Section 28. Use of Bond Proceeds. Upon the issuance of the bonds, the Treasurer shall cause any accrued interest and any premium from the sale of the bonds to be deposited into the Interest Fund hereinafter created in section 31 hereof for the payment of interest on the bonds as the same becomes due. The balance of the bond proceeds shall be accounted for by depositing into the designated special accounts hereby created in the treasury of the Issuer (herein sometimes collectively designated as the "Acquisition Funds") the following amounts:

A. Hospital Acquisition Fund. \$9,000,000.00 into the "Washoe County, Nevada, Hospital Acquisition Fund" to defray wholly or in part the cost of the Hospital Project; and

B. Home Acquisition Fund. \$675,000.00 into the "Washoe County, Nevada, Juvenile Detention Home Acquisition Fund" to defray wholly or in part the cost of the Home Project.

After the completion of the respective Projects or after adequate provision therefor is made, any unexpended balance of bond proceeds (or any other moneys) remaining in the respective Acquisition Funds shall be deposited into the Principal Fund hereinafter created in section 31 hereof for the payment of the principal of the bonds as the same becomes due.

Section 29. Prevention of Bond Default. Subject to the provisions of section 31 and 34 hereof, the Treasurer shall use any bond proceeds credited to either or both Acquisition Funds, without further order or warrant, to pay the principal of and interest on the bonds as the same become due whenever and to the extent moneys otherwise available therefor are insufficient for that purpose, unless such bond proceeds shall be needed to defray obligations accrued and to accrue under any contracts then existing and pertaining to either Project. The Treasurer shall promptly notify the Governing Body of any such use.

Section 30. Purchaser Not Responsible. The validity of the bonds shall not be dependent on nor be affected by the validity or regularity of any proceedings relating to effecting the Hospital Project and the Home Project, or any part thereof,

or to the completion of the Projects. The Purchaser of the bonds, any associate thereof, and any subsequent holder of any bond shall in no manner be responsible for the application or disposal by the Issuer or by any of its officers, agents and employees of the moneys derived from the sale of the bonds or of any other moneys herein designated.

Section 31. General Tax Levies. Pursuant to section 350.596 of the Bond Act, the interest and principal falling due on the bonds on and before the first day of June, 1970, shall be paid out of the general fund of the Issuer or out of any other funds that may be available for such purpose; and for the purpose of repaying any moneys so paid from any such fund or funds and for the purpose of creating funds for the payment of the bonds and the interest thereon, there are hereby created special accounts designated respectively as the "Washoe County, Nevada, General Obligation Improvement Bonds, Series June 1, 1969, Principal Fund" (herein sometimes designated as the "Principal Fund") and as the "Washoe County, Nevada, General Obligation Improvement Bonds, Series June 1, 1969, Interest Fund"), and pursuant to sections 350.592 and 350.594 of the Bond Act there shall be levied in the calendar year 1969, if it is practicable to do so after the Issuer has contracted to sell the bonds to the Purchaser, and in any event in the calendar year 1970 and annually thereafter until all of the Bond Requirements shall have been fully paid, satisfied and discharged, a tax on all property, both real and personal, subject to taxation within the boundaries of the Issuer, including the net proceeds of mines, fully sufficient to reimburse such fund or funds for such installments of interest, to pay the interest on the bonds, and to pay and retire the same as hereinabove provided, without regard to any statutory or Charter tax limitations now or hereafter existing, and after there are made due allowances for probable delinquencies. In the preparation of the annual budget or appropriation resolution or ordinance for the Issuer, the Governing Body shall first make proper provisions through the levy of sufficient taxes for the payment of the interest on and the retirement of the principal of the bonded indebtedness of the Issuer, including but not limited to the bonds of the series hereby authorized to be issued, subject to the limitation

69-568

imposed by section 2 of article 10 of the Constitution of the State, and the amount of money necessary for this purpose shall be a first charge against all the revenues received by the Issuer.

Section 32. Priorities for Bonds. As provided in section 350.600 of the Bond Act, in any year in which the total taxes levied against the property in the State by all overlapping units within the boundaries of the State may exceed the limitation of five cents on the dollar imposed by section 2 of article 10 of the Constitution of the State and it shall become necessary by reason thereof to reduce the levies made by any and all such units, the reductions so made shall be in taxes levied by such unit or units (including without limitation the Issuer and the State) for purposes other than the payment of their bonded indebtedness, including interest thereon. The taxes levied for the payment of such bonded indebtedness and the interest thereon shall always enjoy a priority over taxes levied by each such unit (including without limitation the Issuer and the State) for all other purposes where reduction is necessary in order to comply with the limitation of section 2 of article 10 of the Constitution of the State.

