**AGREEMENT BETWEEN THE COUNTY OF WASHOE  
AND THE WASHOE COUNTY SHERIFF DEPUTIES ASSOCIATION**

**ARTICLE 1 - PREAMBLE**

This Agreement is entered into as of July 1, 2019, between the County of Washoe, Nevada, hereinafter referred to as the "County", and the Washoe County Sheriff Deputies Association, hereinafter referred to as the "Association." It is the intent and purpose of this Agreement to assure sound and mutually beneficial working and economic relationships between the parties hereto, to provide an orderly and peaceful means of resolving any misunderstandings or differences which may arise, and to set forth herein, pursuant to the provisions of NRS 288, the basic and full agreement between the parties concerning rates of pay, wages, hours of employment and other conditions of employment.

**ARTICLE 2 - RECOGNITION**

In accordance with the provisions of NRS 288, the County has recognized and does recognize the Association as the exclusive bargaining representative of those employees in the bargaining unit:

Classification in the bargaining unit:

Deputy Sheriff

The parties recognize that additional classifications may be established which are assigned to the unit.

In the event that the County establishes a new classification which is to be assigned to the bargaining unit or changes an existing bargaining unit classification, the Association will be notified in writing of the proposed new established wage rate and job description or changed classification prior to adoption to allow the Association an opportunity for discussion.

If, within thirty (30) days of notification of the proposed wage rate for the new classification, the Association provides written notification of their disagreement with the rate established and agreement is not reached, the wage rate for the new classification may be submitted to arbitration.

In the event of a merger or consolidation within Washoe County, the County agrees to negotiate with the Association over the impact and affect on bargaining unit members of such a decision. In the event of the formation of a Metropolitan Police Department within Washoe County, the parties will be governed by NRS 280.300.

This recognition does not include temporary employees who work less than six (6) consecutive months.  
(Revised 1-1-98)

**ARTICLE 3 - STRIKES AND LOCKOUTS**

The Association will not promote, sponsor, or engage in any strike against the County, slow-down, or interruption of operation, concentrated stoppage of work, absence from work upon any pretext or excuse such as illness, which is not founded in fact; or any other intentional interruption of the operations of the County, regardless of the reason for so doing, and will use its best efforts to induce all employees covered by this Agreement to comply with this pledge.

The County will not lock out any employees during the term of this Agreement as a result of a labor dispute with the Association.

## ARTICLE 4 - RIGHTS OF MANAGEMENT

The County has the right and is entitled without negotiation to:

- (a) Direct its employees;
- (b) Hire, promote, classify, transfer, assign, and retain its employees.
- (c) Suspend, demote, discharge, or take disciplinary action against any employee with just cause and pursuant to the provisions of this Agreement provided, however, that the County shall not assign or transfer an employee as a form of discipline;
- (d) Relieve any employee from duty because of lack of work or lack of funds;
- (e) Maintain the efficiency of its governmental operations;
- (f) Determine the methods, means and personnel by which its operations are to be conducted, except for considerations of personal safety;
- (g) Take whatever actions may be necessary to carry out its responsibilities in situations of emergency;
- (h) Contract or subcontract matters relating to County operations, provided that such contracting or subcontracting shall not be entered into for the purpose of circumventing this Agreement. The Association shall be consulted and allowed input prior to any contracting or subcontracting of bargaining unit work that would have an impact on bargaining positions.
- (i) Determine appropriate staffing levels and work performance standards, except for safety considerations. The Sheriff and the Association will meet at least quarterly, and more frequently by mutual agreement, for the purpose of consulting on minimum staffing levels in patrol and detention, per shift and unit. Once the policy is in effect, a good faith effort will be made to maintain minimum staffing levels. The policy may be changed by the Sheriff after consulting with the Association.
- (j) Determine the content of the workday, including without limitation workload factors, except for safety considerations.

Unless specifically modified by this Agreement, all rights and responsibilities of the County shall remain the functions of the County.

(Revised 1-1-04)

## ARTICLE 5 - RIGHTS OF ASSOCIATION

A. The Association President or designee shall be allowed up to twenty (20) paid hours per workweek to accomplish general Association business as defined in paragraph C.2. below.

B. The Association President shall be allowed an additional two hundred (200) hours paid time per contract year to accomplish general Association business as defined in Paragraph C.2. below. The President is permitted at his/her discretion to delegate use of said time to other Association officers to include board members. Additional release time may be approved by the Sheriff on a case-to-case basis.

C.

1. The Association may designate eight (8) local Association representatives in addition to the officers above. The Association shall notify the Sheriff's Office, in writing, of the name of any local Association representative and his/her jurisdictional area as soon as practicable.

2. The Sheriff's Office shall provide the Association representatives reasonable opportunity to utilize the above release time to serve in his/her capacity. The representative may utilize that time to participate in any of the duties arising within his/her jurisdictional area, those duties being defined as:

- (a) The investigation of a bargaining unit member's grievance or potential grievance;
- (b) Representation of a member/grievant at any step of the grievance procedure established herein;

- (c) Consultation with duly accredited representatives of the Association on matters involving the Association's relationship with the County; and
- (d) Attending County functions/meetings, which have a direct impact on the Association.

3. The representative shall notify his/her immediate Supervisor each time he/she wishes to conduct appropriate business and may be relieved of duty unless operational demands preclude permission to leave the work location being granted. Appropriate use of representative time, as provided herein, shall not be abused by the employee, and use of said time will not be unreasonably withheld by the responsible supervisor.

