SUMMARY: Adopts the provisions of state law to provide special parking permits for physically handicapped persons.

BILL NO. 702

ORDINANCE NO. 531

AN ORDINANCE PROVIDING FOR THE ISSUANCE OF TEMPORARY PARKING PERMITS FOR VEHICLES USED BY OR FOR PERSONS PHYSICALLY HANDICAPPED; CREATING A PERMIT APPLICATION PROCEDURE AND PROVIDING FOR ENFORCEMENT AND FINES FOR VIOLATIONS OF THE PERMITS' PROVISIONS.

THE BOARD OF COUNTY COMMISSIONERS OF THE COUNTY OF WASHOE DO ORDAIN:

SECTION 1.

A program authorizing issuance of temporary parking permits for motor vehicles used by or for persons that are temporarily physically handicapped in such manner as to impair their ability to walk is hereby created by this Ordinance.

SECTION 2.

Application for the temporary parking permits shall be made through the Senior Citizens Center, by the handicapped person to whom the permit is to issue or by someone he designates to make application on his behalf. A physician's report, stating the nature of the disability and expected duration of the handicap, may be required prior to issuance of the permit. This report must be on the physician's office letterhead and signed and dated by him.

SECTION 3.

Each permit issued shall have a sequential identifying number and a specific expiration date clearly visible on the face of the permit. Permits shall issue for a period not to exceed a year in length. Only one special parking permit for an eligible physically handicapped person shall issue in any one registration period. A donation may be accepted by the Senior Citizens Center to defray the cost of the permit program, from any applicant who is financially capable of so contributing. These contributions shall be placed in the Washoe County General Fund.

SECTION 4.

Any motor vehicle displaying a special permit may be parked in any space specifically reserved for handicapped parking upon any public street, for a period not to exceed 4 hours. During this 4 hour period, if the vehicle is in a parking space controlled by a pay meter, the meter need not be paid. If the vehicle is parked there beyond the 4 hour time limit, any additional time spent in that space must be paid for on the meter or the vehicle is subject to citation for overtime parking. The vehicle displaying such a permit must be parked consistently with public safety or it remains subject to penalty, removal or impoundment. This section does not authorize the parking of a motor

vehicle in any private or municipally owned facility for off-highway parking without payment of the required fee for the time during which the vehicles is so parked, nor does such permit authorize parking in any area on a highway where parking is prohibited by law.

SECTION 5.

Occupation of a specifically designated handicapped parking zone by any vehicle other than one issued a permit for use by or for handicapped persons shall be prohibited. No person shall park a vehicle in a space designated for the handicapped unless he is eligible to do so and the vehicle displays either special license plates issued by the State of Nevada, Department of Motor Vehicles, for a handicapped person or a parking permit for a handicapped person or any officially recognized emblem issued by this State or other jurisdiction indicating that the driver or passenger is an eligible handicapped person.

SECTION 6.

Any person, having been issued a valid temporary handicapped parking permit by any city, county, or state, shall be entitled to the benefits conferred by this Ordinance as they relate to parking within Washoe County. No person, other than the physically handicapped person or a person actually transporting the physically handicapped person, shall use any special parking permit issued to such handicapped person for the purpose of obtaining the special parking privileges available under this section, to which he would not otherwise be entitled. Any person who violates any provision of either Section 5 or 6 shall be guilty of a misdemeanor and shall be punished by a fine of \$25.