Section 33. Correlation of Levies. Such taxes shall be levied and collected in the same manner and at the same time as other taxes are levied and collected, and the proceeds thereof for the bonds herein authorized shall be kept by the Treasurer in the Principal Fund and in the Interest Fund, which shall be used for no other purpose than the payment of principal and interest, respectively, as the same fall due.

Section 34. Use of General Fund. Any sums becoming due on the bonds at any time when there are on hand from such tax levy or levies (and any other available moneys) insufficient funds to pay the same shall be promptly paid when due from general funds on hand belonging to the Issuer, reimbursement to be made for such general funds in the amounts so advanced when the taxes herein provided for have been collected, pursuant to section 350.596 of the Bond Act.

Section 35. Use of Other Funds. Nothing herein contained shall be so construed, however, as to prevent the Issuer from applying any funds (other than taxes) that may be available for that purpose to the payment of such interest

or principal as the same, respectively, mature, including without limitation the payment of the bonds as provided in section 31 hereof and elsewhere herein, and upon such payments, the levy or levies herein provided may thereupon to that extent be diminished, pursuant to section 350.598 of the Bond Act.

Section 36. Legislative Duties. In accordance with sections 350.592 through 350.600 of the Bond Act, it shall be the duty of the Governing Body annually, at the time and in the manner provided by law for levying other Issuer taxes, if such action shall be necessary to effectuate the provisions of this ordinance, to ratify and carry out the provisions hereof with reference to the levy and collection of taxes; and the Governing Body shall require the officers of the County to levy, extend and collect such taxes in the manner provided by law for the purpose of creating funds for the payment of the principal of the bonds and the interest thereon. Such taxes when collected shall be kept for and applied only to the payment of the principal of and the interest on the bonds as hereinbefore specified.

Section 37. Appropriation of Taxes. In accordance with section 350.602 of the Bond Act, there is hereby specially appropriated the proceeds of such taxes to the payment of such principal and interest; and such appropriations shall not be repealed nor the taxes postponed or diminished (except as herein otherwise expressly provided) until the principal of and interest on the bonds have been wholly paid.

Section 38. Delegated Powers. The officers of the Issuer be, and they hereby are, authorized and directed to take all action necessary or appropriate to effectuate the provisions of this ordinance, including without limitation:

A. Printing Bonds. The printing of the bonds, including without limitation the printing on each bond of a certified true copy of bond counsel's approving opinion;

B. Final Certificates. The execution of such certificates as may be reasonably required by the Purchaser, relating, inter alia, to the signing of the bonds, the tenure and identity of the officials of the Governing Body, and of the Issuer, the delivery of the bonds, the receipt of the bond purchase price, and if

69-508

it be in accordance with fact, the absence of litigation, pending or threatened, affecting the validity thereof.

Section 39. Ratification. All action heretofore taken (not inconsistent with the provisions of this ordinance) by the Governing Body, the officers of the Issuer, and otherwise taken by the Issuer directed toward:

A. Projects. The Projects, and

B. Bonds. The sale and delivery of the Issuer's bonds for those purposes,

be and the same hereby is, ratified, approved and confirmed, including without limiting the generality of the foregoing, the public sale of the bonds.

Section 40. Ordinance Irrepealable. After any of the bonds are issued, this ordinance shall constitute an irrevocable contract between the Issuer and the holder or holders of the bonds; and this ordinance, if any bonds be in fact issued, shall be and shall remain irrepealable until the bonds, as to all Bond Requirements, shall be fully paid, canceled and discharged, as herein provided.

Section 41. Repealer. All ordinances, resolutions, by-laws, and orders, or parts thereof, inconsistent herewith are hereby repealed to the extent only of such inconsistency. This repealer shall not be construed to revive any ordinance, resolution, by-law, or order, or part thereof, heretofore repealed.

Section 42. Ordinance's Adoption and Effective Date. The Governing Body has expressed in the preambles of this ordinance that it pertains to the sale, issuance and payment of the bonds, that this ordinance may accordingly be adopted as if an emergency existed and may become effective at any time when an emergency ordinance of the Issuer may go into effect. Consequently, final action shall be taken immediately, and this ordinance shall be in effect from and after its publication as hereinafter provided. After this ordinance is signed by the Chairman of the Governing Body and attested and sealed by the Clerk, this ordinance shall be published by its title only, together with the names of the commissioners voting for or against its passage, and with a statement that typewritten copies of the ordinance are available for