D. For each separate fiscal year covered by the term of this Agreement, the Association will use leave without pay, annual leave, or bonus leave for members to attend meetings, conferences, legislative sessions and conventions or to attend to other Association business, other than that covered in paragraph C.2. of this provision. Per Diem and/or travel shall not be provided by the Office. The scheduling of time off under this provision requires the advance approval of the Sheriff or his designated representative.

E. The County agrees to provide the Association with three (3) areas at Parr Boulevard and one (1) area at Incline Substation for the Association to post one (1) bulletin board. Each bulletin board shall not exceed three (3) feet by four (4) feet in area. Materials shall be posted upon bulletin boards specifically as designated, and not on walls, doors, file cabinets or any other place. The material posted on bulletin boards shall not be obscene, defamatory, derogatory, or of a partisan political nature, nor shall it pertain to public issues which do not involve the County or its relationship with the Association. All posted material shall bear the identity of the sponsor, shall be signed by a duly appointed representative of the Association, shall be neatly displayed, and shall be removed as soon as no longer timely. All costs incident to preparing and posting of Association material will be borne by the Association. The Association may use County telephones and County computers for E-mail in carrying out those duties identified in paragraph C.2. above and any other appropriate purpose that has been specifically approved by the Sheriff.

F. The County recognizes its statutory obligation to negotiate any departmental rule, policy or procedure that is related to a mandatory subject of bargaining as enumerated under NRS 288.150. In the event there is a dispute over whether a rule, policy or procedure falls within the scope of mandatory bargaining, said dispute shall be submitted to the Local Government Employee-Management Relations Board and shall not be subject to the grievance procedure contained in this Agreement.

G. The Sheriff, or his/her designee, and the County Labor Relations Manager shall meet bi-monthly if needed and requested by either party with representatives of the Association for the purpose of engaging in Labor Management meetings. The purpose of said meetings is to informally discuss matters of concern and/or interest to either party.

On-duty time shall be provided for three (3) Association representatives, and may be increased if both parties mutually agree.

(Revised 2-21-01)

H. Effective July 1, 2005, the County shall allow each deputy covered under this agreement to voluntarily contribute up to three (3) hours of vacation or compensatory time to be maintained in a leave bank for use by the Association. Effective beginning with the 2014 vacation leave balances in effect as of December, 2014, the County shall allow each deputy to donate his or her vacation leave in excess of 240 hours to the Association Business leave bank in lieu of forfeiting said vacation per Article 12(C). Time will be donated and deducted once on an annual basis and an employee must submit a written request to payroll on or before the end of the payroll period encompassing December 31. This time may be used by the Association to release any member from regular duty to perform Association business as determined by the Association. This time cannot be unreasonably denied by the County or Sheriff's Office management. In the event that the hours are not completely used in the calendar year, excess hours will be maintained in the bank. Under

no circumstances, will the Association Business leave bank exceed 2,080 hours of donated or contributed leave hours. The president of the Association is permitted, at his or her discretion, to delegate use of said time to other Association members.  
(Revised 12-31-14)

I. The parties agree that this Agreement is the product of negotiations during which both parties made offers and counteroffers on numerous topics both economic and non-economic, including Association release time as described in this Article, and agree the full cost of release time for Association business for the term of this Agreement has been offset by the value of concessions made by the Association during the course of negotiations of this Agreement.

#### **ARTICLE 6 - NON-DISCRIMINATION**

A. The County will not interfere with or discriminate in respect to any term or condition of employment against any employee covered by this Agreement because of membership in or legitimate activity as required in this Agreement on behalf of the members of a negotiating unit, nor will the County encourage membership in another employee organization.

B. The Association recognizes its responsibility as the exclusive negotiating agent and agrees to represent all employees in the respective negotiating units without discrimination, interference, restraint, or coercion.

C. Except during emergency situations, employees shall be permitted to take two (2) fifteen (15) minute coffee breaks or rest periods during each work day.

D. In the event that the Sheriff of Washoe County determines a ten (10) hour day, forty (40) hour workweek is more beneficial to the department; such hours shall constitute a normal work day.

E. This Article is intended to be construed only as a basis for calculating overtime and shall not be construed as a guarantee of hours of work per day or per week.

F. Employees who work ten (10) hour shifts, in addition to the two (2) fifteen (15) minute breaks referenced in C. above, shall be entitled to a one-half (1/2) hour paid break for a meal period except as provided in G. below.

G. In order to facilitate coverage for employees, who work ten (10) hour shifts in the Detention Bureau, the Sheriff may require detention deputies to combine the break/lunch periods to two (2) one-half (1/2) hour breaks during the ten (10) hour shift. If scheduling problems develop, the Sheriff may require detention deputies to combine the break/lunch periods to one (1) one (1) hour break during the ten (10) hour shift. If a dispute arises regarding implementation of this section the parties shall meet and confer and attempt to resolve the dispute. The decision of the Sheriff shall be final and binding.  
(Revised 1-1-95)

H. The parties hereby recognize that review of twelve-hour shifts and other alternative work schedules is ongoing, and agree to incorporate by reference any subsequent Memorandum of Agreement executed between the parties during the term of the labor agreement.

Alternative bidding cycles may be mutually determined appropriate for either/or Administrative, Detention or Operations Bureaus. The shift schedule shall be posted not less than fifteen (15) days prior to the shift bid date. Once posted, there shall be no changes made to the schedule without consulting the Association. C. **Holiday Eligibility:** In order to be eligible for holiday pay, an employee must be in a paid status both the scheduled work day before and the scheduled workday after the holiday. This provision shall not apply if the employee is forced to take unpaid time off due to disciplinary measures either preceding or following a holiday. Employees who are off-duty on worker's compensation shall be considered on paid status and shall receive holiday pay. - d. Under no circumstances should work schedules be arbitrarily changed during a holiday week, unless assigned and approved by management.

