

Park Planning and Development

Open Space and Regional Park Commission Meeting

SEPTEMBER-OCTOBER 2021

PLANNING HIGHLIGHTS

- Completed several clean-up projects at Carcione Open Space utilizing volunteers including trash removal, noxious weed removal, and fence removal.
- Continued work on fall restoration projects at several sites including weed removal and seeding at Crystal Peak Park, seeding and tree planting at Rancho San Rafael Regional Park, and weed removal at Cold Springs Park.
- Staff attended several quarterly meetings with partners including Eastern Sierra Trails Coalition, Historic Virginia and Truckee Trail Working Group, Washoe-Storey Cooperative Weed Management Area, and One Truckee River Partnership Council.
- Held the kick-off community meeting and trails stakeholder meeting for the Hidden Valley Master Plan update.
- Hosted the first public meeting and conducted a public survey for the Carcione and Canepa Ranch Recreation Access Plan.
