

# Park District Reports February 2021

Open Space and Regional Park Commission Meeting  
March 2, 2021

## **SOUTH REGION HIGHLIGHTS**

- The recycled X-mas tree mulch is being spread throughout the parks for weed control and abatement. Most of it is being used at Bartley Ranch Regional Park.
- The maintenance building road and culvert are under construction at Bartley Ranch and will improve the efficiency of staff in gaining access to equipment and supplies.
- Ranger Staff is inventorying signage throughout the parks and adding or eliminating signage as needed.

## **UPCOMING EVENTS**

- Ranger staff is planning for programming to occur in the upcoming season. They are considering what guidelines may need to be followed in order to conduct their program.
- Seasonal and temporary job announcements will be coming out. We will be going through the hiring process for those positions.

## **NORTH REGION HIGHLIGHTS**

- We have filled the Vacant Park Ranger I position for the Pah Rah District. That position will work out of Lazy 5 Regional Park.
- Park staff has been working to move forward on two grants from NDOW that will provide a master plan for the Regional Archery Facility and improved access and classroom space at the Regional Shooting Facility. The classroom has been painted and new carpet have been installed. Roadway and parking improvements will begin in the near future.

## **UPCOMING EVENTS**

- Seasonal and temporary job announcements will be coming out. We will be going through the hiring process for those positions.
- We will begin the hiring process to fill the vacant Range Safety Officer at the Regional Shooting Facility