1. **Holiday Not Worked:** If a holiday, as defined by this article, falls on the employee's regularly scheduled work day and the employee does not report to work and instead has the day off then the employee shall receive holiday pay, taken as cash only, at their regular, straight time hourly pay rate for the amount of hours that the employee would have normally worked.

2. **Holiday Off (RDO):** If a holiday, as defined by this article, falls on the employee's regular day off (RDO), then the employee shall receive an additional payment of holiday "special" pay hours, taken as cash only, equal to the number of hours of the employees regularly scheduled shift, at their regular, straight time hourly pay rate. The decision as to whether compensation for "holiday worked" hours shall be in cash and/or compensatory time shall be made at the time it is worked and shall be solely the decision of the employee. Compensation for "holiday pay" hours (Pay Code 0005) must be taken as cash.

4. **Holiday Overtime:** If an employee works over the maximum of his/her regularly scheduled shift on a holiday, as defined by this article, he/she shall be compensated by receiving 2.5 times his/her regular, hourly pay rate for each hour or major fraction worked on that holiday, in addition to receiving holiday worked pay and holiday pay. 5. **Weekend Holiday Pay:** When an employee eligible for holiday pay, has his/her normal, regular work schedule fall on one of the "Weekend Holidays", as described in Section B. above, the employee shall be compensated a flat rate of \$250.00 in addition to his/her regular, hourly pay rate for working the weekend holiday. **A. Vacation Accrual for Full-Time Employees:**

Effective June 30, 2016, each full-time employee shall be entitled to forty-eight (48) hours vacation leave credit following the completion of six (6) months continuous County service.

**Annual Vacation Earning Rate**

<b><u>Years of Continuous Service</u></b>	<b><u>Hours Earned</u></b>
Less than three (3) years	96 hours
Three (3) but less than five (5) years	136 hours
Five (5) but less than ten (10) years	152 hours
Ten (10) but less than fifteen (15) years	176 hours
Fifteen (15) but less than twenty (20) years	192 hours
Twenty (20) years or more	200 hours

For the purpose of computing credit for vacation, each employee shall be considered to work not more than forty (40) hours each week.

Total County service, even though interrupted, will be counted if a person returns to County service within three (3) years of his/her date of separation and has worked three (3) continuous years subsequent to reemployment.

**B. Vacation Accrual for Part-Time Employees:**

Upon completion of six (6) months continuous service, and thereafter, each part-time employee in the Sheriff's Office shall be allowed vacation leave credit prorated on the basis of the rates set forth above for full-time employees.

**C. General Provisions:**

1. Vacation leave may be accumulated from year to year not to exceed two hundred forty (240) hours. Amounts in excess of two hundred forty (240) hours as of the end of the payroll period encompassing December 31 shall be forfeited unless:

a. an employee, on or before October 15, requests permission to take annual leave, and the employee's request is denied, the employee is entitled to payment for any annual leave in excess of two hundred and forty (240) hours which the employee requested to take and which the employee would otherwise forfeit as a result of the denial of the employee's request. The Sheriff's obligation is only to afford the employee the ability to use their annual leave, which may not necessarily be the dates requested by the employee. *For example*, an employee on October 1 requests to use forty (40) hours annual leave for the five (5) workdays preceding Christmas. The Sheriff may deny said time off, and still allow the employee to use their annual leave at a different time prior to the end of the year to avoid forfeiture of annual leave.

b. an employee, submits a written request to payroll on or before the end of the payroll period encompassing December 31, to donate his or her vacation leave in excess of 240 hours to be maintained in a leave bank for use by the Association as defined in Article 5H.

(Effective 12-31-14)

2. An employee shall be paid at his regular hourly rate for each hour of vacation leave time taken. Vacation leave shall be charged on the basis of one (1) hour for each full hour or major portion of an hour of vacation leave taken.
3. Vacation leave taken during a biweekly period shall be charged before vacation leave earned during that pay period is credited.
4. Choice of vacation leave dates shall be granted whenever practical but the operating requirements of the County, as determined by the Sheriff, shall prevail. Where more employees than can be spared request a particular period, preference will be in order of seniority in grade, provided the remaining employees are qualified to do the work.
5. Vacation leave shall not be granted in excess of the vacation credit earned one pay period prior to the start of an employee's anticipated vacation leave usage.
6. Upon separation from service for any cause, an employee shall be paid a lump sum payment for any unused or accumulated vacation leave earned through the last day worked. If this date is earlier than the last day of the pay period, the vacation credit shall be prorated for that pay period. Under no circumstances shall cash payment be made for accrued vacation while an employee is in regular employment status.

(Revised 7-01-19)

### **ARTICLE 13 - SICK LEAVE**

A. Each employee in the service of the County for less than ten (10) years shall be credited with sick leave at the rate of one and one-fourth (1-1/4) working days for each month of full-time service, which is cumulative from year to year.

Each employee in the service of the County for ten (10) or more continuous years of service shall be credited with sick leave at the rate of one and one-half (1-1/2) working days for each month of full-time service, which is cumulative from year to year.

