

Open Space and Regional Parks Commission Meeting
March 22, 2023

PLANNING HIGHLIGHTS

- A contract was awarded to the Nevada Land Trust to provide assistance with priority land acquisitions identified as eligible for future Conserve Nevada grant funds.
- In partnership with the Nevada Department of Agriculture, the Forest Service, the City of Reno, and the Nevada Department of Wildlife, a jointed goatgrass working group was formed to collaboratively treat and monitor new goatgrass infestations near Mayberry Park and the Tom Cooke Trail.
- A native seeding project was completed at Rancho San Rafael Regional Park along the north side of the Wetland Trail.
