Question applies to Washoe County Law Library Board of Trustees

**How do you feel you are qualified to serve on this board? Please include any past board or commission experience.**

---

I believe I am qualified for this board because I have experience with business and volunteer run activities that are aimed to provide a service to the general public. The law library is incredibly useful to attorneys and non-attorneys alike and having worked for a Judge in Lyon County, I had to ensure we gave access to our very small library to the public. I would like to ensure that the community has access to the law library.