B. An employee is entitled to use accrued sick leave only:

When incapacitated to perform the duties of his/her position due to sickness, injury, pregnancy or childbirth;

When quarantined;

When receiving required medical or dental service or examination;

For adoption of a child if the Child Welfare Services/Adoptions Unit of the Department of Human Services or any other appropriate public agency requires the employee to remain at home with the child; or

Upon illness in the employee's immediate family where such illness requires his/her attendance. For this purpose "immediate family" means the employee's spouse, parents, (including step), children (including step), and, if living in the employee's household, includes corresponding relations by affinity to the above, foster children, foster parents, brothers or sisters.

In the event of a death in the employee's immediate family, he/she may use accrued sick leave not to exceed five (5) days if the death is in the State of Nevada, or seven (7) days if the death is outside the State of Nevada for each death. For this purpose "immediate family" means the employee's spouse, parents (including step), children (including step), brothers, sisters, grandchildren, grandparents, aunts, uncles, nieces, nephews, or corresponding relation by affinity and, if living in the employee's household, includes foster children and foster parents.

C. An employee requiring sick leave must, if required, provide the Sheriff with evidence of such need. For absences in excess of three (3) days, or in cases where there is reasonable suspicion of abuse, the Sheriff may require the employee to submit substantiating evidence, including, not limited to, a physician's certificate. (Revised 7-1-91)

D. If any employee does not have adequate accrued sick leave time, the Sheriff may grant the use of accrued vacation, compensatory, and/or personal leave in lieu thereof. In no case, however, will sick leave be granted in lieu of vacation time.

E. Sick leave shall be charged on an hourly basis for each full hour or major portion of an hour of sick leave taken. Holidays occurring during a sick leave period shall not be counted as sick leave time. Sick leave taken during a biweekly pay period shall be charged before sick leave earned that pay period is credited.

F. An employee separated from the service shall earn sick leave only through the last working day for which he/she is entitled to pay. Upon death, retirement, permanent disability, or termination of an employee after ten (10) years of full-time employment or its equivalent if the employee has not served as a full-time employee for reasons other than discharge for just cause, an employee shall be compensated for total accrued sick leave at the rate of one (1) hour's pay at his/her regular hourly rate for every three (3) hours of sick leave accrued to a maximum payment of eight-hundred (800) hours.

(Revised 1-1-01)

An employee who is eligible for purchase of service credits under the Nevada Public Employee's Retirement System (PERS), and who elects to convert unused sick leave ( $\frac{1}{3}$  x sick leave, up to the cap maximum), vacation and/or compensatory time into retirement service credit shall be responsible for contacting County Payroll, PERS and the Deferred Comp Provider directly to coordinate the purchase of service credit at least sixty (60) days in advance of their anticipated retirement date. The County Payroll Department, upon an employee's written request, shall calculate the sick, annual leave, and compensatory time payout estimate, minus applicable taxes and deductions, to determine the approximate net amount the employee will have to purchase retirement credit. The employee shall be advised of this amount that may be used to purchase retirement credit. The employee is solely responsible for making timely arrangements and entering into an agreement with PERS to purchase the service credit and with the Deferred Comp Provider to coordinate the amount of final payout to be deducted and deposited by County Payroll with the Deferred Comp Provider which in turn is transferred to PERS. County Payroll must receive a Deferred Comp Provider Change Form from the employee authorizing the payroll deduction from their final paycheck before they can proceed to deduct the amount designated as of their termination of employment, (provided their leave banks have not been reduced since the estimate was determined).

G. As long as an employee is in a paid status, he/she shall earn sick and vacation leave during the time he/she is on such leave. If the employee is on leave without pay, he/she shall not earn sick or vacation leave during the time he/she is on such leave.

H. Employees who use zero (0) to thirty-two (32) hours of sick leave as of the last full pay period in a calendar year shall receive twenty-four (24) hours of personal paid leave credit at the end of the first full pay period the following January. Employees who use thirty-three (33) to forty (40) hours of sick leave in a calendar year shall receive eight (8) hours of personal paid leave at the time specified above. Permanent part-time employees shall receive a prorated amount of personal paid leave at the same ratio as their regular work hours relate to a full-time work schedule. The personal leave must be used in the calendar year in which it is credited and if not used will be forfeited. There will be no cash payment for personal leave that is not used. In order to receive this personal leave benefit, an employee must be in a paid status (either working or on paid leave) the entire calendar year.

I. Employees shall be allowed to voluntarily transfer up to a maximum of eighty (80) hours of their accumulated vacation leave or compensatory leave during any calendar year to another employee who has no accumulated sick leave hours, but who is otherwise eligible to take paid sick leave. Donated leave must be converted into money at the hourly rate of the donor and the money must be converted into sick leave at the hourly rate of the recipient. The maximum amount of accumulated leave transferred to any employee under the terms of this article shall be four hundred and eighty (480) hours per calendar year. Once leave has been donated and transferred, such leave hours shall not be refundable to the donor making the transfer. (Revised 2-21-01)

#### **ARTICLE 14 - JOB-CONNECTED INJURIES**

A. In the event an employee is absent due to a temporary total service-connected disability which has been approved by the County's Claims Administrator, and which disability is the result of the employee performing activities which are unique to peace officers, the employee shall receive compensation as determined by the County's Claims Administrator plus that amount from the County which would cause the total amount received by the employee from both the County's Claims Administrator and the County to equal his/her salary at the time of his/her disability until such time as there is a medical determination made as to whether the employee can be returned to duty or is permanently disabled. During this period, the employee shall not be charged with the use of any accrued sick leave, annual leave or other forms of leave. This provision shall not apply to a service-connected disability, which occurs while the employee is carrying out incidental duties to his/her peace officer duties.

