

APPLICATION FOR A RESIDENTIAL BUILDING ALLOCATION

Residential building allocations are required for all new homes built on vacant property in the Tahoe basin. Teardowns and rebuild projects do not require a building allocation. Washoe County does not issue allocations until the property owner is ready to submit a complete permit application to the Tahoe Regional Planning Agency (TRPA). Allocations are only good for the property to which it was issued. Allocations are not transferable.

Washoe County does not charge a fee for allocations, but we are required to collect a **\$163** allocation-monitoring fee for the TRPA. No allocation will be reserved or issued until this fee is paid. Make check payable to Washoe County. If you have questions please contact the Planner of the Day at Planning@washoecounty.gov or call (775) 328-6100.
