

He further reported that the possibility of limiting the power of the Trustees of such a District could not be enforced as they were set by statute.

Mr. Robert McDonald of the firm of Bible, McDonald, Jensen, representing the Crystal Bay Development Company, was present and stated that they were merely asking for a hearing as to whether or not the District should be formed.

A telegram was read which was received from John J. McCune, Attorney, representing J. Harold Hughes, requesting that any action by the Commissioners on a \$450,000.00 bond issue for the Crystal Bay Development Company be deferred. It was pointed out that any bond election would necessarily have to be held after the formation of the District.

After considerable discussion Bill #56, Ordinance No. 95, an Ordinance initiating proceedings for the organization of Incline Village General Improvement District was finally adopted as an emergency measure and it was ordered that the Clerk give the necessary Notice for the Hearing.

ROADS

A petition was received from approximately seventy-five property owners on the east side of Washoe Lake requesting that East Lake Blvd. be oiled at least as far as the Quimby Ranch. It was ordered that the matter be referred to C. B. Kinnison, Washoe County Manager.

JAIL BUILDING

Several copies of lien claims against Lembke Construction Company for work performed on the new Washoe County Jail were received by the Clerk and the Washoe County Manager. Mr. Kinnison reported that most of the claims had been released; that the time for filing claims had expired and he suggested that the County pay the 10% of the contract price which was withheld in the amount of \$106,093.63 retaining therefrom, the amount of \$5000.00 to cover any claims not now satisfied. It was so ordered.

PAYMENT: Both the principal of and the interest on the bonds will be payable in lawful money of the United States of America, without deduction for exchange or collection charges, at the office of the County Treasurer of Washoe County, Nevada, in Reno, Nevada.

REGISTRATION FOR PAYMENT: The authorizing ordinance will contain no provision permitting the bonds to be registered for payment as to principal alone, or as to both principal and interest, or as to interest alone.

SECURITY: The bonds will, in the opinion of the counsel, be direct general obligations of the County, payable as to both principal and interest from general (ad valorem) taxes levied against all taxable property within the County, subject to the limitation imposed by the Constitution of the State of Nevada. The issue designated "Washoe County, Nevada, General Obligation Hospital Bonds, Series A-1961" in the amount of \$2,000,000.00, shall also be subject to the tax limitation imposed by Section 450.290(b) Nevada Revised Statutes of 2 mills on the dollar annually.

AUTHORIZATION: The hospital bonds designated "Washoe County, Nevada, General Obligation Hospital Bonds, Series B-1961," in the amount of \$150,000.00 constitute all bonds authorized by Chapter 221, Laws of Nevada, 1959, to be issued by the Board of County Commissioners of Washoe County, Nevada, for the purpose of enlarging, repairing and reconstructing the Washoe County Hospital, sometimes designated the Washoe Medical Center, equipping and furnishing the same, and acquiring suitable site or grounds therefor. The hospital bonds designated "Washoe County, Nevada, General Obligation Hospital Bonds, Series A-1961," in the amount of \$2,000,000.00, constitute all the bonds authorized at a county bond election held at the same time as the general election of Tuesday, the 8th day of November, 1960, for the purpose of enlarging, repairing and reconstructing the Washoe County Hospital.

BID PROPOSALS: No specified form of bid is required. Any bidder is required to submit an unconditional bid specifying the lowest rate of interest and premium, if any, at or above par at which the bidder will purchase the bonds. It is also requested for informational purpose only, but not required, that each bid disclose (a) the total net interest cost in dollars and cents to the County, and (b) the average net interest rate in a stated per centum. Each bid may provide that bond counsel's opinion shall be printed on the bonds, pursuant to the paragraph below designated "Legal Opinion, Bonds and Transcript." Each proposal must be in writing for all the bonds herein offered of either issue, enclosed in a sealed envelope marked on the outside "Proposal for Bonds" and addressed to Mr. H. K. Brown, County Clerk, Washoe County Court House, Reno, Nevada. Bids may be submitted for either or both of the issues herein offered for sale; but any bid must be for all of the bonds of the issue therein designated and only for that issue. Any bid containing a provision requiring the acceptance of bids for both or neither of said issues will be rejected, unless each bid for each of the two issues is the best bid therefor.