B. Activities unique to peace officers include traffic stops, pursuit of suspects, response to emergencies or calls for assistance, physical altercations, transportation of inmates and searches conducted on individuals, buildings, vehicles and outdoors. Activities that are incidental to peace officer duties are those which can reasonably be expected to be performed by non-peace officers, such as writing reports, entering and exiting vehicles (unless on a traffic stop), walking and climbing stairs. The activities listed are not all-inclusive. The initial determination whether a disability is the result of the employee performing activities which are unique to peace officers shall be made by the County, and any dispute shall be resolved through the grievance process.

C. It is the intent of the County to pay the on-the-job injured employee who meets the conditions set forth above, the difference between his/ her full bi-weekly base salary and that provided by the County's Claims Administrator. Therefore, the employee shall return to the County Treasurer all temporary total disability payments made by the County's Claims Administrator covering the period enumerated in Section A. of this Article. No supplemental benefit provided for in Section A. shall be given until after the employee has deposited his/her lost time benefit check with the Treasurer.

D. In the event an employee is absent due to a service-connected disability which has been approved by the County's Claims Administrator, and which disability is the result of the employee carrying out incidental duties to his/her "peace officer" duties, the employee may elect to utilize accrued sick leave during which period the employee shall receive compensation from the County as provided in Nevada Revised Statutes. When accrued sick leave has expired, if the employee is still, because of disability, unable to work, he/she will be permitted to use his/her accrued vacation leave as sick leave. Subsequent to the expiration of both the employee's sick and vacation leave, provided the employee has so elected to use his/her sick and vacation leave, the employee shall receive compensation checks directly from the County's Claims Administrator and he/she shall be considered on a leave of absence without pay from the County.

E. The Sheriff and the Association will meet at least quarterly, and more frequently by mutual agreement, for the purpose of consulting on light duty policies for deputies injured on or off duty. The Sheriff may change the policy after consulting with the Association. (Revised 1-1-95)

## ARTICLE 15 - SALARIES

The County shall pay retroactive pay to all Deputies who retired and began drawing PERS, and to the family of any Deputy who died between July 1, 2009 and the date the WCSDA contract is approved by the Washoe County Commissioners.

(Revised 7-01-05)

Every employee will be paid every other Friday with salary computed through the immediately preceding Sunday. The amount of pay shall be for the number of hours on duty or on authorized leave, or as otherwise provided for in accordance with the provisions of this contract. Salaries for each class title shall be paid in accordance with the Compensation Schedules attached hereto and thereby incorporated herein, as Exhibit A. The salaries shown in Exhibit A of this Agreement are subject to change during the term of the Agreement due to increases or decreases in the retirement contribution for Nevada's Public Employee Retirement System in accordance with NRS 286.421.

Upon promotion, employees shall receive the beginning step or that step which provides at least a seven percent (7%) increase above the employee's base salary, whichever is greater.

(Revised 1-1-04)

## ARTICLE 16 - OVERTIME, CALL-BACK AND STANDBY PAY

A. Overtime shall be defined as any time worked in excess of the normal workweek or the normal work shift. Any employee who continues working beyond their normal work shift and who continuously works into their next normal work shift shall continue to receive time and one-half (1-1/2) for all hours continuously worked beyond the initial regular shift, including the hours of their subsequent regular shift, until relieved of duty. Examples may include employees on 24-hour coverage in Narcotics or Detectives/Homicide. Time worked shall include sick leave, vacation and CTO.

B. It is the policy of Washoe County that overtime shall be kept to an absolute minimum consistent with the basic functions and purposes of the Sheriff's Office. If the Sheriff's Office anticipates significant training requirements that will impact and necessitate mandatory overtime affecting regular days off, the Sheriff agrees to meet with the Association for the purpose of discussing potential alternatives which may minimize the impact to employees. Nothing contained herein shall be interpreted to restrict, in any fashion, the right of the Sheriff's office to require employees to work overtime as determined appropriate by management, subject only to the payment as required by Sections C. or E. of this Article.

C. Except as provided in Article 8, overtime pay for law enforcement personnel shall be calculated at one and one-half (1-1/2) times the employee's regular, straight time hourly rate for each hour or major fraction thereof worked.

D. All overtime must have the prior authorization of the Sheriff except when, due to an emergency, the Sheriff's approval cannot be obtained and it appears to the supervisor of the employee that such overtime is necessary.

E. An employee shall be compensated for overtime work in the following manner:

Cash payment computed at the rates established above or employees may choose to accrue compensatory time in lieu of receiving paid overtime. Compensatory time shall be accumulated at the same rate as overtime is paid. Employees may accumulate a maximum number of hours of compensatory time to equal four hundred eighty (480) hours.

The parties agree that an employee may make a written request to the Sheriff to be paid for accrued compensatory time to address unforeseeable financial needs incurred by the employee. The determination of whether to grant the request is at the discretion of the Sheriff following his review of the information set forth in the request and the departmental budget.

(Revised 7-1-09)

F. Call-back:

An employee who is called back to duty by a Supervisor or Scheduling System after an employee has completed his regular shift, is off duty for any period of time, and is requested to return to duty with less than 12 hours' notice, including court appearance, shall be paid at the rate of one and one half (1-1/2) times for each hour so spent, on duty, but not less than two (2) hours for the period called to duty. The employee's duty time shall start when the employee actually reports for duty and ends when the employee is released from duty. If an employee is called back to work early, and works continuously through the beginning of his/her regularly scheduled work hours, the two (2) hour minimum does not apply.

