Last Title Chg: 02/1998
FLSA: exempt
Probation: 12 months

PLANNING MANAGER

DEFINITION

Under general direction, supervises a major program in a specific function of land use planning and development, to include licensing and code compliance and performs the most difficult planning and development assignments; and performs related work as required.

EXPERIENCE AND TRAINING REQUIREMENTS

Graduation from an accredited four year college or university with major course work in planning, engineering, architecture, sustainability, environmental sciences, public administration or a closely related field AND four years of full-time progressively responsible professional planning experience; OR an equivalent combination of education and experience.

LICENSE OR CERTIFICATE

AICP (American Institute of Certified Planners) Certification preferred.

A valid driver's license may be required at the time of appointment.

SUPERVISION EXERCISED

Exercises direct supervision over professional and support staff.

EXAMPLES OF DUTIES *(The following is used as a partial description and is not restrictive as to duties required.)*

Supervise and direct the design, updates and implementation of the County's Master Plan, to include natural resources and conservation, land use and transportation, public services and facilities, population, housing, open space, area plans and specific plans.

Supervise and direct the creation, maintenance and amendment of regulatory zoning and associated regulations, and development agreements; accept, review and process planning, land use and development applications submitted to the program on behalf of the County.

Supervise and direct the application and enforcement of business license codes and regulations to include liquor, gaming, land use, nuisance and regulatory zoning.

Oversee and manage planning and development commissions and boards created by County Codes, to include designated subcommittees; supervise and direct planning staff relating to policy directives and the administrative support to appointed local citizen boards.

Prepare annual work plans and budget recommendations for the assigned departmental program; administer, amend and execute program work plans and budgets each fiscal year.

Supervise assigned staff, which includes training, work assignment and review, mentoring, employee discipline and performance evaluation.

Review proposed development applications for compliance with planning and land use plans, policies and regulations.

Conduct research, gather, compile and analyze data from various sources and surveys.

Determine solutions to problems; prepare plans and reports with recommendations.

Answer inquiries from the public, developers and interested agencies on long-range master plans, current regulations, codes, ordinances and other division functions and projects.

Develop a variety of alternative solutions for land development projects to ensure compliance with comprehensive planning objectives and regulations.

Make presentations before the Washoe County Board of Adjustment, Washoe County Planning Commission, Board of County Commissioners, appointed County boards or committees, Tahoe Regional Planning Agency Board and appointed bodies, Truckee Meadows Regional Planning boards and commissions and other governing or advisory boards and agencies.

Represent the County at various community advisory and industry meetings.

Review Board of County Commission staff reports for completion and compliance with policies and codes.

Ensure that assigned personnel perform duties and responsibilities in a safe and prudent manner that does not expose them or others to unnecessary harm or risk of on-the-job injury.

JOB RELATED AND ESSENTIAL QUALIFICATIONS

Full Performance *(These may be acquired on the job and are needed to perform the work assigned.)*