BID CHECK: Each bid shall be accompanied (except any bid of the State of Nevada or any board or department thereof, if one is received) by a deposit in cash or by cashier's check or certified check made payable to Washoe County, in an amount equal to five per centum (5%) of the amount of the bid, i.e., of the principal amount of the bonds and the amount of any premium, or by a cash deposit in like amount, which certified check or cash deposit will be held as evidence of good faith pending the delivery of the bonds, and which deposit shall

be promptly returned to any bidder if his bid be not accepted.

MANNER AND TIME OF DELIVERY: The deposit of the best bidder will be credited to the purchaser at the time of delivery of the bonds (without accruing interest). If the successful bidder fails or neglects to complete the purchase of said bonds within thirty days immediately following the acceptance of his bid, or within ten days after the bonds are tendered by the County for delivery, whichever is later, the amount of this deposit shall be forfeited to the County; and in such case, or if all bids are rejected, the Board may publicly resell the bonds as provided by law. The purchaser shall not be required to accept delivery of said bonds, if they are not tendered for delivery within sixty days from the date herein specified for opening bids; and if said bonds are not so offered and made available within said period of time, the good faith deposit will be thereafter returned to the purchaser upon its request. The County contemplates, however, effecting delivery in about thirty days from the date herein designated for opening bids and as soon as reasonably possible thereafter.

SALE RESERVATIONS: The Board reserves the privilege of waiving any irregularity or informality in any bid, of rejecting any or all bids, and of readvertising the bonds for sale or selling them privately.

BASIS AND TIME OF AWARD: The bonds of each issue, subject to such reservations, shall be sold to the responsible bidder making the best bid for the bonds, which bid will be determined by deducting the amount of the premium bid, if any, from the total amount of interest which the County would be required to pay from the date of said bonds to the respective maturity dates at the coupon rate or rates specified in the bid; and the award will be made on the basis of the lowest net interest cost to the County. None of the bonds shall be sold at less than par and accrued interest to the date of delivery to the purchaser, nor shall any discount or commission be allowed or paid on the sale of said bonds. If there are two or more equal bids, and such equal bids are the highest bids received from responsible bidders and for not less than par and accrued interest, the Board shall determine which bids shall be accepted. The Board, upon opening bids as hereinabove specified, will immediately determine the best bid; and the Board in any event will take action awarding the bonds or rejecting all bids for the bonds within twenty-four hours of the time herein specified for opening bids.

PLACE OF DELIVERY: The successful bidder or bidders will be required to accept delivery of and to make payment for said bonds at some bank or trust company in Reno, Nevada; or at the successful bidders' request and expense, delivery will then be made at some other bank or trust company in the United States of America, as requested.

LEGAL OPINION, BONDS AND TRANSCRIPT: The legality of said bond issues will be approved by Messrs. Dawson, Nagel, Sherman & Howard, Attorneys at Law, 1900 First National Bank Building, Denver 2, Colorado, whose unqualified approving opinion together with the printed bonds and a certified transcript of the legal proceedings, including a certificate stating that there is no litigation pending affecting the validity of the bonds as of the date of their delivery, will be furnished the purchaser without charge by the County. The purchaser may specify in his bid, or within twenty-four hours of its acceptance by letter addressed to that firm of attorneys and deposited in the United States mail as first-class mail, postage prepaid, (and as air-mail unless so mailed in Denver), that there shall be printed on each bond at the County's expense a certified true copy of the approving opinion.

INFORMATION: This Official Notice of Bond Sale (a summary of which was ordered published), a prospectus, financial and other information concerning the County and said bonds may be obtained from the County's financial advisor, Edward L. Burton & Company, 160 South Main Street, Salt Lake City 1, Utah.