(Revised 7-1-15)

G. Standby Time:

Standby time is defined as any time other than time when the employee is actually working, which has been specifically scheduled and directed by the Sheriff or his designee, during which the employee is restricted in order to be immediately available for call to duty. Standby time does not include any time where an employee carries a pager, cell phone or other device to respond to calls when available. Employees on scheduled standby shall be compensated at the rate of one-fourth (¼) hour pay at the regular hourly rate for each one (1) hour period of standby.

H. If an employee receives a duty related telephone call during non-duty hours from a supervisor, or at the request of a supervisor, the employee shall receive a minimum of 15 minutes work time. If the work time actually extends beyond 15 minutes, the work time shall be rounded to the nearest 15-minute increment. This provision is intended to apply to situations where it is necessary to obtain information from the employee regarding a work situation. It is not intended to apply to calls on matters such as requests to work overtime, or directives given to the employee to report to work early or other reporting instructions.

(Revised 2-21-01)

## ARTICLE 17 - LONGEVITY

All employees covered hereunder who have completed a total of five (5) years or more of full-time service with Washoe County and who, for the preceding review period, have been rated standard or better pursuant to the applicable Washoe County performance evaluation program shall be entitled to longevity pay in an amount equal to one-half of one percent (1/2%) per year of service, up to a maximum of twelve and one-half percent (12 1/2%) which shall not exceed an annual maximum amount of ten thousand dollars (\$10,000). An employee's eligibility for longevity pay shall be reviewed as of June 1 and December 1 of each year with payment to be effected in equal semi-annual installments payable on the first payday of June and December immediately following a determination of eligibility.

An employee's seniority for longevity pay shall include all periods of service from the employee's last continuous permanent County employment date except as provided herein. Periods of separation may not be bridged to extend service unless the separation is a result of a layoff in which case bridging will be authorized if the employee is reemployed in a permanent position in accordance with Article 42, or unless an employee who separates is reemployed within three (3) years of his/her date of separation and has worked three (3) continuous years subsequent to reemployment.

For qualifying employees retiring or resigning before the due date of any semi-annual increment, the amount of the payment shall be prorated.

Prior to the June 2018 longevity payment, the foregoing annual maximum longevity cap will be reviewed and will be adjusted by the annual percent increase in the Consumer Price Index-All Urban Consumers (CPI-U) for the prior calendar year. Refer to Exhibit C for a historical listing of annual percentages.

(Revised 10-01-17)

The County agrees to provide a group medical plan, including dental coverage, to all members of the Association and shall pay one hundred percent (100%) of the premium attributable to employee coverage under this plan during the life of this Agreement. In the event an employee elects dependent coverage, the County shall pay fifty percent (50%) of the premium for such coverage.

(a) Employees hired or rehired on or after July 1, 2016 will be enrolled into the High Deductible Health Plan (HDHP) and required to remain in the plan for a minimum of two (2) full plan years. The County agrees to pay one hundred percent (100%) of the premium attributable to employee coverage, and in the event an employee elects dependent coverage, the County shall pay fifty percent (50%) of the premium for such coverage.

If the Committee recommendation is rejected by the County Commission, the Commission shall define their objections and parameters and the Insurance Committee shall, within fifteen (15) days of being notified of the Commission's objections and parameters, meet and attempt to redefine plan modifications which meet the Commission-established parameters. If the parties are unable to agree on the arbitrator, they shall obtain a list of five (5) experienced arbitrators with in-depth knowledge of public sector insurance systems who are not associated with Washoe County or with the Washoe County Association bargaining units. The list may be obtained from AAA, Federal Mediation and Conciliation Service or any other mutually agreed upon organization. In selecting from the list, the parties shall alternately strike from the list to select the arbitrator. The right to strike the first name from the list shall be determined by the toss of a coin.

Should mediation not resolve the dispute an expedited hearing with the selected arbitrator shall occur.

**6. Release Time:** Any insurance committee member shall be granted time off from their assigned duties with Washoe County to attend the hearing at the County's expense. No overtime costs shall be paid to any employee attending the hearing.

### C. Washoe County Retiree Health Insurance Program

NOTE: Pursuant to NRS 287.0205, any Washoe County retiree may enroll in the Washoe County Health Insurance Program, without the County-provided health insurance premium subsidy, if eligibility and enrollment requirements under NRS 287.0205 are met. Upon enrollment, such a retiree pays the actual cost of the premium.

Eligibility for the Retiree Health Insurance Program is based on the employee's original date of hire and total years of County service.

1. Tier 1(A): For those individuals employed by the County between May 3, 1977, and January 13, 1981, the following provisions apply:

(a) The County will pay 50% of the medical insurance premium attributable to the employee for participation in the County's Retiree Health Insurance Program upon the employee's retirement and receipt of benefits from Nevada PERS, provided the employee has at least a total of ten (10) years of full-time County employment.

(b) The County will pay 75% of the medical insurance premium attributable to the employee for participation in the County's Retiree Health Insurance Program upon the employee's retirement and receipt of benefits from Nevada PERS, provided the employee has at least a total of fifteen (15) years of full-time County employment.

(c) The County will pay 100% of the medical insurance premium attributable to the employee for participation in the County's Retiree Health Insurance Program upon the employee's retirement and receipt of benefits from Nevada PERS, provided the employee has at least a total of twenty (20) years of full-time County employment.

