Interests & Experiences

Please tell us about yourself and why you want to serve.

Why are you interested in serving on this board or commission?

My name is Frank Perez. I am interested in serving on the Washoe County Library Board of Trustees because of my passion for education and libraries. I advocated for the Traner-Duncan Library in 2015. Alongside several community stakeholders, we advocated for additional resources and against a library closure. Libraries are vital to the health of a community. They provide people and children access to knowledge and resources that might not otherwise be available. It would be a great honor to serve in this role. Alternatively, if there is not a vacancy with the Washoe County Library Board of Trustees, I would seek a nomination to join the Washoe County Senior Services Advisory Board. In my professional work in housing, code compliance, and neighborhood revitalization, I have spent much of my professional career working with this demographic. It would be an honor to continue making our community safer and better for our senior population.
