secretary recommended to the State Board that the appeal be dismissed due to lack of jurisdiction.

The State Board, having considered all evidence, documents and testimony pertaining to the jurisdiction of the State Board in accordance with the requirements of NRS 361.360, hereby makes the following Findings of Fact, Conclusions of Law and Decision

FINDINGS OF FACT

- 1) The State Board is an administrative body created pursuant to NRS 361.375.
- 2) The Taxpayer and the Assessor were given adequate, proper and legal notice of the time and place of the hearing before the State Board, and the matter was properly noticed pursuant to the Open Meeting Law, at NRS 241.020. *See Record, SBE page 32.*

- 3) Pursuant to NRS 361.360 (1), any taxpayer aggrieved at the action of the County Board of Equalization in equalizing, or failing to equalize, the value of his property, or property of others, or a county assessor, may file an appeal with the State Board of Equalization on or before March 10 in the current assessment year. The appeal to the State Board was postmarked on March 10, 2016 and was timely filed.
- 4) Pursuant to NRS 361.340(11), every appeal to the County Board must be filed not later than January 15th. Although an agent filed a petition with the County Board on January 14, 2016, no agent authorization allowing a representative to file on the Taxpayer's behalf was timely received. The County Board did not accept jurisdiction to hear the Taxpayer's appeal because it was not properly filed. See *Record, pages 14 and 30; Tr., 7-17-15, p. 227, l. 17 through p. 228, l. 7; p. 230, ll. 6-22.*
- 5) The State Board found the County Board's decision to not take jurisdiction was supported by substantial evidence. See *Tr., 7-17-15, p. 228, ll. 1-22.*
- 6) The State Board affirmed the decision of the County Board. See *Tr., 7-17-15, p. 237, l. 20 through p. 238, l. 17.*
- 7) Any finding of fact above construed to constitute a conclusion of law is adopted as such to the same extent as if originally so denominated.

CONCLUSIONS OF LAW

- 1) The Taxpayer timely filed a notice of appeal, and the State Board accepted jurisdiction to determine this matter.
- 2) The Taxpayer and the Assessor are subject to the jurisdiction of the State Board.
- 3) Substantial evidence is defined as "what a reasonable mind might accept as adequate to support a conclusion." *Bing Construction Co., v. Department of Taxation, 109 Nev. 275, 278 (1993).* Based on the State Board's finding that the County Board's decision to not take jurisdiction was supported by substantial evidence, and the Taxpayer did not overcome the burden to show the County Board's decision was not supported by substantial evidence, the State Board upheld the decision of the County Board.
- 4) Any conclusion of law above construed to constitute a finding of fact is adopted as such to the same extent as if originally so denominated.

DECISION

The Petition of the Taxpayer is denied based on the above Findings of Fact and Conclusions of Law. The Bar County Comptroller is instructed to certify the assessment roll of the county consistent with this decision.