(d) The payments specified in (a), (b), and (c), above, will be made in accordance with and are subject to all applicable laws in effect at the time of the employee's retirement, and are contingent upon the employee being medically eligible to be reinstated into the County's Retiree Health Insurance Program if there has been a break in coverage under the County's Health Plan.

2. Tier 1(B): For those employees hired on or after January 13, 1981, the provisions listed in Section.1. above, are applicable except that in order to receive the retiree health insurance benefits an individual must be an employee of Washoe County immediately prior to drawing retirement benefits.

3. The parties recognize that the cost of retiree health insurance should be considered a current benefit earned and paid for during an individual's employment with the benefit simply being deferred until

retirement. Based upon this, the parties recognize that the funding of the retiree health insurance program must be addressed during the period of employment of active employees in order to try and ensure the fiscal integrity of the program in the future and in order to try and ensure that the benefit upon retirement can be provided. Additionally, the parties recognize that the prefunding of the service cost of this program, which is addressed below, only represents a portion of the funding obligations of this program and that the parties will address the unfunded liability portion of this program in the future. At the point in time when the retiree health insurance program is fully prefunded, with no unfunded liability remaining, the retiree health insurance program will be fully considered a current benefit earned and paid for during an individual's employment with the benefit simply being deferred until retirement. With those mutual recognitions and understandings, the parties herein agree to prefund the program annually at the actuarially determined service cost amount attributable to this bargaining unit beginning July 1, 1996. The amount of the service cost attributable to this bargaining unit will be a percentage of the number of employees represented by the bargaining unit compared to the number of employees covered under the County's Health Benefit Program.

4. Tier 2: For those employees hired on or after January 1, 1998 through June 30, 2010, the County will pay the portion of the medical insurance premium in the form of a subsidy as established by the County. This subsidy may only be used to offset the cost of the medical plan premium offered through the Washoe County Retiree Health Insurance Program. Upon reaching the age of Medicare eligibility, employees referenced in this section must enroll in Medicare Parts A and B, with Medicare becoming primary coverage and Washoe County becoming secondary, should they elect to remain in the County Retiree Health Insurance Plan. In order to receive the retiree health insurance benefits and individual must be an employee of Washoe County immediately prior to drawing retirement benefits.

(a) Forced Medical Retirement – In the event a Tier 2 employee with at least 10 years of continuous service has a service-related injury, accepted by the County's Workman's Compensation, or ordered by an administrative body or court of competent jurisdiction after a denial by the County's Workman's Compensation, which forces a medical/disability retirement, accepted by PERS as a medical retirement, shall receive the 20-year subsidy upon retirement and immediate enrollment in the County's retiree health insurance plan.

5. Washoe County will provide a monthly subsidy to the employees referenced in paragraph 4 at the rates provided in Exhibit E based on age and years of County service prior to retirement from the County, with a minimum of five (5) years of service and maximum of twenty (20) years of service. Effective January 1, 2020, and each year thereafter, the amounts in the schedule shall be adjusted to the nearest dollar annually to reflect any change using the CPI Medical Index. Revised 7-1-19)

(a) Retirees in this Tier, receiving a subsidy, that elect to enroll in the HDHP with HRA shall receive any overage difference between the subsidy and the Retiree Only premium in their HRA.

6. Tier 3: Employees hired after June 30, 2010 and on or before June 30, 2040, who retire with twenty (20) years of continuous service with WCSDA and/or WCSSDA, shall receive a subsidy equivalent to the 20-year subsidy provided to Tier 2 retirees.

(a) This subsidy may only be used to offset the cost of the medical plan premium offered through the Washoe County Retiree Health Insurance Program. Upon reaching the age of Medicare eligibility, employees referenced in this section must enroll in Medicare Parts A and B, with Medicare becoming primary coverage and Washoe County becoming secondary, should they elect to remain in the County Retiree Health Insurance Program. In order to receive the retiree health insurance benefits an individual must be an employee of Washoe County immediately prior to drawing retirement benefits.

(b) Employees in this Tier, receiving a subsidy, that elect to enroll in the HDHP with HRA, shall receive the difference between the subsidy and the HDHP Retiree Only premium in their HRA, if any.

(c) Forced Medical Retirement – In the event a Tier 3 employee with at least 10 years of continuous service has a service-related injury, accepted by the County's Workman's Compensation, or ordered by an administrative body or court of competent jurisdiction after a denial by the County's Workman's Compensation, which forces a medical/disability retirement, accepted by PERS as a medical retirement, shall receive the 20-year subsidy upon retirement and immediate enrollment in the County's retiree health insurance plan.

(Added 7-1-22)

7. Tier 4: Availability of the retiree medical premium subsidy shall expire for employees hired after June 30, 2040 (Tier 4). Therefore, there will be no retiree medical health care premium contribution by the County for those hired on or after July 1, 2040. For those electing to enroll in the County's Retiree Health Insurance Program, upon reaching the age of Medicare eligibility, employees in this Tier must enroll in Medicare Parts A and B with Medicare becoming primary coverage and Washoe County becoming secondary, should they elect to remain in the County's Retiree Health Insurance Program.

D. The County agrees to provide health insurance coverage and shall pay one-hundred percent (100%) of the premium for spouses and dependent children of any member of the bargaining unit who is killed in the line of duty and which member has said spouse and dependent children covered under the County's medical insurance plan at the time the member was killed. The spouse shall be covered until normal retirement age or remarriage, whichever occurs first. The dependent children shall be covered up to age twenty-six (26).

