### ANIMAL CONTROL OFFICER LEAD

#### **DEFINITION**

Under general supervision, provides lead direction and work coordination for Animal Control Officers; enforces applicable County ordinances and state laws governing the care, control, licensing, impoundment, and euthanasia of animals; and performs related work as required.

#### **EXPERIENCE AND TRAINING REQUIREMENTS**

Two years of full-time experience as an Animal Control Officer; OR three years of progressively responsible experience in the care and handling of animals in a professional work environment including interviewing the public, assessing information, and making determinations; OR three years of experience in the enforcement of local, state, or federal codes/laws; OR an equivalent combination of training and experience. Four years of full-time active duty in the military may be substituted for required law enforcement experience.

#### **LICENSE OR CERTIFICATE**

A valid driver's license is required at the time of appointment.

Possession of, or ability to obtain, a valid certification as a euthanasia technician is required within one year of appointment.

Possession of, or ability to obtain, a valid Training Instructor certification for Oleoresin Capsicum Spray is required within one year of appointment.

Possession of, or ability to obtain, a valid pharmacy certificate/controlled substance license is required within one year of appointment.

#### **SUPERVISION EXERCISED**

Exercises lead direction over Animal Control Officers and technical supervision in the absence of a Field Supervisor.

#### **EXAMPLES OF DUTIES** *(The following is used as a partial description and is not restrictive as to duties required.)*

Inspect animal facilities to ensure conformance to laws; explain violations and need for correction of such things as poor sanitary conditions, inadequate food, sick or injured animals and over-crowded conditions; issue warnings and citations as appropriate.

Serve as a field training officer for new employee training in animal services enforcement functions and methods; provide training for new staff in operations, policies, and procedures; develop training schedules and class assignments; provide recertification training for existing Animal Control Officers.

Provide lead direction to Animal Control Officers to include assigning and reviewing work; establishing work procedures; providing input on performance evaluations and disciplinary matters.

Conduct various in-service training for officers on rabies, bites, dangerous animals, neglect, cruelty, and abandonment cases.

Present educational workshops for school, civic, and other community groups; handle public relations and special needs cases; prepare written and verbal presentations; present at other speaking engagements.

Patrol County areas in a radio-dispatched vehicle to investigate, locate, capture, and impound domestic animals and respond to calls and complaints from the public concerning stray, nuisance, dangerous, injured, or dead domestic animals.

Supervise the investigation into complaints and reports of bites, cruelty, abuse, stray/nuisance, wildlife, livestock, exotic pets, and neglect or abandonment of animals by citizens and other providers of animal care; assist officers in field interviews/investigations; and approve investigative reports prepared by officers.

Explain animal services ordinances and policies to the public and concerned parties.

Euthanize animals in a prescribed manner, according to appropriate laws and established policies; assist in the preparation of rabies samples.

Issue warning notices and citations to ordinance violators.

Maintain records of impounded animals.

Document non-compliance cases for prosecution and appear in court to present evidence as needed.

Fill in for supervisor when necessary, ensuring acceptable protocol, policies, and procedures are followed.

Perform any and all of the Examples of Duties found within the Animal Control Officer job description.

Ensure that assigned personnel perform duties and responsibilities in a safe and prudent manner that does not expose them or others to unnecessary harm or risk of on-the-job injury.

## **JOB RELATED AND ESSENTIAL QUALIFICATIONS**
