

## District 5

### Application for Senior Services Advisory Board

#### **Additional Information:**

I am the onsite manager for a 55+ senior community in Sparks, NV. I moved here from Southern California one year ago with my husband and our 4 children. I am looking for ways to give back to my new city. I also think it would be beneficial for me to know what kind of senior services are offered in Washoe County in order to further support the Association I work for. In my early twenties I acted as a caregiver for both my grandfather and my grandmother in their last months of life and that experience really shaped how I look at life and gave me soft spot in my heart for the senior community. Assuming that the hours were manageable with my current job I would love to volunteer.
