

LEMMON VALLEY FLOOD RESOURCES

February 2017

Washoe County has six of its departments (Community Services, Social Services, Animal Services, Truckee Meadows Fire, County Manager's Office and Health District) currently working to assist residents impacted by flooding in Lemmon Valley. We understand the extreme severity of the circumstances and have been working with State and community partners to help as well. The following is a list of additional resources available to residents to assist in recovery efforts.

If you have been affected by localized flooding, have questions or need additional information relating to flood resources, we urge you to contact us at 775-785-8600.
