Roll Change Request 2022 -2023
RCR 1-1 through 1-99
Correction to Valuation 361.345- Decrease

We request that the Washoe County Board of Equalization approve the following changes in valuation for those properties presented on the attached spreadsheet. Please see RCR 1-1 through 1-99 for a thorough summary of the requested change in value.

For the 2022/2023 tax year, these subject parcels were originally valued without a subdivision discount. After discussions, it has been determined the parcels should have received a subdivision discount to account for their absorption period. Based on this information we request the 20% discount be reconsidered.

The Washoe County Assessor's Department asks that the subject land values be reduced as presented on the attached spreadsheet. Approval will be applicable to the 2022-2023 fiscal year and will address incorrect value.