(Revised 7-01-22)

#### **ARTICLE 19 - MEDICAL EXAMINATIONS AND PREVENTIVE HEALTH CARE**

Each employee shall receive a complete physical examination annually. Additionally, whenever an employee is exposed to carcinogenic materials or communicable diseases that have been verified by the Washoe County District Health Department or other appropriate medical authority, said employee shall receive appropriate examinations, and/or treatment. Additionally, employees shall be permitted to receive Hepatitis - B vaccinations. Any employee who elects to receive this immunization and who then fails to comply with the medical guidelines of this immunization program shall have the expense of his/her immunization deducted from his/her pay.

#### **ARTICLE 20 - UNIFORM ALLOWANCE**

A. The County of Washoe shall pay to every employee a uniform allowance at the rate of two hundred fifty dollars (\$250) per quarter, payable quarterly the first payday in April, July and October and the last payday in December.

(Revised 7-01-14)

B. Present employees who have been required to purchase new uniforms since the qualification of the present Sheriff may claim reimbursement for such purchase.

C. The County of Washoe shall furnish the required uniforms to every new employee and to any present employee when required by the Sheriff to replace uniform items, which uniforms shall remain the property of the County.

D. When replacement of any item of uniform or equipment is required due to normal wear, such replacement shall be at the County's expense. When replacement of any item of uniform is required as a result of an employee's negligence or misconduct, such replacement shall be at the employee's expense.

E. The County will reimburse an employee for the repair or replacement cost of a non-uniformed item of clothing or equipment that is damaged or destroyed in the line of duty up to an amount not to exceed the maximum cost of the equivalent uniformed item of clothing or cost of equipment. In order that an affected

employee receives the benefit of this section, he/she must report any claims prior to the end of the shift on which the incident of damage or destruction occurred.

**G. Suspension Pending Discharge:**

1. The Sheriff or designee may immediately suspend without pay, an employee pending discharge for gross misconduct, conduct which gives rise to a clear and present danger to public health and/or safety, or conduct which is seriously and substantially disruptive of Sheriff's Office or County operations.

**I. Poor Performance:** If the County alleges that an employee's work performance has fallen below standard, said employee's supervisor shall inform the employee promptly and specifically of such lapses before issuing a warning letter or reprimand. In the event an employee receives a substandard evaluation, which results in the employee being denied a merit salary increase or longevity pay, said evaluation may be submitted to the Director of Human Resources pursuant to F(2) above.

**J. Use of Prior Discipline:** No prior punitive action may be used against an employee unless the employee was notified of the disciplinary action being imposed in writing, with a copy placed in the employee's personnel file. In the event that there has been such a notification at a level of a letter of reprimand, that notification shall not be used against an employee in future disciplinary actions if it has been in the employee's file for a period of twelve (12) months or more, discounting periods of leaves of absence in excess of thirty (30) days, provided that there has been no notification for the same or similar conduct during that twelve (12) month period. This twelve (12) month limitation does not apply to any disciplinary action taken against an employee arising out of a matter covered under Title VII of the Civil Rights Act of 1964. The purpose of this exception is to allow consideration of both the seriousness of the employee's proven offense and the record of the employee with the County in determining the degree of discipline administered, given the County's specific legal obligations under Title VII.

**K.** An employee shall have the right to representation of up to three (3) representatives of the Association at each step of the process.

**L.** No grievance settled by an employee in a classification represented by the Washoe County Sheriff Deputies Association shall be accepted by the County unless said employee has received concurrence from the Sheriff or his/her designee.

#### **ARTICLE 39 - REDUCTION IN FORCE - LAYOFFS**

Whenever the County reduces in force or lays off any employee having permanent status because of lack of work or lack of funds, the following procedure shall be used:

A. The County shall determine in which class or classes within the bargaining unit reduction in staff will have the least detrimental effect on departmental operations and will specify the layoff accordingly. Within the bargaining unit, all nonpermanent employees shall be laid off before any permanent employees and in the following order: temporary, provisional and probationary.

B. Seniority shall be the determining factor for purposes of layoff and right to rehire. The reemployment list shall remain in effect for a period of two (2) years from the date of lay off. 3. If a polygraphic examination is given to a peace officer pursuant to this section, a sound or video recording must be made of the polygraphic examination, the preliminary interview and the postexamination interview. Before the opinion of the polygraphic examiner regarding the peace officer's veracity may be considered in a disciplinary action, all records, documents and recordings resulting from the polygraphic examination must be made available for review by one or more polygraphic examiners licensed or qualified to be licensed in this State who are acceptable to the law enforcement agency and to the officer. If the opinion of a reviewing polygraphic examiner does not agree with the initial polygraphic examiner's opinion, the peace officer must be allowed to be reexamined by a polygraphic examiner of his choice who is licensed or qualified to be licensed in this State.

4. The opinion of a polygraphic examiner regarding the peace officer's veracity may not be considered in a disciplinary action unless the polygraphic examination was conducted in a manner which complies with the provisions of chapter 648 of NRS. In any event, the law enforcement agency shall not use a polygraphic examiner's opinion regarding the veracity of the peace officer as the sole basis for disciplinary action against the peace officer.

(b) Shall notify the peace officer who filed the report of the results of the investigation.

3. The employer of a peace officer shall not take any reprisal or retaliatory action against a peace officer who in good faith files a report pursuant to subsection 1.

4. Nothing in this section authorizes a person to disclose information if disclosure is otherwise prohibited by law.

5. This section does not apply to a peace officer who is employed by the State.

6. As used in this section, "improper governmental action" means any action taken by an officer or employee of a law enforcement agency, while in the performance of his official duties which is in violation of any state law or regulation.
