Dear County Commissioners:

I have known Denise Myer for almost two decades. Denise and I worked together at the United States Forest Service, became friends and have remained friends to this day. Denise was one of the hardest working individuals at the USFS and balanced work, family, and attaining a Master's Degree in a stellar fashion, something few individuals have achieved. Denise is tenacious in pursuing family, personal, and community goals. I got to know a side of Denise I did not know during her recent campaign where she worked tirelessly attending meetings, greetings, and personally knocking on hundreds of doors and directly connecting with members of the community long after I felt like going home.

Denise loves Reno and Nevada, and she would be a great addition to the Parks and Recreation Board based on her love of the area alone. Denise is a long time Reno resident and is in touch with the needs of the community. Denise is a visionary and I am sure she will use her past, and present knowledge to inform the future of Reno Parks and Recreation needs and plans.

If you need to contact me for any other information for Denise, you can telephone me at 775-622-5151.

Sincerely,

Alyce Branigan
