Their Story			
<p>This strawberry-blond boy has a smile that can light up a room and melt your heart. Jeremiah is an active and healthy boy who won't tire out easily.</p> <p>Jeremiah is wild and adventurous. He likes monster trucks, action toys and riding his bike. Actually, riding his bike is his most favorite hobby. If left to his own devices, he would ride his bike non-stop performing daredevil tricks. Jeremiah's favorite animal is the monkey (which he does a good imitation of), but he also loves cats and dogs. Favorite foods include: mac and cheese; green beans; ice cream; and jello with bananas. Jeremiah is "very bright" and is a "Math Wiz".</p>
